NOW HIRING

Inventory Associates/Drivers and Supervisors

WIS International is one of the leading inventory service companies and our success starts with our Team Members. We strive to create a rewarding experience for our teams so they can provide exceptional experiences for our clients.

Currently, WIS International employs more than 10,000 employees worldwide.

If you enjoy working in a team environment, visiting different work locations daily and having a sense of accomplishment, we may be the work destination for you. We are always on the look-out for new, motivated people to join our team. Inventory Associates perform inventory tasks at a customer's store or warehouse physically counting merchandise, supplies, products, etc. Inventories typically begin at different times of the day, depending on customer needs, including early mornings, late evenings and weekends. Previous experience is not required.
