

# VIRTUAL HIRING EVENT JUNE 12-19!

**Come by the Oklahoma Works office in Okmulgee to fill out your application for positions open at Polyvision!**

## **Positions Offering up to \$18.00/HR Plus Shift Premium**

Polyvision understands that the most effective solutions require the skill, dedication, ideas and agility of passionate people. Since 1954, we have put those qualities to work, producing the world's most durable CeramicSteel surfaces. From the time-tested chalkboards of early classrooms to landmark wall panels and infrastructure, our products span more than two billion square feet of business, education and public spaces globally.

At Polyvision, we partner with world-class visionaries, researchers and designers to provide the best solutions for enhancing and protecting structures, people and the environment. We mold the industry demand for aesthetic surfaces, creating a "super surface" that's even smarter than it looks.

A proud partner of the AmericanJobCenter network

Equal Opportunity Employment /Program. Auxiliary aids and services are available upon request to individuals with disabilities.
