The purpose of this memorandum is to issue the updated FEMA Policy #104-009-18, *FEMA Emergency Non-Congregate Sheltering During the COVID-19 Public Health Emergency, Version 2 (Interim)*.

The original policy, published on June 17, 2020, recommended, but did not require, that applicants collect data on sheltered populations in order to facilitate a smooth transition from one FEMA program to another. The attached updated policy amends the list of suggested data collection points in Appendix A.
