**DISCUSSION AND POSSIBLE APPROVAL OF SALE ON REAL PROPERTY  
LOCATED IN BLOCK 5 OF CULBERTSON HEIGHTS ADDITION TO THE CITY OF  
OKLAHOMA CITY, OKLAHOMA COUNTY**

Mr. Chad Carden, Chief of Operations, presented an item regarding the property located at 13<sup>th</sup> and Lottie Avenue, which is part of a MAPS4 project to build a new crisis center.

Background: Mr. Carden provided a timeline, noting that on September 26, 2024, the Trust approved a motion to allow the Oklahoma Department of Mental Health and Substance Abuse Services (ODMHSAS) to enter into a Letter of Intent (LOI) to sell the property to the City of Oklahoma City. The LOI was sent on October 1, 2024. The City

of Oklahoma City rejected the initial LOI, requesting verbiage reflecting a "donation," which the Trust is legally unable to do.

Proposal: To approve the sale of the 13th and Lottie property to the City of Oklahoma City for a nominal fee of \$1.00. In exchange, the City will construct a new crisis center building on the property for use by the ODMHSAS.

Discussion:

- It was clarified that this action aligns with the Trust's original intent to facilitate the construction of the new crisis center. The change from a donation to a \$1.00 sale is a necessary legal correction.
- The new building will consolidate two current ODMHSAS facilities (OCCIC and OCRU), allowing the Department to exit a long-term lease, resulting in a significant operational win.
- The Department will be responsible for the operational and staffing costs of the new facility, which will be factored into a future budget (likely FY27), as construction is expected to begin early next year.

Ms. Stomprud moved to approve the potential sale of the Culbertson Heights property as previously described, as in the Department's best interest. Mr. Moore seconded the motion.

Mr. Carden provided an update on the auction of two properties located on Mohawk Boulevard, which closed on September 5, 2025.

Building on 5 Acres was appraised for \$705,000. The winning bid was \$710,000. Vacant 5-Acre Lot was appraised for \$185,000. The winning bid was \$200,111. The total sale price for both properties exceeded the combined appraised value by \$20,111.

Mr. Carden announced that the winning bidder for the building was Palmer Continuum, the organization that has occupied the facility for over 20 years. The Trust recognized this as a "win-win" outcome for the State, the Department's programs, and Palmer Continuum.
