What?

PLEASE JOIN OUR VIRTUAL OPEN HOUSE

ODOT, in cooperation with the Cities of Norman and Moore, is hosting a Virtual Open House to present the progress of the I-35 Corridor Study in Cleveland County. The limits of the study extend from south of Robinson Street in Norman to north of S.W. 4th Street in Moore. The meeting will present preliminary options for proposed improvements and allow the public to submit input on those options. The meeting and materials will be available on-line from November 15, 2021, at 5 p.m. through December 10, 2021, at 5 p.m. **Comments are requested by 5 p.m. on December 10, 2021.**

Why?

PURPOSE OF OPEN HOUSE

The preliminary engineering study has identified possible improvements for all roadway users that increase capacity, safety, access, and connectivity along I-35 in Cleveland County. The proposed improvement options primarily include converting frontage roads from two-way to one-way, reconstructing interchanges, and changing the locations of some on- and off-ramps. If you have questions regarding this study please email environment@odot.org or call 405-325-3269 and leave a detailed message.
