

# Goals for 2020-2045 Oklahoma Long Range Transportation Plan

## **Safety and Security**

Ensure a safe and secure transportation system for all users.

## **Infrastructure Preservation**

Preserve and maintain the condition of Oklahoma's multimodal transportation system in a state of good repair through risk-based, data-driven decision-making processes.

## **Mobility Choice, Connectivity and Accessibility**

Facilitate the movement of people and goods, improve connectivity between regions and activity centers, and increase travel mode choices.

## **Economic Vitality**

Provide a reliable multimodal transportation system for people and goods that coordinates with land development patterns, strengthens communities, and supports a healthy and competitive Oklahoma economy.

## **Environmental responsibility**

Minimize and mitigate transportation-related impacts to the natural and human environment.

## **Efficient Intermodal System Management and Operation**

Maximize system performance and operations.

## **Fiscal Responsibility**

Sustainably fund and efficiently deliver quality transportation projects while continuing to leverage additional resources in coordination with ODOT's partners.
