VIRTUAL OPEN HOUSE

September 25 – October 12, 2020

SH-9 in Norman from ~108th Avenue SE, east to 156th Avenue SE
Cleveland County: JP20266(14)

www.odot.org/SH9

VIRTUAL OPEN HOUSE
The Oklahoma Department of Transportation will host a virtual open house to present the latest information on the SH-9 project in Norman. This meeting will present the design for the project and allow the public to submit input. Due to concerns over the spread of COVID-19, this will be a web-based format (no in-person meeting). The information will be available beginning September 25, 2020 and comments are requested by October 12, 2020.

PURPOSE
The purpose of this project is to increase driver safety and accommodate the current and anticipated traffic volumes.

The public may view the entire project design on the virtual meeting website, including details about right-of-way acquisition and access, and more details about the proposed improvements.

Dear Stakeholders, Property Owners, and Utility Owners:

The Oklahoma Department of Transportation (ODOT), in cooperation with the Federal Highway Administration (FHWA), proposes to make roadway improvements on SH-9 from approximately 108th Avenue SE, extending east approximately 4.4 miles to 156th Avenue SE (County Road EW-124), all within the city limits of Norman. The purpose and need for this project is to correct roadway deficiencies, enhance safety, and efficiently accommodate future traffic.

Due to ongoing concerns about COVID-19, ODOT will host a virtual Open House from September 25 to October 12, 2020 to present the design for the project and allow the public to submit input. Results of the detailed environmental studies conducted for the project will also be available to view. This pamphlet contains additional information about the virtual open house and a handout describing our right-of-way acquisition process. This right-of-way handout is for informational purposes only as your property may or may not be affected by the proposed project. After the virtual Open House, the meeting materials will be available on the ODOT Public Meeting Website: [http://www.odot.org/publicmeetings](http://www.odot.org/publicmeetings).

If you are currently leasing this property, please notify your lessee of our Open House.

Should you have any questions regarding this project, please email [environment@odot.org](mailto:environment@odot.org) or call 405-325-3269 and leave a detailed message.

Sincerely,

Siv Sundaram, P.E.

Environmental Programs Division Engineer
