The Honorable Mike Schulz

The Honorable Charles McCall

Dear Governor Fallin, President Pro Tempore Schulz and Speaker McCall:

On behalf of the Oklahoma Commission on Consumer Credit and the staff, we are pleased to submit the 2017 Annual Report for the Oklahoma Department of Consumer Credit and the Oklahoma Commission on Consumer Credit. This report contains information regarding the activities of the Department, the Commission, and the industries licensed and regulated by the Department.

Thanks to the leadership and foresight of our Governor and Legislature, our Department continues its mission as a non-appropriated agency because our industries recognize they should pay for their enforcement themselves instead of relying on state dollars.

We are proud of our accomplishments and look forward to working with you, the industries we regulate and most importantly, the Oklahoma consumers. Although we have achieved a great deal, we remain steadfast on our path of improving our efficiency and effectiveness.

Sincerely,

A handwritten signature in black ink, appearing to read "Scott Lesher".

- The Department continues to improve in developing model examinations in all areas of enforcement to operate more efficiently.

- We have distributed \$24,000 to consumer credit counseling services. Our contributions help to provide financial literacy and credit counseling to Oklahoma families.
- The Department continues to adhere to the practices outlined in the Energy Efficiency and Conservation Plan created in FY10 in response to Senate Bill 833.
- The Department has developed procedures to systematize the examination process; making it more efficient for examiners.

- The Department was actively involved in several Multi-State Mortgage examinations through CSBS and AARMR.
- The Department has secured \$1 million on behalf of affected Oklahoma consumers, whereby a large-scale refund is currently underway.
- The Department had five (5) Examiners advance their certifications through (CSBS). The Department gained three (3) Certified Senior Mortgage Examiner Certifications and two (2) Certified Mortgage Examination Manager Certifications.

EXAMINATION AND INVESTIGATION POLICIES AND PROCEDURES

Examinations

The Department's Chief Consumer Credit Examiner is responsible for scheduling examinations. Once an examination is completed, an examiner prepares an examination report that is reviewed by the Chief Consumer Credit Examiner. After the exam report is reviewed, it is sent to the address of record of the licensee. The licensee has twenty (20) days to either correct the examination errors or demonstrate the alleged errors did not occur. If a licensee does not correct the examination errors or demonstrate that the errors did not occur within the required period of time, the examination report is referred to the Department's General Counsel for consideration of enforcement proceeding.

Complaints

Persons submitting complaints are required to submit a written explanation of their complaint along with any appropriate supporting documentation. Complaints are assigned by the Regional Manager to Consumer Credit Examiners for resolution. Consumer credit Examiners review the complaint and supporting documentation to determine if the Department has jurisdiction concerning the complaint or to determine if there is a basis for the complaint. If there is a basis for the complaint, a copy of the complaint is sent to the licensee for a response within twenty (20) days. If the matter is not resolved within the required period of time or if the licensee does not respond to the complaint, the complaint may be referred to the Department's General Counsel for consideration of an enforcement action.

THE USE OF CONSUMER CREDIT IN THE STATE OF OKLAHOMA

There were no significant changes in the use of consumer credit in the State of Oklahoma during the previous fiscal year. Consumer loans and consumer credit sales continue to be readily available to Oklahoma consumers.

CONSUMER CREDIT PROBLEMS OF CREDITORS AND DEBTORS

Most creditors licensed by the Department follow the requirements of the Uniform Consumer Credit Code or the other statutes the Department enforces. If a compliance issue arises, most creditors licensed by the Department take appropriate steps to correct the issue after notification by the Department.

An area of concern is the borrowing of money from unlicensed Internet creditors. Many unlicensed creditors typically do not follow Oklahoma law regarding payday loans which happen to be one of the most stringent of all the states. For example, in Oklahoma you may not have more than two payday loans open at one time. All licensees must also report to a database that is approved by the Administrator. Finally, a consumer that has entered into five consecutive payday loans must wait 48 hours before entering into a new payday loan transaction. Numerous unlicensed creditors operating *via* the Internet also claim affiliation with various Native American tribes and invoke the legal doctrine of sovereign immunity to evade state licensing and regulatory requirements.

COMPLIANCE WITH THE TRUTH IN LENDING ACT AND REGULATION Z

Oklahoma is one of five (5) states that are exempt from federal enforcement of the disclosure provisions of the Federal Truth in Lending Act. In order to maintain the enforcement exemption, the Oklahoma Legislature passed House Bill 3346 during the 2014 legislative session, which became effective July 1, 2014. House Bill 3346 amends the Uniform Consumer Credit Code to authorize the Administrator to enforce the disclosure provisions of the Federal Consumer Credit Protection Act. The amendments made by House Bill 3346 to the Uniform Consumer Credit Code require creditors to provide the consumer credit disclosures required by the Federal Consumer Credit Protection Act.

ENFORCEMENT REPORT OF THE DEPARTMENT OF CONSUMER CREDIT

<i>Enforcement FY17</i>	Filed	Action	Total Amount

<i>Administrative Orders</i>	139	Civil Penalty	\$184,745
<i>Administrative Order</i>	1	License suspension	None
<i>License Apps. Denied</i>	None	None	None

LEGISLATIVE RECOMMENDATIONS

Based on Scott Leshner, the Administrator of this Department's performance over the past year, some of the highlights were additional examiners were brought in to accommodate the increase in mortgage licensees; oversight of multi-state examinations; coordination of various agencies to work together and continuing to maintain accreditation through CSBS/AARMR. The Commission met and believes that Mr. Leshner is deserving of a raise. However, at this time, due to the reduction of Four Million Dollars (\$4,000,000.00) in funds to assist with the state budget shortfall, we believe that we need to wait until the Department is adequately funded to be able to do that.

V. Discussion and possible action regarding the Operational Audit of the Department of Consumer Credit by the State Auditor and Inspector for the period of July 1, 2010 through June 30, 2015. Melissa Capps, Deputy Director, Performance and Operational Audit Division.

Melissa Capps, Deputy Director, Performance and Operational Audit Division of the State Auditor and Inspector, presented the Operational Audit of the Department of Consumer Credit for the period of July 1, 2010 through June 30, 2015.

Ms. Capps stated that the overall conclusion of the audit was that the agency's internal controls provide reasonable assurance that revenue and payroll were accurately reported in the accounting records. However, internal controls do not provide assurances that expenditures and inventory were accurately reported in the accounting records. The agency's inventory is maintained by the Office of Management and Enterprise Services (OMES). However, the agency is not conducting an annual inventory account and verifying what the list on file with OMES is what is on file at the agency. Management concurred with the finding.

The second finding was over expenditures. The agency has controls in place and in which the agency is implementing. However, during testing, the controls were not working 100 percent effectively. The agency should continue with the procedures they have designed to ensure that expenditures are being properly approved before payment and also that management look at a detailed expenditure list as a mitigating control in that process.

Ms. Capps further stated that because an audit report usually only provides feedback on areas of weakness, it does not present all of the good things that were noted during the audit. Ms. Capps indicated that the previous audit report of the agency had numerous findings. However, the revenue finding from the previous audit report has been corrected and the transfer of funds findings has been corrected as well. Ms. Capps stated that overall, the current audit was much better than the previous audit. Ms. Capps stated that the two (2) findings on the current audit are minimal and easy fixes.

Commissioner Carter made a motion to approve the audit findings and recommendations. Commissioner Barnes seconded the motion. The motion was unanimously approved.

VII. Discussion and possible action regarding the appointment of a new member to the Consumer Credit Advisory Committee from the Oklahoma Pawnbrokers Association.

Vice-Chairman Joe Wilbanks nominated Mike Blair to serve as a member of the Consumer Credit Advisory Committee from the Oklahoma Pawnbrokers Association. Commissioner Rosell seconded the nomination. The nomination was unanimously approved.

VIII. Discussion and possible action regarding the submission of a comment letter to the Consumer Financial Protection Bureau concerning a proposed rule for payday, vehicle title and certain high-cost installment loans.
