To whom it may concern,

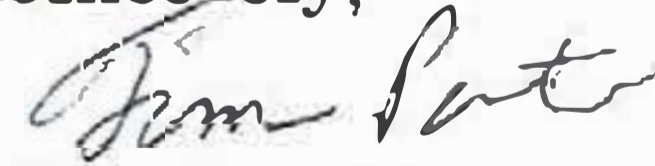

I am writing this letter in support of the Oklahoma Department of Transportation which is requesting funds to renovate seven bridges along Hwy 270 in Seminole County.

Hwy 270 is an important part of Seminole County infrastructure. Not only is it used for daily commutes to work, school and health care, it is a major collector and is used by thousands of Oklahomans not living within Seminole County.

As the Commissioner of Seminole County District 2, and a lifelong resident of Seminole County, I am concerned for public safety as well as that of my own family. These bridges are in dire need of attention and have been for quite some time.

Thank you for taking the time to consider Hwy 270 as a possible recipient for the Competitive Highway Bridge program.

Sincerely,

Tim Porter
Seminole County Commissioner
District 2
