**RE: INFRA Application for US-81 in Grady County**

Dear Secretary Buttigieg,

On behalf of the Oklahoma Department of Transportation (ODOT), I am pleased to present this application for INFRA grant funds. We take pride in our mission “to provide a safe, economical and effective transportation network for the people, commerce and communities of Oklahoma” and this application has been developed in this spirit.

We are committing \$125,000,000 in non-federal funds of future eligible project costs as local match for the US-81 project in Grady County, should it be selected for award of INFRA grant funds.

The Oklahoma Turnpike Authority is committing \$14,900,000 in non-federal funds of future eligible project costs as local match for the US-81 project in Grady County, should it be selected for award of INFRA grant funds.

Oklahoma Transportation’s total non-federal funding commitment of future eligible costs as local match for the US-81 project in Grady County is \$139,900,000.

Thank you for your consideration for funding this project.

Sincerely,

Tim J. Gatz  
Executive Director  
Secretary of Transportation
