

ROUNDABOUT ETIQUETTE

1 Approaching and Entering

- Always slow down while approaching a roundabout
- Yield to any traffic or cyclists currently in the roundabout and stop if needed
- Proceed only when there is a safe gap in traffic

2 Within the Roundabout

- Always drive counter-clockwise
- Drive slow and be alert for entering traffic
- Never pass another vehicle or stop within a roundabout
- Remember all entering traffic must yield to you

3 Exiting

- Always signal your exit
- Be aware for any pedestrians or cyclists using the crosswalk
- Continue down your street and do not stop close to the roundabout
