Description of Amendment:

a. This is to incorporate the following:

Question: "The solicitation list a Cad CD/item #46181526 / 1000029791. Is this a specific reference?"
Answer: "The “CAD CD # 46181526” is the UNSPS category code for “protective shirts”. There is not a specific reference only the specifications as listed in the solicitation.

Question: "In regards to this solicitation, it says to reference the catalog spreadsheet, Is that in the package? I didn’t see it."
Answer: Please disregard the text on part of the line items that state “reference the catalog spreadsheet”. This was an oversight and should have been removed. We do not have a spreadsheet in the package. The specifications are listed on each line item.

Question: “Are these to be collared shirts or t-shirts?”
Answer: “The t-shirts are to be regular t-shirts with no collar.”

Question: “It appears that line 27 and line 30 are the same. Is line 30 supposed to be 5XL?”
Answer: “Yes, line #30 is to be for size 5X-Large.”
b. All other terms and conditions remain unchanged.
