Dear Governor Stitt, President Pro Tempore Treat and Speaker McCall:

On behalf of the Oklahoma Commission on Consumer Credit and the staff, we are pleased to submit the 2020 Annual Report for the Oklahoma Department of Consumer Credit and the Oklahoma Commission on Consumer Credit. This report contains information regarding the activities of the Department, the Commission, and the industries licensed and regulated by the Department.

Thanks to the leadership and foresight of our Governor and Legislature, our Department continues its mission as a non-appropriated agency because our industries recognize they should pay for their enforcement themselves instead of relying on state dollars.

We are proud of our accomplishments and look forward to working with the industries we regulate and most importantly, the Oklahoma consumers. Although we have achieved a great deal, and despite the complications we face as a result of the COVID-19 pandemic, we remain steadfast on our path of improving our efficiency and effectiveness.

Please note that this report is a draft that has been approved by the Chairman of the Commission on Consumer Credit, and will be submitted for approval by the Commission at the next regularly scheduled meeting. Our normal approval process was disrupted due to concerns over COVID-19.

Sincerely,

A handwritten signature in black ink that reads "Scott Lesher".

During the year, the Department has made significant improvements that will benefit Oklahoma consumers and licensees.

A partial listing of accomplishments this year includes:

- The Department has processed over 223 formal consumer complaints.
- The Department continues to upgrade our website to effectively serve and educate consumers and licensees.
- The Department continues to monitor and make improvements to our database and data entry programs compatible with the Nationwide Mortgage Licensing System (NMLS); which is a system of records for our 9,804 mortgage licensees.
- The Department continues to adhere to the practices outlined in the Energy Efficiency and Conservation Plan created in FY10 in response to Senate Bill 833.
- The Department has successfully introduced the new Oklahoma Small Lender (OSL) license. Licensees began making loans under this license on August 1, 2020. There are currently 134 licensed Oklahoma Small Lenders.

- In connection with the introduction of the OSL license, the Department oversaw the successful launch of the OSL database, whereby licensed lenders must verify and record loans to consumers.
- Also in connection with the introduction of the OSL license, the Department developed examination processes and procedures for OSLs.
- The Department successfully oversaw the termination of the Deferred Deposit Lending license, and is in the process of conducting exit exams.
- The Department continues to improve in developing model examinations in all areas of enforcement to operate more efficiently.
- The Department continues to develop its Investigation unit, which focuses its efforts on identifying unlicensed activity, to ensure that Oklahoma consumers are receiving all protections afforded to them by law.
- The Department was actively involved in Multi-State Mortgage examination activity through CSBS and AARMR, and entered into regulatory enforcement actions as a result of this participation.
- The Department continued its role in the multi-state investigation into the payroll advance industry.
- The Department had two (2) Consumer Credit Examiners obtain their first mortgage certification through CSBS as Certified Mortgage Examiners (CME's). This brings the total number of examiners that have obtained their CME to six (6) and the total number of examiners that have obtained their CSME to ten (10).
- Working with OMES, and upon approval from the Governmental Technology Applications Review Board, the Department has been able to accept electronic payments for license applications and renewals.
- The Department experienced a notable increase in score from the Oklahoma State Employee Engagement Survey.
- In accordance with the Governor's Executive Orders regarding the COVID-19 pandemic, the Department successfully implemented a robust remote-work policy and activated its Business Continuity Plan, without loss to productivity, effectiveness, or job satisfaction.
- The Department's General Counsel spoke at two (2) events for continuing legal education this year: the Oklahoma Bar Association's Banking and Commercial Law Annual Update, and the Oklahoma City Commercial Law Attorney's Association.
- The Department also spoke at three (3) events for the Used Motor Vehicle Commission. Speaking events were inhibited this year due to the COVID-19 pandemic.

## EXAMINATION AND INVESTIGATION POLICIES AND PROCEDURES

### *Examinations*

The Department's Chief Consumer Credit Examiner is responsible for scheduling examinations. Once an examination is completed, an examiner prepares an examination report that is reviewed by the Chief Consumer Credit Examiner. After the exam report is reviewed, it is sent to the address of record of the licensee. The licensee has twenty (20) days to either correct the examination errors or demonstrate the alleged errors did not occur. If a licensee does not correct the examination errors or demonstrate that the errors did not occur within the required period of time, the examination report is referred to the Department's General Counsel for consideration of enforcement proceeding.

### *Complaints*

Persons submitting complaints are required to submit a written explanation of their complaint along with any appropriate supporting documentation. Complaints are handled by the Director of Consumer Outreach, and when necessary, assigned to Consumer Credit Examiners for resolution. The Director of Consumer Outreach, or the Consumer Credit Examiners review the complaint and supporting documentation to determine if the Department has jurisdiction concerning the complaint or to determine if there is a basis for the complaint.

If there is a basis for the complaint, a copy of the complaint is sent to the licensee for a response within twenty (20) days. If the matter is not resolved within the required period of time or if the licensee does not respond to the complaint, the complaint may be referred to the Department's General Counsel for consideration of an enforcement action.

## THE USE OF CONSUMER CREDIT IN THE STATE OF OKLAHOMA

There were no significant changes in the use of consumer credit in the State of Oklahoma during the previous fiscal year. Consumer loans and consumer credit sales continue to be readily available to Oklahoma consumers.

## CONSUMER CREDIT PROBLEMS OF CREDITORS AND DEBTORS

Most creditors licensed by the Department follow the requirements of the Uniform Consumer Credit Code or the other statutes the Department enforces. If a compliance issue arises, most creditors licensed by the Department take appropriate steps to correct the issue after notification by the Department.

An area of concern is the borrowing of money from unlicensed Internet creditors. Many unlicensed creditors typically do not follow Oklahoma law regarding loans. Numerous unlicensed creditors operating *via* the Internet also claim affiliation with various Native American tribes and invoke the legal doctrine of sovereign immunity to evade state licensing and regulatory requirements.

## COMPLIANCE WITH THE TRUTH IN LENDING ACT AND REGULATION Z

Oklahoma is one of five (5) states that are exempt from federal enforcement of the disclosure provisions of the Federal Truth in Lending Act. In order to maintain the enforcement exemption, the Oklahoma Legislature passed House Bill 3346 during the 2014 legislative session, which became effective July 1, 2014. House Bill 3346 amends the Uniform Consumer Credit Code to authorize the Administrator to enforce the disclosure provisions of the Federal Consumer Credit Protection Act. The amendments made by House Bill 3346 to the Uniform Consumer Credit Code require creditors to provide the consumer credit disclosures required by the Federal Consumer Credit Protection Act.

## ENFORCEMENT REPORT OF THE DEPARTMENT OF CONSUMER CREDIT – JULY 1, 2019 – JUNE 30, 2020

The Department reports the following during fiscal year 2020 (FY20):

<i>Enforcement FY20</i>	Filed	Action	Total Amount
<i>Cease and Desist Orders</i>	4	Cease and Desist	None
<i>Administrative Orders</i>	55	Civil Penalty	\$242,525.00
<i>License Apps. Denied</i>	0	None	None

## LEGISLATIVE RECOMMENDATIONS

The Department currently has no plans to introduce legislation in the upcoming legislative session.
