QUESTIONS AND ANSWERS

Q 1: Please clarify Section B.10.1. Is the project to be completed in Forty-Five (45) calendar days?

A 1: **The Contractor shall specify the number of calendar days required to complete the project, beginning on the date the Notice to Proceed is issued. The construction period shall not exceed Forty-Five (45) calendar days. The Department reserves the right to assess liquidated damages for each calendar day the Contractor exceeds the Forty-Five (45) calendar-day construction period, in accordance with ODOT's 2019 Standard Specifications, Section 108.09 and Table 108:1.**

Specifications

The Contractor shall comply with applicable local, state, and other federal laws and regulations pertaining to the overall interior remodel description of work, including but not limited to, the Occupational Safety and Health Administration (OSHA), Environmental Protection Agency (EPA), State Fire Marshall and any other rules, regulations, codes and guidance documents.

In addition, the Contractor shall observe/implement all requirements of the National Electric Code, all applicable rules and regulations of the National Fire Protection Association covering handling of flammable mixtures or material which constitute a fire hazard or requirements of the state or locality relating to health and safety, whichever is more stringent when applicable.

If a specification or description of work-to-be-performed as outlined in this document, conflicts with a law or regulation, the regulation will supersede.

1.The Oklahoma Department of Transportation will withdraw the offer of employment for applicants who test positive for tetrahydrocannabinol (THC) for positions requiring a Commercial Driver's License (CDL), or safety sensitive positions.
2.Applicants for all other positions will require possession a valid Oklahoma medical marijuana card at the time of the pre-employment drug test.
