Dear Child Care Provider:

Your child care program has been selected to participate in a statewide telephone survey to determine market rates for child care in Oklahoma. The state is required by our federal funding partners to complete a survey every three years. Child Care Services requests your participation even if you don't have a contract with OKDHS to provide subsidized child care.

Your participation is voluntary and if you choose to not participate, there is no penalty or loss of benefit from OKDHS. You may choose to decline to participate, not respond to a specific question or stop the interview at any time.

Please complete the attached questionnaire in preparation for the survey. Calls will begin October 2<sup>nd</sup> 2020 and continue for 3 to 4 weeks. The call will take about 5 minutes and all information is confidential. Your information will be combined with other responses to develop the final report and no child care programs will be individually identified.

If you have questions about the use of the survey or child care rates, please contact Joni Riley via email at [joni.riley@okdhs.org](mailto:joni.riley@okdhs.org). Thank you in advance for your cooperation and assistance.

Please do not contact DHS to report your rates as you will be contacted by telephone beginning October 2<sup>nd</sup> 2020.
