**DEVELOPMENT OF SCORING TOOL METRICS/PROCESS AND PROCEDURE FOR REVIEWING STRATEGIC PLANS**

This agenda item was moved to the January 13th agenda.

**STANDARDS FOR STRATEGIES IMPLEMENTATION**

Young O. presented a sample to the group for review. It was a Standards of Effectiveness for Reward Reminder Visits. It was completed by Trese Flowers and will serve as a model for the creation of future Standards of Effectiveness. In reviewing the document, the EBP Workgroup proposed a few changes. The workgroup agreed that the standards listed should be condensed into 3 categories: Strategy Administration
(before), Implementation, and Follow-up. It was suggested that this format be applied to future strategy standards, but was thought that it would not adequately apply to all strategies. This will be discussed at the next meeting.

In addition to reviewing strategy standards, the EBP worked group was tasked with developing standards for 3 potential strategies: Social Norms, Alcohol Tax Increase, and Restrictions on Alcohol Advertising. Patty M. volunteered to develop these components for the workgroup and submit for review at the January 13 meeting.

**NEW BUSINESS**
