## **PUBLIC MEETING**

The Oklahoma Department of Transportation (ODOT), in cooperation with the Federal Highway Administration (FHWA) is proposing to improve the bridge crossing over the Caney River on State Highway 123 (SH-123), located 1.68 north of the SH-123/US-60 junction in the City of Bartlesville in Washington County. The purpose of the project is to provide a structurally sound crossing and preserve the transportation continuity over the Caney River on SH-123.

As part of our efforts to keep the public informed of this project and involved in the decision making process, ODOT has scheduled a public meeting. The purpose of this meeting is to gather input on prioritization of identified resources, present the alternatives considered including the expected impacts for the historic Caney River bridge improvements and obtain input from the public and interested consulting parties on the identified resources and proposed alignments for further consideration.

Additional information about the project and the upcoming meeting can be obtained from **Jennifer Koscelny**, Environmental Project Manager, [Able Consulting](#) at (918) 272-4282, [jkoscelny@cox.net](mailto:jkoscelny@cox.net).

ODOT ensures that no person or groups of persons shall, on the grounds of race, color, sex, religion, national origin, age, disability, retaliation or genetic information, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any and all programs, services, or activities administered by ODOT, its recipients, sub-recipients, and contractors. If any interested individual has a disability that may require accommodation to participate in this meeting, please contact [ODOT ADA Coordinator](#) at (405) 522-3626. Upon advance notification of the need for accommodation, reasonable arrangements will be made to provide accessibility to the meeting.

**WE LOOK FORWARD TO SEEING YOU THERE**
