

Your SoonerCare Coverage Will Be Ending in 2023

Due to COVID-19, Medicaid renewals were paused. However, Oklahoma will soon be required to restart eligibility reviews for all SoonerCare members. **You or someone in your household is currently ineligible and will lose coverage at a date determined by OHCA.** Your situation — including critical health conditions, financial need and benefit use — will be considered when determining your coverage end date.

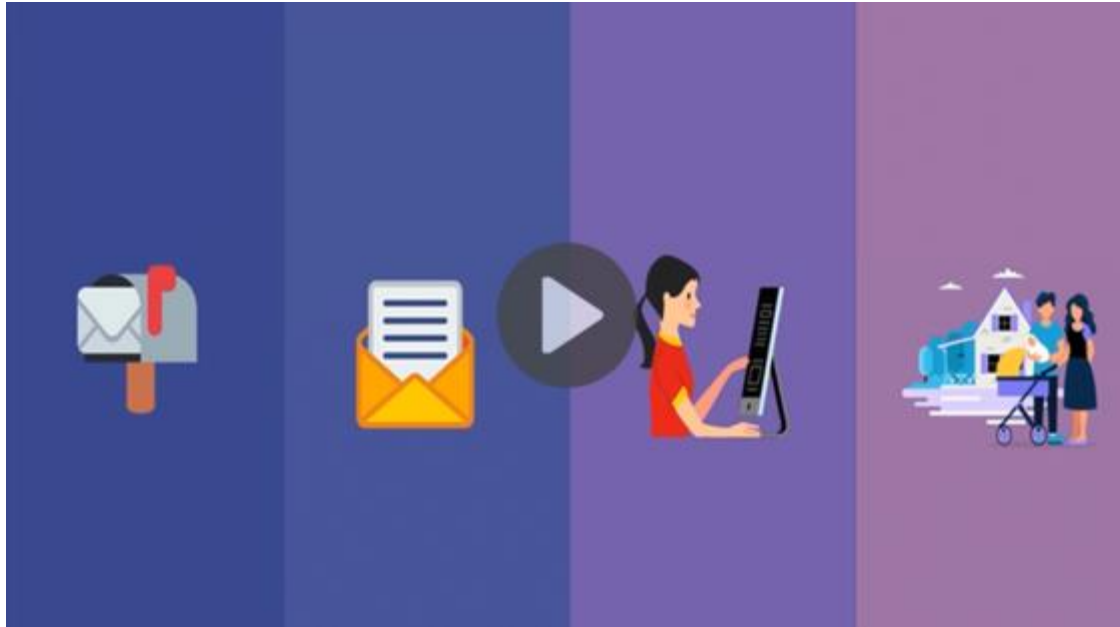

Ineligible members will be disenrolled from SoonerCare over a period of 9 months. Oklahoma Human Services (OHS) will disenroll ineligible members who enrolled through OHS over a period of 12 months.

What Do I Do Now?

First, it's very important that **you update your contact information.** [Click here](#) to confirm or update your mailing address, phone number and email address.

Can I Get Other Coverage?

If you are no longer eligible for SoonerCare, OHCA will be sending you information on the [Affordable Care Act Marketplace](#). The Marketplace will have a special enrollment period for affected members. Marketplace plans are affordable. They can have low-cost premiums and cover prescription drugs, doctor's visits, urgent care, hospital visits and more. Deductibles, copays and coinsurance apply.
