RE: Multimodal Project Discretionary Grant funding for the Priority Improvements for the I-35 Corridor

Honorable Secretary Buttigieg,

On behalf of the constituents of Oklahoma House District 49, I am writing to voice my strong support of the Oklahoma Department of Transportation's (ODOT) application for an Multimodal Project Discretionary Grant to assist with the Priority Improvements for the I-35 Corridor. The proposed improvements to Priority Improvements for the I-35 Corridor are both necessary and urgent to provide for motorist safety, better facilitate traffic and improve freight movement and to meet the strategic goals of both ODOT and the region.

The constituents of Oklahoma House District 49 strongly support the Priority Improvements for the I-35 Corridor for its vital contribution to the region, state, and nation. The proposed project supports a network that is critical to Oklahoma's economy and freight movement. We strongly urge your support of full funding for the project. Thank you for your consideration and please feel free to communicate with my office should you have questions or if you require additional information.

Thank you for your assistance to the great people of the state of Oklahoma.

Sincerely,
