Engineering Contracts - please see attached

FOR PRESENTATION AT THE COMMISSION MEETING OF DECEMBER 8, 2008

AGENDA ITEM NO: A-196

SUBJECT: Engineering Contracts

a. Statewide - All Commission Districts (EC-1243)

In anticipation of receiving additional federal funds from the potential Economic Stimulus Program, the Department is advancing project development activities for at least 95 highway system projects located throughout the state. Many of these projects will be advanced with Department personnel. The goal of this effort is to utilize consulting engineers in support of Department staff to let construction projects as soon as any additional funds are made available.

The Department has selected the following consulting firms to conduct preliminary engineering studies and to prepare final construction plans for several of these projects:

BKL, Inc.
Cobb Engineering Company
EST, Inc.
Garver Engineers, Inc.
Grossman and Keith Engineering Co., Inc.
Poe & Associates
Professional Engineering Consultants, P.A.
Smith Roberts Baldischwiler, LLC
The Benham Companies, LLC

Total Aggregate Not-to-Exceed Amount - \$9,000,000.00

This contract will be funded with 80% federal funds and 20% soft match credit.

Multiple projects are included in the 8 Year Construction Work Plan. The combined total estimate for construction of these projects is approximately \$180,000,000.00.

Commission approval is recommended.
