Dear Governor Stitt, President Pro Tempore Treat and Speaker McCall:

On behalf of the Oklahoma Commission on Consumer Credit and the staff, we are pleased to submit the 2022 Annual Report for the Oklahoma Department of Consumer Credit and the Oklahoma Commission on Consumer Credit. This report contains information regarding the activities of the Department, the Commission, and the industries licensed and regulated by the Department.

Thanks to the leadership and foresight of our Governor and Legislature, our Department continues its mission as a non-appropriated agency because our industries recognize they should pay for their enforcement themselves instead of relying on state dollars.

We are proud of our accomplishments and look forward to working with the industries we regulate and most importantly, the Oklahoma consumers. Although we have achieved a great deal, we look forward to continuing to improve upon our core strengths.

Sincerely,

A handwritten signature in black ink, appearing to read "Scott Leshner".

MISSION STATEMENT

We protect and educate consumer buyers, lessees and borrowers against unfair practices, and are fair and impartial in the regulation of consumer credit transactions in Oklahoma.

ADMINISTRATOR’S REPORT

The Administrator's report includes information pursuant to Title 14A O.S. § 6-104 (5), and is expanded to include other responsibilities and accomplishments of the Department of Consumer Credit.

The Department of Consumer Credit annually licenses or registers over 20,894 credit-related organizations including mortgage lenders, mortgage brokers, mortgage loan originators, supervised lenders, Oklahoma small lenders, rental-purchase lessors, pawnbrokers, precious metal and gem dealers and employees, credit service organizations, health spas, consumer litigation funders, and notifications in relation to acceptance companies and businesses that finance goods and services for Oklahoma consumers.

There are 7,901 licensee offices which are subject to periodic investigation or examination. The table and chart below includes the number and percentages of those offices.

During the year, the Department has made significant improvements that will benefit Oklahoma consumers and licensees.

A partial listing of accomplishments this year includes:

- During FY22, the Department processed 137 formal consumer complaints, resulting in \$17,908.89 in refunds to consumers.
- The Department continues to upgrade our website to effectively serve and educate consumers and licensees.
- The Department continued improvements to our newly adopted remote examination procedures and as a result, has recognized significant savings in travel costs to the Department as well as our licensees.
- The Department continues to adhere to the practices outlined in the Energy Efficiency and Conservation Plan created in FY10 in response to Senate Bill 833.
- The Department has continued to develop and refine the examination procedures for the new Oklahoma Small Lenders (OSL) license, which replaced the Deferred Deposit Lender license.
- The Department finished its relocation to a state-owned property, with the assistance of the

Oklahoma State Banking Department.

- The Department successfully completed all initial exams for the OSB license.
- The Department utilized the newly adopted expedited repeal procedures and repealed twenty-eight (28) unnecessary and outdated rules.
- The Department continues to improve in developing model examinations in all areas of enforcement to operate more efficiently.
- The Department was actively involved in Multi-State Mortgage examination activity through CSBS and AARMR and entered into regulatory enforcement actions as a result of this participation. In addition, the Department participated in the CSBS One Company One Exam (OCOE) Pilot Examination. The purpose of the OCOE is to enhance networked supervision efforts among state mortgage regulators to bring new efficiencies to the state system, while minimizing the regulatory burden for the mortgage entity being examined.
- The Department had one (1) Consumer Credit Examiner obtain their Certified Mortgage Examiner (CME) certification through CSBS. This brings the total number of examiners that have obtained their Certified Mortgage Examiner (CME) certification to seven (7), the total number of examiners that have obtained their Certified Senior Mortgage Examiner (CSME) certification to seven (7) and the total number of examiners that have obtained their Certified Mortgage Examinations Manager (CMEM) certification to two (2).
- Working with OMES, the Department has selected Thentia as its new database provider and is in the process of upgrading its database from the previous outdated Microsoft Access database. This process requires the Department to convert all data so that it is readable and searchable by the new database.
- For this latest renewal season, the Department implemented a 22% rebate to licensees in the form of a discount on renewal license fees in accordance with 14A O.S. § 6-303.

EXAMINATION AND INVESTIGATION POLICIES AND PROCEDURES

Examinations

The Department's Chief Consumer Credit Examiner is responsible for scheduling examinations. Once an examination is completed, an examiner prepares an examination report that is reviewed by the Chief Consumer Credit Examiner. After the exam report is reviewed, it is sent to the address of record of the licensee. The licensee has twenty (20) days to either correct the examination errors or demonstrate the alleged errors did not occur. If a licensee does not correct the examination errors or demonstrate that the errors did not occur within the required period of time, the examination report is referred to the Department's General Counsel for consideration of enforcement proceeding.

Complaints

Persons submitting complaints are required to submit a written explanation of their complaint along

with any appropriate supporting documentation. Complaints are handled by the Consumer Outreach Coordinator, and when necessary, assigned to Consumer Credit Examiners for resolution. The Consumer Outreach Coordinator, or the Consumer Credit Examiners review the complaint and supporting documentation to determine if the Department has jurisdiction concerning the complaint or to determine if there is a basis for the complaint.

If there is a basis for the complaint, a copy of the complaint is sent to the licensee for a response within twenty (20) days. If the matter is not resolved within the required period of time or if the licensee does not respond to the complaint, the complaint may be referred to the Department's General Counsel for consideration of an enforcement action.

THE USE OF CONSUMER CREDIT IN THE STATE OF OKLAHOMA

There were no significant changes in the use of consumer credit in the State of Oklahoma during the previous fiscal year. Consumer loans and consumer credit sales continue to be readily available to Oklahoma consumers.

CONSUMER CREDIT PROBLEMS OF CREDITORS AND DEBTORS

Most creditors licensed by the Department follow the requirements of the Uniform Consumer Credit Code or the other statutes the Department enforces. If a compliance issue arises, most creditors licensed by the Department take appropriate steps to correct the issue after notification by the Department.

An area of ongoing concern is the borrowing of money from unlicensed Internet creditors. Many unlicensed creditors typically do not follow Oklahoma law regarding loans. Numerous unlicensed creditors operating *via* the Internet also claim affiliation with various Native American tribes and invoke the legal doctrine of sovereign immunity to evade state licensing and regulatory requirements.

COMPLIANCE WITH THE TRUTH IN LENDING ACT AND REGULATION Z

Oklahoma continues to maintain its exemption from federal enforcement of the disclosure provisions of the Federal Truth in Lending Act. In order to maintain the enforcement exemption, the Oklahoma Legislature passed House Bill 3346 during the 2014 legislative session, which became effective July 1, 2014. House Bill 3346 amends the Uniform Consumer Credit Code to authorize the Administrator to enforce the disclosure provisions of the Federal Consumer Credit Protection Act. The amendments made by House Bill 3346 to the Uniform Consumer Credit Code require creditors to provide the consumer credit disclosures required by the Federal Consumer Credit Protection Act.
