NOTICE

The State of Oklahoma passed an immigration bill known as House Bill 1804, the Oklahoma Taxpayer and Citizen Protection Act of 2007. This bill went into effect on November 1, 2007.

One of the provisions of the bill is the requirement that all natural persons, including Sole Proprietorships, obtaining a license from all State Agencies must show lawful presence in the United States.

Attached are two affidavits (each person will choose one of these to sign):

- If you are a United States citizen, you will sign Form 1
- If you are a qualified alien and you can prove you are in the United States lawfully under the Federal Immigration and Naturalization Act, you will sign Form 2

You are either a citizen OR a qualified alien - please do not submit both forms. Make additional copies of the forms as needed. These affidavits must be notarized. **Under Oklahoma law, we cannot issue your license without the proper affidavit(s).** United States citizens are not required to submit a new affidavit for license renewals. Qualified aliens must submit a new affidavit for each license renewal.

This is a requirement of the State of Oklahoma; our Department has no authority to address it. If you need further information, you may review the text of the bill by visiting the following web link:

As always, we appreciate your spirit of cooperation.
