

Entity	Anticipated Contractual Amount	Description
LeFlore County Youth Services	1,396,234.00	Facility improvements/addition to allow greater social distancing/protection
Frontline Family Solutions	47,038.00	Renovate bathrooms in Paul's Valley office to bring up to ADA code.
Pivot YFT	3,057,347.00	Funding will be utilized for facility upgrades to security, facility renovations, infrastructure supports for congregant care settings including tiny homes and community resource center (Emergency youth shelter).
Rogers County Youth Services	908,328.00	Funds to purchase a 7,500 sq. ft. existing facility that sits on two acres that was formerly used as a day care center.
Okmulgee-Okfuskee County Youth Services	1,373,869.00	The purchase and renovation of a 3,500 sq. ft building to accommodate needs in Okemah plus replace the roof and insulation for Okmulgee Youth Services building.
Youth & Family of North Central Oklahoma	52,338.00	Facility upgrades, including security and emergency lighting will allow clinicians to expand service hours to meet the increased demand. In addition, HVAC upgrades will include air purifiers and filters to help prevent the spread of viruses and other air transmissible diseases.
Western Plains Youth & Family Services	896,798.00	These funds will be utilized to create flexible indoor/outdoor space that will expand our services while increasing safety precautions. An upgraded air filtration system and new flooring will further protect our staff and clients from the spread of viruses and diseases.
Youth Services of Bryan County	1,108,387.00	Purchase of commercial property will allow YSBC to expand for offices respecting social distancing and open meeting spaces. Interior renovations include bathroom remodel to make ADA compliant, kitchen remodel in the shelter facility and new virus resistant flooring and furniture throughout the facility.
CACPCYS	1,806,320.00	Project is for the construction of an additional building to be utilized by our community-based outreach counseling service. The project will include installing quality air purification systems, emergency generators and an upgrade to our security alarm system.
Panhandle Services for Children	277,429.00	This project will provide us the technology to utilize telehealth services when clients are under quarantine or other restrictions preventing them from attending appointments. It will also help with facility expansion, so we are able to properly social distance in face-to-face sessions, classes, etc. and prevent staff from having shared office space which continues to put them at risk.

Entity	Anticipated Contractual Amount	Description
Youth & Family Services for Hughes & Seminole Counties	177,313.00	Funds will be used to expand and dedicate space to our Learning Lab, and the equipment needed to operate it.
Tri-City Youth & Family Center	85,524.00	Tri-City Youth & Family Center is requesting funding to renovate space to include 5 new offices for existing counselors, repair parking lot to accommodate the overflow of services.
