Footnotes:

¹Total employment includes covered and non-covered employment, agricultural employment and self-employed and unpaid family workers. Covered employment data are from 1st quarter 2019 Bureau of Labor Statistics (BLS) Quarterly Census of Employment and Wages (QCEW) program from Oklahoma Employment Security Commission. Non-covered employment data are average annual data from the BLS Current Employment Statistics (CES) program from Oklahoma Employment Security Commission. Employment estimates have been rounded to the nearest 10. Percent change is based on unrounded data.

²Self-employed & unpaid family workers data are produced from the projection matrix system based on Oklahoma Occupational Employment Statistics (OES) survey and BLS Current Population Survey (CPS). The estimates of the number of self-employed in the base year are larger than projections round than they were in previous rounds because the file supplied by the Bureau of Labor Statistics now includes estimates of all self-employed jobs (jobs held by people primarily self-employed plus jobs held by people secondarily self-employed).

³Employment data for Agriculture are from the Census Bureau's American Community Survey 2018 and QCEW program.
