

Construction Coming Soon!

This is to inform you that construction activities for the SH-33 Intersection Improvement Project and the SH-33 Repaving Project are scheduled at the beginning of 2022. In order to help the public understand detours and the construction schedule, we are having an open house public meeting. Meeting information is provided below.

Location:

Cushing High School
Fieldhouse Cafeteria
1700 E Walnut Street
Cushing, OK 74023

Date and Time:

December 15, 2021
5:00 PM to 7:00 PM

There will be no formal presentation, and attendees will take a self-guided tour of the meeting. We hope to see you there!
