Scan the QR Code to apply for the Best Step program.

Gain summer work experience and improve your job readiness!

Are you at least 16 years old with a documented disability, a client of DRS, potentially eligible for services due to your disability, and returning to high school in August 2023?

Are you interested in gaining work skills this summer while learning from instructors and working in your community?

The Oklahoma Department of Rehabilitation Services (DRS) and OU Pre-Employment Transition Services (Pre-ETS) invites its Transition clients to participate in the BEST STEP Summer Programs.

We will try to match your job with your career area of interest (e.g., working in an office, food service, retail, manufacturing, construction, law enforcement, aviation, medical, oil/gas, animals).

You'll have the opportunity to work part-time up to 25 hours per week for a business in your community in an area of your interest and earn a paycheck.
