

SEE ME

... not my disability

Tell your story. Celebrate independence.

People with Disabilities Awareness Day 2026 is a time to celebrate the accomplishments of Oklahomans with disabilities and share our stories.

Visit more than 70 vendor tables where you can learn about services, programs and products that may enhance your life and strengthen your independence.

It is also a time to contact our lawmakers and share our journeys so they know what programs are empowering Oklahomans with disabilities to reach their goals of an independent life and fulfilling career.
