9 ADDITIONAL COMMENTS OR INFORMATION

DOCUMENTATION TO BE INCLUDED WITH PRODUCT SUBMISSION (If Applicable and Available)

- Manufacturer's Product Specifications
- Material Description or Shop Drawings
- Product Brochures
- Additional Instructions or Directions for Installation, Application, Limitations or Use
- National Transportation Product Evaluation Program (NTPEP) Test Data
- Material Safety Data Sheet (MSDS, OSHA-20 or OSHA-174)

Acceptance of a product for evaluation by the Oklahoma Department of Transportation is in no way a commitment to purchase, recommend, or specify the product reviewed, regardless of its performance. In addition, the manufacturer and vendor shall be responsible for all liabilities for injuries caused by defects in the design of, or manufacture and labeling of, their products. The manufacturer is responsible for keeping ODOT informed as to any changes in the product makeup, manufacturer's location, distribution, and representatives. Any changes without proper notification will result in rejection of the product.

For consideration by the Oklahoma Department of Transportation, submit this completed form to:
