

LEGACY CAPITAL FINANCING FUND Q&A

When will the construction funds be available to spend on the project?

Legacy Capital Financing (LCF) funds will be available to spend within 7 to 10 days of submission of a withdraw requisition.

Can an agency request payment or reimbursement of expenses that were incurred prior to execution of the Memorandum of Understanding (MOU)?

Yes. Per Section 2B of the MOU, reimbursements are allowable if they are part of the authorized project. The agency will send in a summary of invoices (LCFA Reimbursement Form; See 2Bc), copies of paid invoices, and signed receipts. See *"Reimb Form-LCF_FINAL.xlsx"*

Where and how does an agency send items related to reimbursements and cash advances?

Please send emails related to reimbursements and cash advances to:

OCIAinvoices@treasurer.ok.gov

email subject line: LCF Req #_____, "Project Name" - Agency Name

example: LCF Req #1, Jim Thorpe-OMES

What is required to send in with the req form?

A budget forecast for expenditures and any available detailed documentation. See *MOU 2A and "Req Form-LCF_Final.pdf"*

How much can I request per req?

An agency can request 25% of total project costs. For example, a \$20M project may request \$5M.

How does the agency make recapitalization payments?

Two months after the first disbursement, the agency will receive monthly recapitalization invoices from OCIA via ABS. Except for the first payment, all monthly payments will be in equal installments. These payments will be due by the 10th of every month.

What reporting is due to OCIA regarding the agencies LCF Project fund?
