Festivals and events are sprouting up all over Oklahoma, with thousands joining in the fun and allowing Oklahomans to share their unique blend of hospitality. Statewide events have been growing in size and have made Oklahoma one of the top destinations in the nation for fun and excitement!

In addition to celebrating our Western heritage and Native American cultures, other unique cultural events, like the Chinese New Year, are gaining recognition. Fun events like Edmond's Liberty Fest rated in the top five in the nation for Independence Day activities, the HS&B summertime food truck gathering in Midweek OKC is one of the largest of its kind in the country, and many musical or fruit festivals offer unique, seasonal adventures.

Whether it's bike rallies, hot air balloon festivals or fall foliage tours, Oklahoma has an assortment of events to fit your taste. So satisfy your adventurous side. Broaden your horizons. And choose from a variety of events and festivals that continue to propel Oklahoma to the top of the lists of great national attractions.

Sincerely,
Mary Fallin
