450:1-7-4.1. Charges, ODMHSAS operated facilities

At least annually ODMHSAS shall review all charges for services provided at its facilities, and, if warranted, shall propose a change in the rate of charges for any services(s), based upon the cost of providing said services, or changes in the method/form of reimbursement under the U.S. Social Security Act Titles for Medicare and Medicaid.

450:1-7-5. Reimbursement rates, contractors [REVOKED]

450:1-7-6. Liability of Consumer for care and treatment - Eligibility for Waiver of Liability

(a) A consumer at a facility within the Department is responsible for payment and liable for his care and treatment unless he or she has received a waiver of the indebtedness from the Department.

(b) A consumer at a facility within the Department shall be granted a waiver from payment for services if the following criteria are met:

(1) The individual must be in need of behavioral health services. An individual shall be considered to be in need of behavioral health services if treatment is needed to stabilize, reduce or eliminate the symptoms of, or prevent worsening of any of the following conditions for which a facility within the Department offers treatment needed based on the diagnosis and level of care:

(A) A diagnosable behavioral health condition as defined by the current DSM,

- excluding a sole diagnosis of developmental disorders or dementia disorders;
- (B) A presenting problem(s) that indicates a behavioral health illness or condition;
- (C) A level of functioning that indicates the need for behavioral health treatment based on a standard assessment instrument; or
- (D) A behavioral health crisis.

(2) The individual must be uninsured. An individual shall be considered uninsured if one of the following applies:

- (A) The individual is not covered by private or public insurance and receives no insurance benefits for behavioral health services;
- (B) The individual has used all available benefits or coverage allowed for behavioral health services;
- (C) The individual has limited benefits for behavioral health services, but the service(s) needed by the individual are not covered by the individual's insurance or plan; or
- (D) Except for housing and vocational services, persons receiving behavioral health services through a health maintenance organization are considered to be fully covered for behavioral health services and are not eligible for a waiver of liability.

(3) The individual is indigent. An individual shall be considered indigent if he or she is at or below 200% of the Federal Poverty Guidelines based solely on the individual's applicable income. The indigence requirement does not apply to persons receiving emergency services or to persons seventeen (17) years of age or younger.

(A) "Income" is total annual cash receipts before taxes from all sources, and includes money wages and salaries before any deductions, net receipts from self-employment, regular payments from social security, railroad retirement, unemployment compensation, strike benefits from union funds, workers' compensation, veterans' payments, public assistance (including Temporary Assistance for Needy Families and Supplemental Security Income), training stipends; alimony, child support, military family allotments or other regular support from an absent family member or someone not living in the household, private pensions, government employee pensions, regular insurance or annuity payments, college or university scholarships, grants, fellowships and assistantships, dividends, interest, net rental income, net royalties, periodic receipts from estates or trusts, and net gambling or lottery winnings.

(B) "Income" does not include non-cash benefits, such as the employer-paid or union-paid portion of health insurance or other employee fringe benefits, food or housing received in lieu of wages, the value of food and fuel produced and consumed on farms, the imputed value of rent from owner-occupied non-farm or farm housing, and federal non-cash benefit programs such as Medicare, Medicaid, food stamps, school lunches, loans and housing assistance.

(C) Adjustments to "income" are allowed for the following:

- (i) Child care allowance for dependent children under the age of fourteen (14). The amount of \$200 for each child under the age of two (2), and \$175 for each child under the age of fourteen (14) can be deducted from "income" to calculate total adjusted "income". If the family has children, there is no

verification requirement.

(ii) Working adult allowance for working adults in the household. The amount of \$240 for each working adult can be deducted from "income" to calculate total adjusted "income". "Working adult" is defined as a person age eighteen (18) or older with earned income (adult children in the household are not eligible to be counted for this deduction). There is no verification requirement for this deduction.

(c) Before any waiver of liability is granted, a report or questionnaire must be prepared which indicates the demographic information including the consumer's name, address if any, telephone number if any, and social security number, the consumer's income, number of dependents and third-party insurance or payer information. Income must be verified by the facility obtaining one of the following:

- (1) The consumer's Internal Revenue Service Form W-2 from the previous year;
- (2) The consumer's federal or state income tax return from the previous year;
- (3) Two recent, consecutive paycheck stub(s) showing the pay date, hours worked, types of pay and gross rate of pay;
- (4) A Medicaid card; or
- (5) Any government document that verifies income.

If the facility is unable to verify the consumer's income by an independent source, the consumer or a family member of the consumer must sign an income verification statement before a waiver of liability may be granted.

(d) The executive director of the facility within the Department or his or her designee shall make a determination of whether the consumer meets the criteria for waiver of liability and sign a statement, which must be placed in the consumer's record at the facility, of the reasons for the waiver.

Facilities desiring this additional review must do so in writing to the Director of Provider Certification within three (3) working days of receipt of the follow up report referenced in (8) above and indicate the earliest date by which ODMHSAS should schedule the final review but not more than fifteen (15) working days from receipt of report as referenced in (8) above.

(9) Facilities for which ODMHSAS can verify compliance with all applicable Core Organizational Standards, Core Operational Standards, and Quality Clinical Standards, within the timeframes specified in 450:1-9-7.3 may be considered for renewal of Certification in accordance with guidelines established in 450:1-9-5.1.

(10) Anytime, during the process outlined above, ODMHSAS may request one or more written plan(s) of correction in a form and within a timeframe designated by ODMHSAS.

(11) If the applicant fails to submit a plan of correction within the required time frame, fails to submit a timely and adequate revised plan of correction, or fails to provide evidence of correction for all cited deficiencies, a recommendation to initiate revocation proceedings must be made to the Commissioner or designee. If the Commissioner or designee approves the initiation of revocation proceedings, the provisions of Subchapter 5 will be followed.

450:1-9-7.3. Additional certification procedures

(a) The following conditions will apply to site visits and other related certification reviews conducted by ODMHSAS.

(1) Initial, renewal or follow-up site reviews, based on the current certification status of the applicant, will be scheduled and conducted by designated representatives of the ODMHSAS at each location or site of the applicant.

(2) ODMHSAS may require materials be submitted to Provider Certification, in a form determined by ODMHSAS, prior to on-site visits to verify compliance with one or more applicable Core Organizational Standards, Core Operational Standards, and/or Quality Clinical Standards.

(3) One or more site review(s) may be conducted to determine compliance with prior deficiencies as well as with standards not applicable during the prior certification visit(s).

(4) A minimum number of consumer records, as determined by ODMHSAS, shall be made available for review to determine compliance with applicable Quality Clinical Standards. For organizations, unable to provide the required minimum of records, the current certification status, including a Permit for Temporary Operations, will be allowed to expire. ODMHSAS may require review of additional consumer records to assure a representative sample of records is evaluated to determine compliance with Quality Clinical Standards.

(5) A Site Review Protocol shall be completed during each certification review. Protocols shall contain the current ODMHSAS Standards and Criteria applicable to the facility.

(A) A facility must be prepared to provide evidence of compliance with each applicable standard.

(B) In the event the reviewer(s) identifies some aspect of facility operation that adversely affects consumer safety or health, the reviewer(s) shall notify the facility director and appropriate ODMHSAS staff. An immediate suspension of certification may be made by the Commissioner of ODMHSAS.

(b) **Accreditation status.** The ODMHSAS may accept accreditation granted by The Joint Commission (TJC), the Commission on Accreditation of Rehabilitation Facilities (CARF), the Council on Accreditation of Services for Families and Children, Inc. (COA),

or the American Osteopathic Association (AOA) as compliance with certain specific ODMHSAS standards. For such to be considered, the facility shall make application and submit evidence to the ODMHSAS of current accreditation status. This evidence shall include documentation of the program or programs included in the most recent accreditation survey, including survey reports of all visits by the accrediting organization, any reports of subsequent actions initiated by the accrediting organization, any plans of correction, and the dates for which the accreditation has been granted.

(c) **Deficiencies.** A deficiency shall be cited for each rule not met by the facility.

(d) **Report to applicant and plan of correction.**

(1) During the course of the certification process, and prior to determination of certification status, ODMHSAS staff shall report the results of the certification review to the facility. The facility shall receive written notice of the deficiencies in a Certification Report in accordance with 450:1-9-7, 450:1-9-7.1, and 450:1-9-7.3.

(2) The facility may be required to submit a written plan of correction as determined by 450:1-9-7, 450:1-9-7.1, and 450:1-9-7.3. Approval of the plan of correction by Provider Certification may be required before a final report of findings can be presented to ODMHSAS or the Board.

(3) If a request for a revised plan of correction is necessary, the facility must submit an acceptable plan of correction within the required time frame to continue the certification process. Failure to submit a timely and adequate revised plan of correction shall result in either a notice of denial of the application, expiration of certification, or revocation of the certification status, as applicable.

(e) **Notification of consideration and possible action for certification.**

(1) After consideration of materials requested by ODMHSAS pursuant to certification procedures, and completion of the necessary review(s), ODMHSAS staff shall prepare a report that summarizes findings related to compliance with applicable certification standards.

(2) Reports regarding applications for Permit for Temporary Operations will be forwarded to the ODMHSAS Board, the Commissioner, or designee.

(3) Reports for all other Certification applications will be forwarded to the ODMHSAS Board for consideration or in accordance with procedures outlined in 450:21, 450:22, or 450:50.

(4) Prior to the ODMHSAS staff's presentation of its report related to the applicant's certification to the Board or the Commissioner or designee the ODMHSAS staff shall notify the applicant of:

(A) the findings included in the report, and

(B) the date and time of the Board meeting at which the facility's application, and the certification will be considered.

(5) Achievement of certain scores is a prerequisite for consideration of a specific certification status but may not be the sole determinant. Individual deficiencies that meet the criteria in 450:1-9-9 may be grounds for suspending or revoking certification or denying applications for certification.

(6) Consideration of certification may be deferred while additional information regarding a facility's compliance status is reviewed.

(7) The minimum conditions for compliance that must be verified by ODMHSAS for consideration of a certification status shall be stipulated in 450:1-9-5.1.

(f) **Recommendations for revocation of certification.** In the event ODMHSAS can not verify compliance with applicable certification standards in accordance with 450:1-9-5.1, except for Permits for Temporary Operations, ODMHSAS shall forward recommendation for revocation of certification to the Commissioner or designee. If the Commissioner or designee approves a recommendation to revoke certification, an individual proceeding shall be initiated pursuant to Subchapter 5. Applicants unable to demonstrate compliance with standards required for Permit for Temporary Operation are not subject to the provisions for revocation and are simply denied the Permit as stipulated in 450:1-9-7.

450:1-9-7.4. Actions on Non-Certified Providers

If at the initial site review it is found the facility is providing services prior to the granting of an ODMHSAS certification status, applicable for those services being provided and in violation of statutory requirements, including prior to the granting of a Permit for Temporary Operations, the following actions will be taken:

- (1) The review will be continued and will include a review of all applicable Core Organizational Standards, Core Operational Standards, and Quality Clinical Standards.
- (2) The facility must comply with the requirements cited in 450:1-9-5. to continue the certification process. Such organizations are eligible only for a consideration of a Probationary Certification.
- (3) The applicant must comply within twenty (20) working days of the initial certification visit, with all applicable Core Organizational Standards, Core Operational Standards, and Quality Clinical Standards for a report for consideration of Probationary Certification to be made to the Board. Failure to achieve the required compliance level for Probationary Certification shall result in a denial for Certification and an Order issued to cease the provision of services, if applicable.
- (4) If the applicant achieves the required compliance level within the required time frame, a Probationary Certification may be considered for no more than one (1) year.
- (5) Continued certification after the Probationary Certification period of one year will require the submission of a new application for each of the next two (2) years. The requirements in 450:1-9-5.1(a)(3) shall apply. If the applicant achieves the required compliance level within the required time frame, a Probationary Certification can be considered for no more than one (1) year for each of the next two years.

450:1-9-10. Contingency for non-action by the Board

In the event the Board of Mental Health and Substance Abuse Services does not meet during the month a facility's certification is due for consideration, or is unable for any reason to consider the certification in a timely manner, any current certification status shall be automatically extended until the next meeting of the Board, unless to do so would endanger the health, welfare and safety of consumers, and there would be a danger of imminent harm.

(c) The cost of certification review, the record, and administrative sanction proceedings shall be advanced by ODMHSAS. Where a certification review results in an administrative sanction, the cost of the certification review, the record, and administrative sanction proceedings shall be surcharged against the sanctioned facility. Costs of administrative sanction proceedings shall include costs of prosecution of the sanction imposed. Reapplication for consideration of certification will not be considered unless and until the sanctioned facility pays such costs to ODMHSAS.
