## SUBCHAPTER 1. GENERAL PROVISIONS

### **450:27-1-1. Purpose**

(a) This chapter sets forth the Standards and Criteria used in the certification of certain facilities or organizations providing mental health treatment services and implements 43A O.S. § 3-323A which authorizes the Board of Mental Health and Substance Abuse Services, or the Commissioner upon delegation by the Board, to certify facilities as a Mental Illness Service Program.

(b) The rules regarding the certification process including but not necessarily limited to application, fees and administrative sanctions are found in the Oklahoma Administrative Code, Title 450 Chapter 1, Subchapters 5 and 9.

(c) Rules outlining general certification qualifications applicable to facilities and organizations certified under this Chapter are found in OAC 450:1-9-5 through OAC 450:1-9-5.6.

### **450:27-1-2. Definitions**

The following words or terms, when used in this Chapter, shall have the following meaning, unless the context clearly indicates otherwise:

**"Abuse"** means the causing or permitting of harm or threatened harm to the health, safety, or welfare of a consumer by a staff responsible for the consumer's health, safety, or welfare, including but not limited to: non-accidental physical injury or mental anguish; sexual abuse; sexual exploitation; use of mechanical restraints without proper authority; the intentional use of excessive or unauthorized force aimed at hurting or injuring the resident; or deprivation of food, clothing, shelter, or healthcare by a staff responsible for providing these services to a consumer.

**"Advanced Practice Registered Nurse or (APRN)"** means a registered nurse in good standing with the Oklahoma Board of Nursing, and has acquired knowledge and clinical skills through the completion of a formal program of study approved by the Oklahoma Board of Nursing Registration and has obtained professional certification through the appropriate National Board recognized by the Oklahoma Board of Nursing. Advanced Practice Registered Nurse services are limited to the scope of their practice as defined in 59 Okla. Stat. § 567.3a and corresponding rules and regulations at OAC 485:10-5-1 through 10-16-9.

**"Case management services"** means planned referral, linkage, monitoring and support, and advocacy provided in partnership with a consumer to assist that consumer with self sufficiency and community tenure and take place in the individual's home, in the community, or in the facility, in accordance with a service plan developed with and approved by the consumer and qualified staff.

**"Community-based Structured Crisis Center" or "CBSCC"** means a program of non-hospital emergency services for mental health and substance abuse crisis stabilization as authorized by 43A O.S. §3-317, including, but not limited to, observation, evaluation, emergency treatment and referral, when necessary, for inpatient psychiatric or substance abuse services. This service is limited to CMHC's and Comprehensive Community Addiction Recovery Centers (CCARCs) who are certified by the Department of Mental Health and Substance Abuse Services or facilities operated by the Department of Mental Health and Substance Abuse Services.

**"Community mental health center" or "CMHC"** means a facility offering a comprehensive array of community-based mental health services, including but not limited to, inpatient treatment, outpatient treatment, partial hospitalization, emergency care, consultation and education; and, certain services at the option of the center, including, but not limited to, prescreening, rehabilitation services, pre-care and aftercare, training programs, and research and evaluation.

**"Consumer"** means an individual, adult, adolescent, or child, who has applied for, is receiving or has received evaluation or treatment services from a facility operated or certified by ODMHSAS or with which ODMHSAS contracts and includes all persons referred to in OAC Title 450 as client(s) or patient(s) or resident(s) or a combination thereof.

**"Consumer advocacy"** includes all activities on behalf of the consumer to assist with or facilitate resolution of problems in the acquisition of resources or services needed by the consumer.

**"Contract"** means a document adopted by the governing authority of a treatment facility and any other organization, facility, or individual, which specifies services, personnel, or space to be provided by the program, as well as the monies to be expended in exchange.

**"Co-occurring disorder" (COD)** means any combination of mental health symptoms and substance abuse symptoms or diagnoses that affect a consumer and are typically determined by the current Diagnostic and Statistical Manual of Mental Disorders.

**"Co-occurring disorder capability"** means the organized capacity within any type of program to routinely screen, identify, assess, and provide properly matched interventions to consumers with co-occurring disorders.

**"Crisis Intervention"** means actions taken, and services provided to address emergency psychological, physiological, and safety aspects of alcohol, drug-related, and mental health crises.

**"Crisis stabilization"** means emergency, psychiatric, and substance abuse services for the resolution of crisis situations and may include placement of an individual in a protective environment, basic supportive care, and medical assessment, and, if needed, referral to an ODMHSAS certified facility having nursing and medical support available.

**"Cultural competency"** means the ability to recognize, respect, and address the unique needs, worth, thoughts, communications, actions, customs, beliefs and values that reflect an individual's racial, ethnic, religious, sexual orientation, and/or social group.

**"Discharge criteria"** means individualized measures by which a program and the consumer determine readiness for discharge or transition from services being provided by that facility. These may reference general guidelines as specified in facility policies or procedures and/or in published guidelines including, but not limited to, the current ASAM criteria for individuals with substance use disorders, but should be individualized for each consumer and articulated in terms of consumer behaviors, resolutions of specific problems, and attainment of goals developed in partnership with the participant and the provider.

**"DSM"** means the most current edition of the Diagnostic and Statistical Manual of Mental Disorders published by the American Psychiatric Association.

**"Emergency detention"** means the detention of a person who appears to be a person requiring treatment in a facility approved by the Commissioner of Mental Health and Substance Abuse Services as appropriate for such detention after the completion of an emergency examination, either in person or via telemedicine, and a determination that emergency detention is warranted as defined in Title 43A O.S. Section 5-206.

**"Emergency examination"** means the examination of a person who appears to be a mentally ill person, an alcohol-dependent person, or drug-dependent person and a person requiring treatment, and whose condition is such that it appears that emergency detention may be warranted by a licensed mental health professional to determine if emergency detention of the person is warranted.

**"Emergency services"** means a twenty-four (24) hour capability for assessment, intervention, and resolution of a consumer's crisis or emergency provided in response to unanticipated, unscheduled emergencies requiring prompt intervention to resolve immediate, overwhelming problems that severely impair the individual's ability to function or remain in the community and may include placement of the individual in a protective environment, withdrawal management, individual and group consultation, and medical assessment.

**"Evidence based practice"** means programs or practices that are supported by research methodology and have produced consistently positive patterns of results when replicated within the intent of the published guidance.

**"Face-To-Face"** for the purposes of the delivery of behavioral health care, means a face-to-face physical contact and in-person encounter between the health care provider and the consumer, including the initial visit. The use of telemedicine shall be considered a face-to-face encounter.

**"Facilities or Facility"** means entities as described in Title 43A O.S. § 1-103(7), community mental health centers, residential mental health facilities, community based structured crisis centers, certified services for the alcohol and drug dependent, programs of assertive community treatment, eating disorder treatment, gambling addiction treatment, and narcotic treatment programs.

**"Family"** means the parents, brothers, sisters, other relatives, foster parents, guardians, and others who perform the roles and functions of family members in the lives of consumers.

**"Licensed Behavioral Health Professional" or "LBHP"** means:

(A) An Allopathic or Osteopathic Physician with a current license and board certification in psychiatry or board eligible in the state in which services are provided, or a current resident in psychiatry;

(B) An Advanced Practice Registered Nurse licensed as a registered nurse with a current certification of recognition from the board of nursing in the state in which services are provided and certified in a psychiatric mental health specialty;

(C) A Clinical Psychologist who is duly licensed to practice by the State Board of Examiners of Psychologists;

(D) A Physician Assistant who is licensed in good standing in Oklahoma and has received specific training for and is experienced in performing mental health therapeutic, diagnostic, or counseling functions;

(E) A practitioner with a license to practice in the state in which services are provided by one of the following licensing boards:

- (i) Social Work (clinical specialty only);
- (ii) Professional Counselor;
- (iii) Marriage and Family Therapist;
- (iv) Behavioral Practitioner; or
- (v) Alcohol and Drug Counselor.

**"Licensed mental health professional"** or **"LMHP"** as defined in Title 43A §1-103(11).

**"Licensure candidate"** means practitioners actively and regularly receiving board approved supervision, and extended supervision by a fully licensed clinician if board's supervision requirement is met but the individual is not yet licensed, to become licensed by one of the following licensing boards:

- (A) Psychology;
- (B) Social Work (clinical specialty only);
- (C) Professional Counselor;
- (D) Marriage and Family Therapist;
- (E) Behavioral Practitioner; or
- (F) Alcohol and Drug Counselor.

**"Linkage"** refers to the communication and coordination with other service providers to assure timely appropriate referrals between the CMHC and other providers.

**"Medically necessary"** means health care services or supplies needed to prevent, diagnose or treat an illness, injury, condition, disease or its symptoms and that meet accepted standards of medicine.

**"Nurse Care manager"** means a Licensed Practical Nurse (LPN) or a Registered Nurse (RN).

**"ODMHSAS"** means the Oklahoma Department of Mental Health and Substance Abuse Services.

**"Oklahoma Administrative Code"** or **"OAC"** means the publication authorized by 75 O.S. § 256 known as The Oklahoma Administrative Code or, prior to its publication, the compilation of codified rules authorized by 75 O.S. § 256(A) (1) (a) and maintained in the Office of Administrative Rules.

**"Peer Recovery Support Specialist"** or **"PRSS"** means an individual who meets the qualifications and is certified as a PRSS pursuant to OAC 450:53.

**"Performance Improvement"** or **"PI"** means an approach to the continuous study and improvement of the processes of providing health care services to meet the needs of consumers and others. Synonyms, and near synonyms include continuous quality improvement, continuous improvement, organization-wide quality improvement and total quality management.

**"Primary Care Practitioner (PCP)"** means a licensed physician, Advanced Practice Registered Nurse (APRN), or Physician Assistant (PA) licensed in the State of Oklahoma.

**"Program of Assertive Community Treatment"** or **"PACT"** is a clinical program that provides continuous treatment, rehabilitation, and support services to persons with mental illness in settings that are natural to the consumer.

**"Progress notes"** mean a chronological written description of services provided to a consumer, resident, client, or patient that documents, utilizing

acceptable documentation practices, the consumer's response related to the intervention plan or services provided.

**"Psychiatric Residential Treatment Facility" or "PRTF"** means a non-hospital facility that provides inpatient psychiatric services to individuals under the age of twenty-one (21).

**"Psychosocial assessments"** are in-person interviews conducted by professionally trained personnel designed to elicit historical and current information regarding the behavior and experiences of an individual, and are designed to provide sufficient information for problem formulation and intervention.

**"Psychotherapy" or "Therapy"** means a goal directed process using generally accepted clinical approaches provided face-to-face by a qualified service provider with consumers in individual, group or family settings to promote positive emotional or behavioral change.

**"Recovery Support Specialist" or "RSS"** means an individual who has completed the ODMHSAS RSS training and has passed the ODMHSAS RSS exam.

**"Rehabilitation Services"** means face-to-face individual or group services provided by qualified staff to develop skill necessary to perform activities of daily living and successful integration into community life.

**"Resident"** means a person residing in a community living program certified by ODMHSAS.

**"Restraint"** refers to manual, mechanical, and chemical methods that are intended to restrict the movement or normal functioning of a portion of an individual's body.

**"Screening"** means the process to determine whether the person seeking assistance needs further comprehensive assessment.

**"Service Intensity"** means the frequency and quantity of services needed, the extent to which multiple providers or agencies are involved, and the level of care coordination required.

**"Service plan" or "Treatment plan"** means the document used during the process by which a qualified service provider and the consumer together and jointly identify and rank problems, establish agreed-upon immediate short-term and long-term goals, and decide on the treatment process and resources to be utilized.

**"Trauma informed capability"** means the capacity for a facility and all its programs to recognize and respond accordingly to the presence of the effects of past and current traumatic experiences in the lives of its consumers.

**"Wellness"** means the condition of good physical, mental and emotional health, especially when maintained by an appropriate diet, exercise, and other lifestyle modifications.

**"Wellness Coach"** means an individual who is actively working on personal wellness and who is designated to collaborate with others to identify their personal strengths and goals within the eight dimensions of wellness (spiritual, occupational, intellectual, social, physical, environmental, financial, and emotional).

(A) In order to qualify to be a Wellness Coach, individuals shall:

- (i) Have a behavioral health related associates degree or two years of experience in the field and/or have an active certification and/or license within the behavioral health field (e.g. PRSS, Case Management, LBHP, LPN, etc.); and
  - (ii) Complete the ODMHSAS Wellness Coach Training Program and pass the examination with a score of 80% or better.
- (B) Wellness Coach roles and responsibilities include:
- (i) Role model wellness behaviors and actively work on personal wellness goals;
  - (ii) Apply principles and processes of coaching when collaborating with others;
  - (iii) Facilitate wellness groups;
  - (iv) Conduct motivational interventions;
  - (v) Practice motivational interviewing techniques;
  - (vi) Provide referrals to community resources for nutrition education, weight management, Oklahoma Tobacco Helpline, and other wellness-related services and resources;
  - (vii) Create partnerships within local community to enhance consumer access to resources that support wellness goals;
  - (viii) Raise awareness of wellness initiatives through educational in-service and community training;
  - (ix) Elevate the importance of wellness initiatives within the organization;
  - (x) Promote a culture of wellness within the organization for both consumers and staff;
  - (xi) Respect the scope of practice and do not practice outside of it, referring people to appropriate professionals and paraprofessionals as needed.

**450:27-1-3. Meaning of verbs in rules**

The attention of the facility is drawn to the distinction between the use of the words "shall," "should," and "may" in this chapter:

- (1) "Shall" is the term used to indicate a mandatory statement, the only acceptable method under the present standards.
- (2) "Should" is the term used to reflect the most preferable procedure, yet allowing for the use of effective alternatives.
- (3) "May" is the term used to reflect an acceptable method that is recognized but not necessarily preferred.

**450:27-1-4. Meaning of other terms**

- (a) Program(s) and facility(ies) are interchangeable terms and refer to the Mental Illness Service Program as stipulated in 43A O.S. § 3-323A.
- (b) Program components refer to the specific services offered as portions of the overall facility program.

**450:27-1-5. Services**

All facilities providing services pursuant to standards and criteria established in OAC 450:27 shall have a group of services herein designated as core mental illness treatment services in accordance with 450:27-3-1.

#### **450:27-1-6. Applicability**

The standards and criteria for services as subsequently set forth in this chapter are applicable to Mental Illness Service Programs stated in each subchapter.

### **SUBCHAPTER 3. ORGANIZATION STRUCTURE AND ADMINISTRATIVE OPERATIONS**

#### **PART 1. SERVICES AND FACILITY ORGANIZATION**

##### **450:27-3-1. Required Core Services**

(a) Facilities providing mental illness treatment services shall document how the program is organized to provide a group of services herein designated as core services. Required services include:

- (1) Screening assessment and referral services;
- (2) Emergency services; and,
- (3) Outpatient therapy services.

(b) Other services may be offered and, if offered, will be in compliance with OAC 450, as applicable, including but not limited to those services referenced in 450:27-721 Additional Mental Health Treatment Services.

(c) Compliance with 450:27-3-1 (a) and (b) shall be determined by a review of written service descriptions; facility policies; and, other materials as applicable.

##### **450:27-3-2. Availability of services**

(a) Program descriptions must be available that describe how required core services are available to individuals on a daily basis or as publicly posted. Posted information must also identify how individuals can access emergency care at times other than the scheduled operating hours for non-emergency services.

(b) Compliance with 450:27-3-2 shall be determined by a review of written materials; facility policies; and, other documents as applicable.
