

Services for the Blind and Visually Impaired

Who we are:

Services for the Blind and Visually Impaired, a division of Oklahoma Department of Rehabilitation Services, works with individuals who are blind or visually impaired to gain employment opportunities in their desired field.

What we do:

- Provide blind and visually impaired job seekers with proper assessments and services to obtain the skills and accommodations needed for successful employment.
- Offer pre-employment skills for those between the ages of 16 and 24 years old.
- Provide blind or visually impaired individuals with training to allow them to remain in their home and/or community.
- Assist individuals in building soft skills to work independently.

Services we provide:

- Assistance finding employment
- Vocational training
- Library Services
- Long-term independence training
- Peer support
- Advocacy
- Mobility training
