Re: Roosevelt Bridge

Dear Mr. Gatz,

Thank you for taking the time to read my letter. As you know the Roosevelt Bridge has exceeded its useful lifespan. I am in full support of the need to have funding established for a new bridge. I urge you to consider all avenues necessary to proceed with the funding mechanism in this endeavor.

The Roosevelt Bridge is vital to the transportation and tourism for this region. I realize it will have great cost with a new bridge. However it is time to proceed with intentional direction for the funding for this project.

Again, thank you for your consideration of this vital project.

Sincerely,
