

Article 5: Estimated Project Schedule

Article 5: Award Dates and Estimated Project Schedule

5.1 Award Dates

Budget Period End Date: The budget period end date is reflected on the Grant Agreement. Program funding that is obligated under this Grant Agreement remains available until expended.

Period of Performance End Date: The period of performance end date is reflected on the Grant Agreement. Program funding that is obligated under this Agreement remains available until expended.

5.2 Estimated Project Schedule

Milestones associated with this Agreement are identified below. ODOT will complete these milestones to FRA's satisfaction by the Schedule Date, subject to the Grant Agreement. ODOT will notify FRA in writing when it believes it has achieved a milestone.
