Description of Amendment:

a. This is to incorporate the following:

Questions and Answers:

- 1. What is your definition of a service call? Answer: A Service call consists of time and material to correct that initiated the call.
2. Is there any historical data, information, that would show typical service call info? Such as average hours? Is there a list of typical jobs? Answer: There is no consolidated historical data as each location has been responsible for handling their task order. It could be a number of different things from fixing toilets, sinks, installing water softener, trouble shooting leads, repair/replace hot water tanks. At ports we have 6-8 toilets, breakroom sink, hot water tank, and domestic water pump.
3. Does contract include underground utilities? Answer: It is possible that there might be some task orders that might include underground utilities. It will depend upon the nature of the work being requested on a Task Order.
4. Is there usually one contact per county that dispatches calls to contractors? ODOT has facilities spread out across the state, 9 District offices (some with satellite buildings), 77 maintenance yards, 8 Interstate Yards, 25 residencies, 4 Port of Entries

**and Eight weigh scale stations. There is always the possibilities of new locations being added. Each location is responsible for handling their task orders. Contractors should providing pricing for counties that they are willing to work in.**

**5. Is mileage price a set price, or do we provide? Answers: Contractor to provide per mile price for mileage over 50 miles. For example \$0.30/per mile.**

**6. Is there a list of current contractors that is available? Answer: There is an email list of contractors around the State who were invited to respond to this solicitation.**

b. All other terms and conditions remain unchanged.
