OKLAHOMA HEALTH CARE AUTHORITY
REGULAR BOARD MEETING
September 21, 2022, at 2:00 P.M.
Oklahoma Health Care Authority
4345 N. Lincoln Blvd
Oklahoma City, OK. 73105

AGENDA

Public access via Zoom:
https://okhca.zoom.us/webinar/register/WN_Mhh3xSQeQj641SyCGp47UQ
Telephone: 1-669-900-6833 Webinar ID: 823 0262 0808

*Please note: Since the physical address for the OHCA Board Meeting has resumed, any livestreaming option provided is provided as a courtesy. Should such livestreaming option fail or have technical issues, the OHCA Board Meeting will not be suspended or reconvened because of this failure or technical issue.

1. Call to Order / Determination of Quorum .............................................................. Marc Nuttle, Chair

2. Consent Agenda........................................................................................................ Marc Nuttle, Chair
   a) Approval of the June 22, 2022 OHCA Board Meeting Minutes (Attachment “A”)
   b) Discussion and Possible Vote to Approve the State Plan Amendment Rate Committee Rates pursuant to 63 O.S. Section 5006(A)(2) under OAC 317:1-3-4 (Attachment “B”)
   c) Discussion and Possible Vote regarding the Authority’s ability to withstand the procurement decision made by the CEO based on the Authority’s budget and available funds pursuant to 63 O.S. Section 5006(A)(2) under OAC 317:10-1-16 (Attachment “C”)
      i. Behavioral Health Care Management System
      ii. Care Management System
      iii. Prior Authorization Reviews
      iv. Public Health Emergency (PHE) Unwinding

3. Chief Executive Officer’s Report........................................................................... Kevin Corbett, Chief Executive Officer

4. State Medicaid Director Report (Attachment “D”)............................................ Traylor Rains, State Medicaid Director

5. Chief of Staff Report................................................................................................. Ellen Buettner, Chief of Staff

6. Discussion of Report from the Pharmacy.............................................................. Corey Finch, M.D. Chair, Pharmacy Advisory Committee
   Recommendations
   Action Regarding:
   a) Discussion and Possible Vote on Recommendations Made by the Drug Utilization Review Board Pursuant to 63 O.S. § 5030.1, § 5030.3 To Add the Following Drugs to the Utilization and Scope Prior Authorization Program under OAC 317:2-1-11 (Attachment “E”):
      i. Camcevi™ (Leuprolide), Pluvicto™ (Lutetium Lu 177 Vipivotide Tetraxetan), Tivdak® (Tisotumab Vedotin-tftv), and Welireg™ (Belzutifan)
      ii. Livtencity™ (Maribavir)
      iii. Ryplazim®(Plasminogen, Human-tvmh)
      iv. Fleqsuvy™ (Baclofen Oral Suspension), Loreev XR™ [Lorazepam Extended-Release (ER) Capsule], Sutab®(Sodium Sulfate/Magnesium Sulfate/Potassium Chloride Tablet), Tarpeyo™ [Budesonide Delayed-Release (DR) Capsule], Vuity™ (Pilocarpine 1.25% Ophthalmic Solution), and Xipere®(Triamcinolone Acetonide Injection)
7. Discussion of Report from the Compliance Advisory Committee .......................................................... Phil Kennedy
   Chair, Compliance Advisory Committee

8. Discussion of Report of Administrative Rules Advisory Committee and Possible Action Sandra Puebla
   Deputy State Medicaid Director Regarding Agency Rulemaking (Attachment “F”)

   a) Discussion and Possible Vote on Recommended Rulemaking Pursuant to Article I of the
      Administrative Procedures Act and in accordance with 75 O.S. § 253. OHCA Requests the
      Adoption of the Following Emergency Rules (see Attachment “F”):

      i. APA WF # 22-05 Ambulance Service Provider Access Payment Program.
      ii. APA WF # 22-12 Staff Ratios and Staff Licensing Requirements for Out-of-State Psychiatric
          Providers
      iii. APA WF # 22-13 Advanced Practice Registered Nurses (APRN) and Physician Assistants (PA)
          Rendering Physician-Required Psychiatric Services
      iv. APA WF # 22-14 Coverage for Donor Human Breast Milk
      v. APA WF # 22-15 Removing Provider Panel Limits in the Patient Centered Medical Home (PCMH)
      vi. APA WF # 22-16 Statewide Health Information Exchange (HIE)
      vii. APA WF # 22-17 Covering Former Foster Care Youth from Another State
      viii. APA WF # 22-18 Mobile Dental Services

9. Discussion and Possible Action ................................................................................................. Marc Nuttle, Chair

   Possible Executive Session as Recommended by the Director of Legal Services and Authorized by the Open
   Meeting Act, 25 O.S. § 307(B)(4) and (7), To Discuss Confidential Legal Matters, Including Pending State and
   Federal Litigation.

10. Adjournment .......................................................................................................................... Marc Nuttle, Chair

   NEXT BOARD MEETING
   November 16, 2022 at 2:00PM
   Oklahoma Health Care Authority
   4345 N. Lincoln Blvd
   Oklahoma City, OK 73105
Manner and Time of Notice of Meeting: A statutorily required public meeting notice was placed on the front door of the Oklahoma Health Care Authority on June 21, 2022 at 2:00 p.m. Advance public meeting notice was provided to the Oklahoma Secretary of State. In addition to the posting of the statutory public notice, the agency placed its agenda on its website on June 20, 2021 at 3:41 p.m.

Pursuant to a roll call of the members, a quorum was declared to be present, and Chairman Hupfeld called the meeting to order at 3:03 p.m.

**BOARD MEMBERS PRESENT:** Chairman Nuttle, Member Case, Member Cruzan, Member Dell’Osso, Member Finch, Member Kennedy

**BOARD MEMBERS ABSENT:** Vice-Chairman Yaffe, Member Sharpe

**ITEM 2 / DISCUSSION AND POSSIBLE VOTE ON APPROVAL OF CONSENT AGENDA WHICH INCLUDES:**

Chairman Nuttle requested that the minutes be voted on separately.

a) Approval of the March 30, 2022, OHCA Board Meeting Minutes (Attachment “A”)

**MOTION:** Member Cruzan moved for approval of item 2a, of the consent agenda as published. The motion was seconded by Member Dell’Osso.

**FOR THE MOTION:** Chairman Nuttle, Member Case, Member Cruzan, Member Dell’Osso, Member Finch, Member Kennedy

**BOARD MEMBERS ABSENT:** Vice-Chairman Yaffe, Member Sharpe

CEO Corbett stated that the Compliance Committee reviewed the below items and provided a recommendation for approval.

b) Discussion and Possible Vote to Approve the State Plan Amendment Rate Committee Rates pursuant to 63 O.S. Section 5006(A)(2) under OAC 317:1-3-4 (Attachment “B”)

c) Discussion and Possible Vote regarding the Authority’s ability to withstand the procurement decision made by the CEO based on the Authority’s budget and available funds pursuant to 63 O.S. Section 5006(A)(2) under OAC 317:10-1-16. (Attachment “C”)

i. IT Consulting Services
ii. Clinical Pharmacy Services Software
iii. Consultant Services
iv. Third Party Liability Services

**MOTION:** Chairman Nuttle moved for approval of the Consent Agenda, with the exception of item 2a, as published. The motion was seconded by Member Kennedy.

**FOR THE MOTION:** Chairman Nuttle, Member Case, Member Cruzan, Member Dell’Osso, Member Finch, Member Kennedy

**BOARD MEMBERS ABSENT:** Vice-Chairman Yaffe, Member Sharpe

**ITEM 3 / CHIEF EXECUTIVE OFFICER’S REPORT**

Kevin Corbett, Chief Executive Officer

CEO Corbett provided an update on legislative accomplishments, deliver system reform, budget, financial position and operating metrics, expansion, and the public health emergency (PHE).
Legislative Accomplishments – two pieces of legislation were voted on and approved by the legislature: SB 1337 and SB1396.

Delivery System Reform – SB 1337 is a historic moment for Oklahoma and will bring together a number of participants, whether that's provider partners, the legislature community, and others to come up with this unique structure. This will be an opportunity to engage at the provider level in this type of delivery system. This change, provider led organizations, will help OHCA as staff go through the process and will also give OHCA the opportunity to acquire and obtain a significant amount of federal support; largely available to our hospitals, through SHOPP, but also through an incentive plan that will be provided to our provider community at large. A lot of the work that will go into putting this in motion and implement are already underway, whether it starts with a RFP process to engage with partners to participate with us or changing this organization. A press conference is scheduled June 23rd at Norman Regional Hospital to announce the new delivery system.

Budget – SFY2023 budget has crossed $9 billion. In the budget, are normal recurring items, as well as some non-recurring items. During special session, a bill, provided by the House, recommended to reduce the appropriations of this agency in order to provide quality inflation and tax relief for citizens. The reduction totals over $200 million. OHCA is aware of this and will take appropriate action should it become a law.

Medicaid Expansion – To date, there are about 300,000 expansion members enrolled. Of that, there are 200,000 that are considered new members. Of the 200,000, about 50,000 will be part of the unwinding process when the PHE ceases.

Public Health Emergency (PHE) – It is OHCA’s understanding that the PHE will end in October. OHCA will still be entitled to special federal funding through the end of the 2022 calendar year. OHCA received two separate FMAP enhancements: the 6.2 FMAP which will cease with the PHE and Expansion funding which will end at the end of this fiscal year. To date, OHCA has received about $600 million in special enhanced FMAP. It is estimated that OHCA will receive an additional $300 million through the end of the fiscal year. Part of the money received has been used to pay supplemental payments to the hospitals and nursing facilities. These funds will also be used for the unwinding process. Based on OHCA’s best estimate, OHCA has an excess of 200,000 members that will no longer be eligible after the PHE ceases. It will take about 9-12 months to unwind the members, to help them find alternatives. The unwinding process will require OHCA to have a certain amount of cost. OHCA estimate that that will likely cost about $260 million to fund these members throughout that period.

Staff Announcements – CEO Corbett announced that Carter Kimble, Director of HIE, has resigned. Melody Anthony will serve as the interim Director. OHCA will be hosting ethics training for the board, similar to last year’s training.

**ITEM 4 / STATE MEDICAID DIRECTOR REPORT**
Traylor Rains, State Medicaid Director

Mr. Rains introduced Whitney Hollingsworth to provide this month’s member moment.

Mr. Rains provided an overview of the delivery system key provisions which included information on goals, program design, populations, covered benefits, network adequacy, quality and population health, financials, timeline, PHE update, expansion update and SoonerCare operations update. For more detailed information, see attachment D in the board packet.

**ITEM 5 / CHIEF OF STAFF REPORT**
Ellen Buettner, Chief of Staff

Ms. Buettner provided an update on the Medicaid Fraud Control Unit (MFCU) and Private Duty Nursing appeals.

MFCU Update – OHCA partners with the Attorney General’s office via their MFCU. They are responsible under federal law to receive and investigate credible allegations of fraud withing the Medicaid agency as it relates to our program and providers, which can result in civil or criminal charges. In most cases, a referral will be triggered by either a referral through us or from another agency that participates in the Medicaid program, such as Department of Mental Health or Oklahoma Human Services. It could also be something that is uncovered during one of OHCA’s routine audits. After an internal review, OHCA’s Program Integrity unit, in partnership with OHCA’s Legal unit, will review all the documents and prepare a complaint to share with the AG’s office for their review. Their unit will complete an initial investigation and notify OHCA whether they are accepting it for further investigation and potential prosecution or civil charges or reject it and send it back to OHCA. Typically, something might be rejected simply because of an evidentiary standard, potentially a staffing or investigative type issue. Should they reject further investigation, OHCA can still go forward with normal process of recouping money that may have been wrongfully paid or taking other appropriate contractual action. If accepted, OHCA notifies the provider and initiates a payment suspension. In 2022, OHCA only had 5 referrals, two of which were accepted for further investigation. In 2021, only three cases were referred and all three were accepted for investigation as well.
Private Duty Nursing (PDN) Appeals – In the initial phase of the PHE, OHCA suspended its traditional practice of analyzing and reviewing existing PDN services authorizations and it received some subsequent guidance from CMS that said OHCA should apply the routine authorization criteria to determine the appropriate amount, scope, and duration of the benefits that these individuals are receiving. OHCA reinstituted its standard medical review practices, in many cases, resulting in the reduction of approved hours for PDN.

Staff announcement – OHCA’s Communications Team was recognized at the NAMD meeting for their Expansion campaign. They were also asked to put together a detailed case study on the organization and execution on the plan. They were also recognized for their communication plans surrounding the PHE unwinding and go paperless campaign.

Ms. Buettner introduced Katelynn Burns, Director of Public Affairs/Legislative Liaison, to provide a legislative update. Ms. Burns provided an update on the OHCA bills, budget, and other matters of interest. For more detailed information, see attachment E in the board packet.

ITEM 6i-xiv / DISCUSSION OF REPORT FROM THE PHARMACY ADVISORY COMMITTEE AND POSSIBLE ACTION REGARDING DRUG UTILIZATION BOARD RECOMMENDATIONS
Corey Finch, M.D., Chair, Pharmacy Advisory Committee

Action Item – a) Discussion and Possible Vote Regarding Recommendations Made by the Drug Utilization Review Board Pursuant to 63 O.S. § 5030.3 to Add the Following Drugs to the Utilization and Scope Prior Authorization Program under OAC 317:30-5-77.2(e) (see Attachment “F”)

i. Elepsia™ XR [Levetiracetam Extended-Release (ER) Tablet] and Eprontia™ (Topiramate Oral Solution)
ii. Winlevi® (Clascoterone 1% Cream)
iii. Dojolvi® (Triheptanoin)
iv. Quilpta™ (Atogepant)
v. Erwinase® (Cristsartaspase), Erwinaze® (Asparaginase Erwinia Chrysanthemi), Oncaspar® (Pegaspargase), Rylaze™ [Asparaginase Erwinia Chrysanthemi (Recombinant)-rywn], and Scemblix® (Asciminib)
vi. Zynlonta® (Loncastuximab Tesirine-Ipy)
vii. Voxzogo™ (Vosortilide)
viii. Releuko™ (Filgrastim-ayow)
ix. Lampit® (Nifurtimox)
x. Brexafemme® (Ibrexafungerp)
xi. Ponvory™ (Ponesimod)
xii. Nexviazyme® (Avalglucosidase Alfa-ngpt)
xiii. Kerendia® (Finerenone), Rezvoglar™ (Insulin Glargine-aglr), and Semglee® (Insulin Glargine-yfgn)
xiv. Exkivity® (Mobocertinib), Lumakras™ (Sotorasib), and Rybrevant® (Amivantamab-vmjw)

MOTION: Member Cruzan moved for approval of item 6i-xiv, as published. The motion was seconded by Member Dell’Osso.

FOR THE MOTION: Chairman Nuttle, Member Case, Member Cruzan, Member Dell’Osso, Member Finch, Member Kennedy

BOARD MEMBERS ABSENT: Vice-Chairman Yaffe, Member Sharpe

ITEM 7 / DISCUSSION OF REPORT FROM THE COMPLIANCE ADVISORY COMMITTEE
Phil Kennedy, Chair, Compliance Advisory Committee

a) Member Kennedy provided an overview of the financial report provided during the June 21, 2022 compliance meeting. OHCA has a positive variance of $13.8. May financials will be completed at the end of the month and will be made available to the board when ready. Member Kennedy introduced CFO Aaron Morris to provide an overview of the SFY2023 budget work program.

Budget Work Program – Mr. Morris provided an overview of the SFY budget work program which included information on the history, medical program, OHCA program assumptions, expansion budget growth, Insure Oklahoma, OHCA administration, other state agency programs, revenue, appropriation summary, and key takeaways. For more detailed information, see attachment G in the board packet.
b) Discussion and Possible Vote on the SFY 2023 Budget Work Program pursuant to 63 O.S. Section 5008(B)(3)

MOTION: Member Case moved for approval of item 7b, as published. The motion was seconded by Member Kennedy.

FOR THE MOTION: Chairman Nuttle, Member Case, Member Cruzan, Member Dell’Osso, Member Finch, Member Kennedy

BOARD MEMBERS ABSENT: Vice-Chairman Yaffe, Member Sharpe

ITEM 8.i-iv / DISCUSSION OF REPORT FROM THE ADMINISTRATIVE RULES ADVISORY COMMITTEE AND POSSIBLE ACTION REGARDING AGENCY RULEMAKING

Susan Dell’Osso, Chairwoman, Administrative Rules Advisory Committee

Member Dell’Osso asked Mr. Rains to present the below rules.

a) Discussion and Possible Vote on Recommended Rulemaking Pursuant to Article I of the Administrative Procedures Act and in accordance with 75 O.S. § 253. OHCA Requests the Adoption of the Following Emergency Rules (see Attachment “H”):

i. APA WF # 22-03 Clinical Trials Routine Services and Dental Out-of-State Services
ii. APA WF # 22-07 Tribal Residential Substance Use Disorder (SUD) Policy Updates
iii. APA WF # 22-08 Hospice Benefit for Expansion Population
iv. APA WF # 22-10 Long-Term Care Facility (LTC) Pay-for-Performance (PFP) Program

MOTION: Member Cruzan moved for approval of item 8a.i-iv, as emergency in nature. The motion was seconded by Member Finch.

FOR THE MOTION: Chairman Nuttle, Member Case, Member Cruzan, Member Dell’Osso, Member Finch, Member Kennedy

BOARD MEMBERS ABSENT: Vice-Chairman Yaffe, Member Sharpe

MOTION: Member Finch moved for approval of the emergency rules listed in item 8a.i-iv, as published. The motion was seconded by Member Kennedy.

FOR THE MOTION: Chairman Nuttle, Member Case, Member Cruzan, Member Dell’Osso, Member Finch, Member Kennedy

BOARD MEMBERS ABSENT: Vice-Chairman Yaffe, Member Sharpe

ITEM 14 / ADJOURNMENT
Marc Nuttle, OHCA Board Chairman

MOTION: Member Dell’Osso moved for approval for adjournment. The motion was seconded by Member Finch.

FOR THE MOTION: Chairman Nuttle, Member Case, Member Cruzan, Member Dell’Osso, Member Finch, Member Kennedy

BOARD MEMBERS ABSENT: Vice-Chairman Yaffe, Member Sharpe

Meeting adjourned at 3:38 p.m., 6/22/2022

NEXT BOARD MEETING
September 21, 2022
Oklahoma Health Care Authority
4345 N. Lincoln Blvd
Oklahoma City, OK 73105

Martina Ordonez
Board Secretary

Minutes Approved: _______________

Initials: ______________
HUMAN DONOR BREAST MILK

1. **IS THIS A RATE CHANGE OR A METHOD CHANGE?**
   Rate Change

2. **IS THIS CHANGE AN INCREASE, DECREASE, OR NO IMPACT?**
   Increase

3. **PRESENTATION OF ISSUE – WHY IS THIS CHANGE BEING MADE?**
   The Oklahoma Health Care Authority is requesting to add coverage to provide Medicaid coverage for pasteurized donor human milk and donor human milk-derived products in a home setting, for infants, when deemed medically necessary by a qualified provider.

4. **CURRENT METHODOLOGY AND/OR RATE STRUCTURE.**
   Currently OHCA does not pay for HCPCS Procedure Code T2101 (HUMAN BREAST MILK PROCESSING, STORAGE AND DISTRIBUTION ONLY).

5. **NEW METHODOLOGY OR RATE STRUCTURE.**
   The Oklahoma Health Care Authority requests that HCPCS Procedure Code T2101 (HUMAN BREAST MILK PROCESSING, STORAGE AND DISTRIBUTION ONLY) to be paid $4.29 per ounce ($14.50 per 3.38 ounce bottle).

6. **BUDGET ESTIMATE.**
   The estimated budget impact for SFY 2023 will be an increase in the total amount of $229,211; with $59,801 in state share.
   The estimated budget impact for SFY 2024 will be an increase in the total amount of $343,816; with $112,153 in state share.
   OHCA attests that it has adequate funds to cover the state share of the projected cost of services.

7. **AGENCY ESTIMATED IMPACT ON ACCESS TO CARE.**
   This will not have a negative impact on access to care.

8. **RATE OR METHOD CHANGE IN THE FORM OF A MOTION.**
The Oklahoma Health Care Authority requests the State Plan Amendment Rate Committee approve HCPCS Procedure Code T2101 (HUMAN BREAST MILK PROCESSING, STORAGE AND DISTRIBUTION ONLY) to be paid $4.29 per ounce ($14.50 per 3.38 ounce bottle).

9. **EFFECTIVE DATE OF CHANGE.**
   November 1, 2022
1. **IS THIS A RATE CHANGE OR A METHOD CHANGE?**  
   Method Change

2. **IS THIS CHANGE AN INCREASE, DECREASE, OR NO IMPACT?**  
   Increase

3. **PRESENTATION OF ISSUE – WHY IS THIS CHANGE BEING MADE?**  
   The Oklahoma Health Care Authority is requesting to update the rate methodology used to pay for dental services. OHCA was appropriated dollars in the SFY2023 budget to increase dental rates. Updating the dental rate methodology would improve our ratio of Medicaid reimbursement to private dental insurance reimbursement to 73.02%, over a 10% improvement in this ratio. Also, the proposed rates would be over what New Mexico Medicaid pays for dental services, and on par with what Colorado Medicaid pays.

4. **CURRENT METHODOLOGY AND/OR RATE STRUCTURE.**  
   The current methodology to pay dental services uses a calculation of Relative Value Units (RVUs) times a Conversion Factor. The current RVUs have not been updated in several years. The current Conversion Factor used is 30.4887 for all populations and has not been updated in several years.

5. **NEW METHODOLOGY OR RATE STRUCTURE.**  
   The proposed rate methodology to pay dental services would continue using a calculation of Relative Value Units (RVUs) times a Conversion Factor. The proposed rate methodology would be to update the RVUs annually from the Optum Coding Relative Values for Dentists Data File. The proposed rate methodology would also use a different Conversion Factor for children and adults. The proposed Conversion Factors would be 30.4887 for children and 33.5700 for adults. The increase in the aggregate for children would be over 5%, and for adults over 14%.

6. **BUDGET ESTIMATE.**  
   The estimated budget impact for SFY 2023 will be an increase in the total amount of $13,535,511; with $2,527,105 in state share.  
   The estimated budget impact for SFY 2024 will be an increase in the total amount of $18,047,348; with $4,409,178 in state share.
OHCA attests that it has adequate funds to cover the state share of the projected cost of services.

7. **AGENCY ESTIMATED IMPACT ON ACCESS TO CARE.**
   This will have a positive impact on access to care, especially in recruiting dentists to serve our adult populations.

8. **RATE OR METHOD CHANGE IN THE FORM OF A MOTION.**
   The Oklahoma Health Care Authority requests the State Plan Amendment Rate Committee approve the proposed rate methodology to update the RVUs annually from the Optum Coding Relative Values for Dentists Data File and update the Conversion Factors to 30.4887 for children and 33.5700 for adults.

9. **EFFECTIVE DATE OF CHANGE.**
   October 1, 2022
1. **IS THIS A RATE CHANGE OR A METHOD CHANGE?**
   RATE CHANGE

2. **IS THIS CHANGE AN INCREASE, DECREASE, OR NO IMPACT?**
   DECREASE

3. **PRESENTATION OF ISSUE – WHY IS THIS CHANGE BEING MADE?**
   Oklahoma Human Services is proposing to decrease the rate for Extensive Residential Supports and Extensive Residential Supports Therapeutic leave. The rate decrease is needed to correct an error when calculating the 25% rate increase effective October 1, 2022. The rate was newly created with the 25% rate increase embedded and thus not subject to the previous rate increase. The service is available to members in the Homeward Bound Waiver and the Community Waiver.

4. **CURRENT METHODOLOGY AND/OR RATE STRUCTURE.**
   The current rate structure is a fixed and uniform rate established through the SPARC process. The current services, service codes and rates are as follows:

<table>
<thead>
<tr>
<th>Procedure Description</th>
<th>Code</th>
<th>Service Unit</th>
<th>Current Rate</th>
<th>Proposed Rate</th>
</tr>
</thead>
<tbody>
<tr>
<td>Extensive Residential Supports</td>
<td>T2033 TG</td>
<td>Day</td>
<td>$1,162.40</td>
<td>$929.92</td>
</tr>
<tr>
<td>Extensive Residential Supports Therapeutic Leave</td>
<td>T2033 TG</td>
<td>Day</td>
<td>$1,162.40</td>
<td>$929.92</td>
</tr>
</tbody>
</table>

5. **NEW METHODOLOGY OR RATE STRUCTURE.**
   The table below indicates the services and per service rate increase proposed:

<table>
<thead>
<tr>
<th>Procedure Description</th>
<th>Code</th>
<th>Service Unit</th>
<th>Proposed Rate</th>
<th>Net Annual Cost</th>
</tr>
</thead>
<tbody>
<tr>
<td>Extensive Residential Supports</td>
<td>T2033 TG</td>
<td>Day</td>
<td>$929.92</td>
<td>$(867,035.00)</td>
</tr>
<tr>
<td>Extensive Residential Supports Therapeutic Leave</td>
<td>T2033 TG</td>
<td>Day</td>
<td>$929.92</td>
<td>$(250.00)</td>
</tr>
</tbody>
</table>

6. **BUDGET ESTIMATE.**
   In SFY 2023, the total savings for 9 months will be $837,776, with a 25.57% state share of $214,219. In SFY 2024, the total savings will be $1,117,035, with a 32.4% state share of $361,919.
STATE PLAN AMENDMENT RATE COMMITTEE

7. **AGENCY ESTIMATED IMPACT ON ACCESS TO CARE.**  
   Decreasing the rate will have no effect on access to care.

8. **RATE OR METHOD CHANGE IN THE FORM OF A MOTION.**  
   Oklahoma Human Services requests the proposed rates are decreased as presented.

9. **EFFECTIVE DATE OF CHANGE.**  
   October 1, 2022, upon approval by CMS
STATE PLAN AMENDMENT RATE COMMITTEE

MONEY FOLLOWS THE PERSON/OKLAHOMA’S LIVING CHOICE RATE INCREASES

1. IS THIS A RATE CHANGE OR A METHOD CHANGE?
   Rate Change

2. IS THIS CHANGE AN INCREASE, DECREASE, OR NO IMPACT?
   Increase

3. PRESENTATION OF ISSUE – WHY IS THIS CHANGE BEING MADE?
   Oklahoma Health Care Authority (OHCA) is seeking to implement a provider rate increase pursuant to 1915(c) Home and Community-Based Services Waiver Instructions and Technical Guidance.

   The Oklahoma Legislature appropriated and specifically funded a 25% rate increase for their five 1915(c) waiver HCBS providers contracted with Oklahoma Human Services (OHS). The intent is to standardize provider rates across the 1915(c) Home and Community Based Services and the Money Follows the Person Demonstration/Oklahoma’s Living Choice program. Without this additional support, staffing shortages could result in adverse health and safety outcomes for the individuals served.

4. CURRENT METHODOLOGY AND/OR RATE STRUCTURE.
   The current rate structure for the Money Follows the Person Demonstration/Oklahoma’s Living Choice provided in the proposed rate changes are fixed and uniform rates established through the State Plan Amendment Rate Committee process, with the following waiver requirements:
   • Additionally, the proposed rates will be consistent with the 1915(c) HCBS waiver programs operated by OHS.

   SERVICES AND CURRENT RATES ARE LISTED BELOW:

<table>
<thead>
<tr>
<th>Living Choice Services</th>
<th>Code</th>
<th>Unit Type</th>
<th>Current Rate</th>
</tr>
</thead>
<tbody>
<tr>
<td>Adult Day Health</td>
<td>S5100</td>
<td>15-min</td>
<td>$2.04</td>
</tr>
<tr>
<td>Adult Day Health – Personal Care</td>
<td>S5105</td>
<td>Session</td>
<td>$8.27</td>
</tr>
<tr>
<td>Adult Day Health – Therapy</td>
<td>S5105</td>
<td>Session</td>
<td>$11.70</td>
</tr>
<tr>
<td>Advanced Supportive/Restorative Assistance</td>
<td>T1019-TF</td>
<td>15-min</td>
<td>$4.57</td>
</tr>
<tr>
<td>Assisted Living Tier 1 Services</td>
<td>T2031</td>
<td>per diem</td>
<td>$49.33</td>
</tr>
</tbody>
</table>
## NEW METHODOLOGY OR RATE STRUCTURE.

The new rates are based on an average of a 25% increase of existing rates. This is to align with the OHS rates presented at a previous SPARC hearing. OHCA Waiver programs had some past rate increases/decreases that the OHS Waivers did not.

### Living Choice Services

6. BUDGET ESTIMATE.
Oklahoma's FFY 2023 FMAP will be 87.85%. The estimated budget impact for SFY 2023 will be an increase in the total amount of $61,310; with $7,449 in state share for the remainder of SFY 2023.
The estimated budget impact for SFY 2024 will be an increase in the total amount of $81,746; with $26,486 in state share.
OHCA attests that it has adequate funds to cover the state share of the projected cost of services.
7. **AGENCY ESTIMATED IMPACT ON ACCESS TO CARE.**  
The rate increase will have a positive impact on access to care as providers are able to meet increased labor costs.

8. **RATE OR METHOD CHANGE IN THE FORM OF A MOTION.**  
Oklahoma Health Care Authority requests the State Plan Amendment Rate Committee approve the proposed 25% average rate increases to bring OHCA Waiver rates in alignment with OHCA Waiver rates.

9. **EFFECTIVE DATE OF CHANGE.**  
October 1, 2022, upon approval by CMS
1. IS THIS A RATE CHANGE OR A METHOD CHANGE?
   Rate Change

2. IS THIS CHANGE AN INCREASE, DECREASE, OR NO IMPACT?
   Increase

3. PRESENTATION OF ISSUE – WHY IS THIS CHANGE BEING MADE?
   Oklahoma Health Care Authority (OHCA) is seeking to implement a provider rate increase pursuant to 1915(c) Home and Community-Based Services Waiver Instructions and Technical Guidance.

   The Oklahoma Legislature appropriated and specifically funded a 25% rate increase for their five 1915(c) waiver HCBS providers contracted with Oklahoma Human Services (OHS). The intent is to standardize provider rates across the 1915(c) Home and Community Based Services and the Medically Fragile. Without this additional support, staffing shortages could result in adverse health and safety outcomes for the individuals served. OHCA is proposing an average rate increase of 25% on payments for the Medically Fragile waiver services.

4. CURRENT METHODOLOGY AND/OR RATE STRUCTURE.
   The current rate structure for the Medically Fragile Waiver provided in the proposed rate changes are fixed and uniform rates established through the State Plan Amendment Rate Committee process, with the following waiver requirements:
   - Additionally, the proposed rates will be consistent with the 1915(c) HCBS waiver programs operated by OHS.

   Services and current rates are listed below:

<table>
<thead>
<tr>
<th>Medically Fragile Waiver Services</th>
<th>Code</th>
<th>Unit Type</th>
<th>Current Rate</th>
</tr>

</tr>
<tr>
<td>Transitional Case Management - Very Rural</td>
<td>T1016-U3-TN</td>
<td>15-min</td>
<td>$22.06</td>
</tr>
</tbody>
</table>
5. **NEW METHODOLOGY OR RATE STRUCTURE.**

The new rates are based on an average of a 25% increase of existing rates. This is to align with the OHS rates presented at a previous SPARC hearing. OHCA Waiver programs had some past rate increases/decreases that the OHS Waivers did not.
6. **BUDGET ESTIMATE.**
Oklahoma’s FFY 2023 FMAP will be 67.36%. The estimated budget impact for SFY 2023 will be an increase in the total amount of $1,045,955; with $267,486 in state share for the remainder of SFY 2023.
The estimated budget impact for SFY 2024 will be an increase in the total amount of $1,394,607; with $451,853 in state share.
OHCA attests that it has adequate funds to cover the state share of the projected cost of services.

7. **AGENCY ESTIMATED IMPACT ON ACCESS TO CARE.**
The rate increase will have a positive impact on access to care as providers are able to meet increased labor costs.

8. **RATE OR METHOD CHANGE IN THE FORM OF A MOTION.**
Oklahoma Health Care Authority requests the State Plan Amendment Rate Committee approve the proposed 25% average rate increases to bring OHCA Waiver rates in alignment with OHCA Waiver rates.

9. **EFFECTIVE DATE OF CHANGE.**
October 1, 2022, upon approval by CMS

Discussion and vote regarding the Authority’s ability to withstand the procurement decision made by the CEO based on the Authority’s budget and available funds

BACKGROUND

Services
Prior Authorization Reviews

Purpose and Scope
The purpose of this Agreement is for Pharmacy Management Consultants (PMC) to provide prior authorization (PA) reviews for the Oklahoma Health Care Authority’s (OHCA) physical therapy (PT), occupational therapy (OT), and speech therapy services.

Vendor will complete prior authorization requests and amendments for physical, occupational and speech therapies while conforming to a 95% or better accuracy rate for approvals, amendments, cancellations, and denials.

Medicaid Director Update

Traylor Rains
State Medicaid Director
SOONERSELECT

Dental RFP Town Hall Meetings - Hybrid
• July 19
  • Online: 75
• July 26
  • Online: 182 | In-person: 32

Dental RFP was released on September 1.
• Bidders will have 60 days to submit responses.

Medical RFP Town Hall Meetings - Virtual
• September 29 at 1:00 p.m.
• October 5 at 2:00 p.m.

Medical and Children’s Specialty RFPs to be released early October.
• Bidders will have 90 days to respond.
Referrals for OB/GYN Services
- Effective July 1, referrals are no longer required for most primary/preventive services provided by OB/GYN’s.
- Aligned with OHCA’s continued goal of removing barriers to access primary care.

Encounter limit update for FQHC/RHC
- Members who have chosen a Federally Qualified Health Center or Rural Health Center as their Patient Centered Medical Home can exceed the monthly limit of four visits per month.

Partial Hospitalization (PHP) Services for Adults
- Adult SoonerCare members now have access to PHP services for both mental health and substance use disorders.

Public Health Emergency (PHE) unwinding operational plan posted to OHCA Website
- Public Health Emergency (PHE) (oklahoma.gov)

**Recommendation 1: Vote to Prior Authorize Camcevi™, Pluvicto™, Tivdak®, and Welireg™**

The Drug Utilization Review Board recommends the prior authorization of Camcevi™ (Leuprolide), Pluvicto™ (Lutetium Lu 177 Vipivotide Tetraxetan), Tivdak® (Tisotumab Vedotin-tftv), and Welireg™ (Belzutifan) with the following criteria:

**Camcevi™ (Leuprolide) Approval Criteria [Prostate Cancer Diagnosis]:**
1. Diagnosis of advanced prostate cancer; and
2. A patient-specific, clinically significant reason why the member cannot use Eligard® (leuprolide acetate), Firmagon® (degarelix), and Lupron Depot® (leuprolide acetate) must be provided [reason(s) must address each medication].

**Pluvicto® (Lutetium Lu 177 Vipivotide Tetraxetan) Approval Criteria [Prostate Cancer Diagnosis]:**
1. Diagnosis of prostate-specific membrane antigen (PSMA)-positive metastatic castration-resistant prostate cancer (mCRPC); and
2. Member must have been treated with androgen receptor pathway inhibition and taxane-based chemotherapy.

**Tivdak® (Tisotumab Vedotin-tftv) Approval Criteria [Cervical Cancer Diagnosis]:**
1. Diagnosis of recurrent or metastatic cervical cancer; and
2. Disease has progressed on or after chemotherapy.

**Welireg™ (Belzutifan) Approval Criteria:**
1. Diagnosis of von Hippel-Landau (VHL) disease; and
2. Diagnosis of either renal cell carcinoma, central nervous system hemangioblastomas, or pancreatic neuroendocrine tumor; and
3. Does not require immediate surgery.

**Recommendation 2: Vote to Prior Authorize Livtencity™**

The Drug Utilization Review Board recommends the prior authorization of Livtencity™ (Maribavir) with the following criteria:

**Livtencity™ (Maribavir) Approval Criteria:**
1. An FDA approved indication of the treatment of post-transplant cytomegalovirus (CMV) infection and disease that is refractory to treatment (with or without genotypic resistance) with ganciclovir, valganciclovir, cidofovir, or foscarnet in adults and pediatric members (12 years of age and older weighing ≥35kg); and
2. A previously failed trial at least 14 days in duration with ganciclovir, valganciclovir, cidofovir, or foscarnet; and
3. Prescriber must verify the member does not have CMV disease involving the central nervous system including the retina (CMV retinitis); and
4. Prescriber must verify member will not receive concurrent treatment with ganciclovir and/or valganciclovir while taking Livtency™; and
5. Prescriber must verify the member will be monitored for virologic failure during and after treatment with Livtency™; and
6. Livtency™ must be prescribed by an oncology, hematology, infectious disease, or transplant specialist (or advanced care practitioner with a supervising physician who is an oncology, hematology, infectious disease, or transplant specialist); and
7. Prescriber must verify Livtency™ will not be used concomitantly with strong inducers of CYP3A4 (e.g., rifampin, rifabutin, St. John's wort) except carbamazepine, phenobarbital, or phenytoin. Use of carbamazepine, phenobarbital, or phenytoin concomitantly with Livtency™ will require dose adjustment according to package labeling; and
8. Prescriber must agree to monitor drug concentrations of immunosuppressant drugs that are CYP3A4 and/or P-glycoprotein (Pgp) substrates (e.g., tacrolimus, cyclosporine, sirolimus, everolimus) throughout treatment with Livtency™ and adjust the dose of immunosuppressant drug(s) as needed; and
9. Approvals will be for a maximum duration of 8 weeks, and a quantity limit of 112 tablets per 28 days will apply.

Recommendation 3: Vote to Prior Authorize Ryplazim®
The Drug Utilization Review Board recommends the prior authorization of Ryplazim®(Plasminogen, Human-tvmh) with the following criteria:

Ryplazim® (Plasminogen, Human-tvmh) Approval Criteria:
1. An FDA approved indication of plasminogen deficiency type 1 (hypoplasminogenemia) as confirmed by at least 2 of the following:
   a. Genetic testing confirming biallelic mutations in the plasminogen (PLG) gene; or
   b. Plasminogen activity level ≤45%; or
   c. Documentation of clinical symptoms and lesions consistent with plasminogen deficiency type 1 (e.g., ligneous conjunctivitis, ligneous gingivitis or gingival overgrowth, vision abnormalities, respiratory distress and/or obstruction, abnormal wound healing); and
2. Ryplazim® must be prescribed by, or in consultation with, a hematologist, pulmonologist, ophthalmologist, geneticist, or other specialist with expertise in the treatment of plasminogen deficiency (or an advanced care practitioner with a supervising physician who is a hematologist, pulmonologist, ophthalmologist, geneticist, or other specialist with expertise in the treatment of plasminogen deficiency); and
3. Prescriber must verify that members at high risk for bleeding and/or confirmed or suspected airway disease will be monitored by a health care provider for 4 hours after receiving the first dose; and
4. Documented vaccination history to hepatitis A and B must be provided or provider must verify member has received the first vaccine dose and is scheduled to receive the second vaccine dose; and
5. The member's recent weight must be provided on the prior authorization request in order to authorize the appropriate amount of drug required according to package labeling; and
6. Initial approvals will be for 6 months, after which time the prescriber must document improvement in clinical symptoms, partial or complete lesion resolution, and increased plasminogen activity level; and
7. Subsequent approvals will be for the duration of 1 year and will require documentation from the prescriber that member has not developed new or recurrent lesions while on Ryplazim® and that adequate plasminogen activity trough levels are being maintained.

Recommendation 4: Vote to Prior Authorize Fleqsuvy™, Loreev XRTM, Sutab®, Tarpeyo™, Vuity™, and Xipere®

The Drug Utilization Review Board recommends the prior authorization of Fleqsuvy™ (Baclofen Oral Suspension), Loreev XRTM (Lorazepam Extended-Release (ER) Capsule), Sutab® (Sodium Sulfate/Magnesium Sulfate/Potassium Chloride Tablet), Tarpeyo™ (Budesonide Delayed-Release (DR) Capsule), Vuity™ (Pilocarpine 1.25% Ophthalmic Solution), and Xipere® (Triamcinolone Acetonide Injection) with the following criteria:

Fleqsuvy™ 25mg/5mL (Baclofen Oral Suspension) Approval Criteria:
1. An FDA approved indication of spasticity resulting from multiple sclerosis (relief of flexor spasms and concomitant pain, clonus, and muscular rigidity) or spinal cord injuries/diseases; and
2. Members older than 10 years of age require a patient-specific, clinically significant reason why the member cannot use baclofen oral tablets, even when tablets are crushed.

Loreev XRTM (Lorazepam Extended-Release (ER) Capsule) Approval Criteria:
1. An FDA approved indication for the treatment of anxiety disorders; and
2. Member must be 18 years of age or older; and
3. Member must be receiving a stable, evenly divided, 3 times daily dosing regimen of lorazepam tablets; and
4. A patient-specific, clinically significant reason (beyond convenience) why the member cannot use the immediate-release formulation must be provided; and
5. A quantity limit of 30 capsules per 30 days will apply.
Sutab® (Sodium Sulfate/Magnesium Sulfate/Potassium Chloride Tablet) Approval Criteria:

1. An FDA approved indication for use in cleansing of the colon as a preparation for colonoscopy; and
2. A patient-specific, clinically significant reason other than convenience why the member cannot use other bowel preparation medications available without prior authorization must be provided.
3. If the member requires a low volume polyethylene glycol electrolyte lavage solution, MoviPrep® is available without prior authorization. Other medications currently available without a prior authorization include: Colyte®, Gavilyte®, Golytely®, and Trilyte®.

Tarpeyo™ [Budesonide Delayed Release (DR) Capsule] Approval Criteria:

1. An FDA approved indication to reduce proteinuria in adults with primary immunoglobulin A nephropathy (IgAN) at risk of rapid disease progression; and
2. The diagnosis of primary IgAN must be confirmed by the following:
   a. Kidney biopsy; and
   b. Secondary causes of IgAN have been ruled out (i.e., IgA vasculitis; IgAN secondary to virus, inflammatory bowel disease, autoimmune disease, or liver cirrhosis; IgA-dominant infection-related glomerulonephritis); and
3. Member must be 18 years of age or older; and
4. Must be prescribed by a nephrologist (or advanced care practitioner with a supervising physician who is a nephrologist); and
5. Member must have a be at risk of rapid disease progression as demonstrated by ≥1 of the following, despite maximal supportive care:
   a. Urine protein-to-creatinine ratio (UPCR) ≥1.5 g/g; or
   b. Proteinuria >0.75g/day; and
6. Member must be on a stable dose of a maximally-tolerated angiotensin converting enzyme (ACE) inhibitor or angiotensin II receptor blocker (ARB), unless contraindicated or intolerant; and
7. A patient-specific, clinically significant reason why the member cannot use a 6-month trial of an alternative formulation of budesonide DR oral capsules (e.g., Entocort® EC) or alternative oral corticosteroids available without prior authorization is not appropriate for the member must be provided; and
8. Approval duration will be for 9 months; and
9. A quantity limit of 120 capsules per 30 days will apply.

Vuity™ (Pilocarpine 1.25% Ophthalmic Solution) Approval Criteria:

1. An FDA approved indication of the treatment of presbyopia in adults; and
2. Must be prescribed by an ophthalmologist or optometrist; and
3. Prescriber must verify the member does not have iritis; and
4. Prescriber must verify the member has been counseled on the risk of retinal detachment with use of Vuity™ and when to seek immediate medical care; and
5. Prescriber must verify the member has been advised to use caution with night driving and hazardous occupations in poor illumination as vision may not be clear in these conditions while using Vuity™; and
6. A patient-specific, clinically significant reason the member cannot use corrective lenses must be provided; and
7. A patient-specific, clinically significant reason the member cannot use generic pilocarpine ophthalmic solution (Isopto® Carpine) must be provided.

**Xipere® (Triamcinolone Acetonide Injection) Approval Criteria:**
1. An FDA approved indication for the treatment of macular edema associated with non-infectious uveitis; and
2. Member must be 18 years of age or older; and
3. Xipere® must be administered by an ophthalmologist; and
4. Prescriber must confirm that the member does not have an active ocular or periocular infection; and
5. Prescriber must confirm member does not have untreated ocular hypertension or uncontrolled glaucoma; and
6. A patient-specific, clinically significant reason why the member cannot use corticosteroid ophthalmic preparations, such as solution or suspension, must be provided; and
7. A patient-specific, clinically significant reason the member cannot use Triesence® must be provided; and
8. Initial authorization will be for 12 weeks, with an additional dose approved at or after 12 weeks if the prescriber documents improvement from baseline in visual acuity.
September Board
Proposed Rules Amendment Summaries

APA WF # 22-05 Ambulance Service Provider Access Payment Program – The proposed policy establishes rules consistent with the Oklahoma State Plan, which outlines the Ambulance Service Provider Access Payment Program (ASPAPP). The ASPAPP is a voluntary program designed to help assure access to quality emergency transports for SoonerCare members by assessing a fee to privately owned ambulance service providers and then issuing quarterly supplemental payments to those providers.

**Budget Impact:** The estimated total cost for SFY 2023 is $5,802,463 ($4,392,464 in federal share and $1,409,999 in state share). The estimated total cost for SFY 2024 is $5,802,463 ($3,908,539 in federal share and $1,893,924 in state share). Both SFY 2023 and SFY 2024 will include a $200,000 administrative cost collection from a provider tax.

**Proposed Rule Timeline:**
- **Tribal Consultation:** Nov. 2, 2021
- **15-Day Public Comment Period:** Aug. 16, 2022 - Aug. 31, 2022
- **Medical Advisory Committee (MAC) Meeting:** Sept. 8, 2022
- **Emergency Rule Requested Effective Date:** Contingent upon Governor's approval or the 45th day post submission of the rules to the Governor (Nov. 7, 2022)

APA WF # 22-12 Staff Ratios and Staff Licensing Requirements for Out-of-State Psychiatric Providers – The proposed rule changes allow out-of-state inpatient psychiatric providers to utilize the staffing ratios and staff licensing requirements of the state in which the facility/provider is located.

**Budget Impact:** Budget neutral.

**Proposed Rule Timeline:**
- **Tribal Consultation:** July 5, 2022
- **15-Day Public Comment Period:** Aug. 15, 2022 – Aug. 31, 2022
- **MAC Meeting:** Sept. 8, 2022
- **Emergency Rule Requested Effective Date:** Contingent upon Governor's approval or the 45th day post submission of the rules to the Governor (Nov. 7, 2022)

APA WF # 22-13 Advanced Practice Registered Nurses (APRN) and Physician Assistants (PA) Rendering Physician-Required Psychiatric Services – The proposed rules allow APRNs with psychiatric certifications and PAs to provide psychiatric services. Presently, psychiatric service provision is only allowed by psychiatrists to members in inpatient settings. The psychiatric services provided by APRNs and PAs will now also include psychiatric evaluations and weekly individual treatment hours. The proposed rule aims to address physician shortages and extend the reach of behavioral health treatments such as psychiatric evaluations and weekly individual treatment hours by allowing inpatient psychiatric providers to utilize APRNs with psychiatric certifications and PAs.

**Budget Impact:** Budget neutral.

**Proposed Rule Timeline:**
- **Tribal Consultation:** July 5, 2022
15-Day Public Comment Period: Aug. 16, 2022 – Aug. 31, 2022
MAC Meeting: Sept. 8, 2022
Emergency Rule Requested Effective Date: Contingent upon Governor’s approval or the 45th day post submission of the rules to the Governor (Nov. 7, 2022)

APA WF # 22-14 Coverage for Donor Human Breast Milk – The Agency proposes to add this benefit as a new service covered under the Medical Suppliers section of policy. Proposed rules outline medical necessity, provider qualifications, coverage, and reimbursement for donor human breast milk. Further proposed revisions to the Enteral Nutrition section of policy removes human breast milk as a non-covered item.

Budget Impact: The estimated total cost for SFY 2023 is $229,211 ($169,410 in federal share and $59,801 in state share). The estimated total cost for SFY 2024 is $343,816 total ($231,663 in federal share and $112,153 in state share).

Proposed Rule Timeline:
Tribal Consultation: July 5, 2022
15-Day Public Comment Period: Aug. 16, 2022 – Aug. 31, 2022
Medical Advisory Committee: Sept. 8, 2022
Emergency Rule Requested Effective Date: Contingent upon Governor’s signature or the 45th day post submission of the rules to the Governor (Nov. 7, 2022)

APA WF # 22-15 Removing Provider Panel Limits in the Patient Centered Medical Home (PCMH) – The proposed revisions remove member cap limits from Agency policy for Physicians, Advanced Practice Registered Nurses (APRN), and Physician Assistants (PA) participating in SoonerCare Choice as a Patient Centered Medical Home (PCMH) provider. Current policy allows 2,500 members for each physician, 1,250 members for each APRN, and 1,250 members for each PA. The proposed revisions make access to care easier for members and aligns policy with the current redesign of the PCMH model.

Budget Impact: Budget neutral.

Proposed Rule Timeline:
Tribal Consultation: March 1, 2022
15-Day Public Comment Period: June 27, 2022 – July 14, 2022
MAC Meeting: July 14, 2022
Requested Effective Date: Contingent upon Governor’s approval or the 45th day post submission of the rules to the Governor (Nov. 7, 2022)

APA WF # 22-16 Statewide Health Information Exchange (HIE) – The proposed revisions will update policy to comply with OK Senate Bill 1369 which changed the statewide HIE. The revisions include repealing all previously approved language; adding the Office of the State Coordinator for HIE; designating that the Office of the State Coordinator for HIE will oversee the state-designated entity for HIE; and revising the definition of “health information exchange organization” to indicate that it is an organization governed by its stakeholders. Additional revisions will state that beginning July 1, 2023, all qualified health care providers, as defined by OHCA rules and who are licensed by and located in Oklahoma, shall be actively engaged with the HIE in the onboarding process of connecting to the HIE. This ensures that the legislative requirement of data reporting capabilities and utilizing the state-designated entity for HIE are met.
Budget Impact: The proposed rules are budget neutral for the agency; however, there will be a cost for providers to connect to the statewide HIE. The cost varies depending on the type and size of the organization.

Proposed Rule Timeline:
Tribal Consultation: Sept. 6, 2022
30-day Public Comment Period: Aug. 16, 2022 – Sept. 15, 2022
MAC Meeting: Sept. 8, 2022
Emergency Rule Requested Effective Date: Contingent upon Governor’s approval or the 45th day post submission of the rules to the Governor (November 7, 2022).

APA WF # 22-17 Covering Former Foster Care Youth from Another State – The proposed revisions implement changes in federal law requiring SoonerCare to grant eligibility to individuals in the former foster care youth category who were enrolled in Medicaid when they aged out of foster care in another state on January 1, 2023, or later, and who now reside in Oklahoma. Prior to the federal law changes, the requirement for SoonerCare was to grant eligibility to former foster care youth who were enrolled in Medicaid when they aged out of foster care in Oklahoma.

Budget Impact: The estimated total cost for SFY 2023 is $187,650 ($135,784 in federal share and $51,866 in state share). The estimated total cost for SFY 2024 is $375,300 total ($252,802 in federal share and $122,498 in state share).

Proposed Rule Timeline:
Tribal Consultation: July 5, 2022
15-Day Public Comment Period: Aug. 16 – Aug. 31, 2022
MAC Meeting: Sept. 8, 2022
Emergency Rule Requested Effective Date: Jan. 1, 2023

APA WF # 22-18 Mobile Dental Services – Current policy allows mobile or portable dental providers to render services to only children and the services are limited to screenings, fluoride varnish, and sealants. The proposed rule changes allow mobile dental providers to render more services that SoonerCare currently covers for dental providers and authorizes mobile dental services for both children and adults. These changes aim to help SoonerCare members access dental care where there are shortage areas in the State.

Budget Impact: The proposed rule changes regarding mobile dental services are budget neutral. This change is only allowing more dental providers through mobile units to render services currently covered by SoonerCare; no new services will be added.

Proposed Rule Timeline:
OHCA Tribal Consultation: July 5, 2022
15-day Public Comment Period: Aug. 16, 2022 – Aug. 31, 2022
MAC Meeting: Sept. 8, 2022
Proposed Effective Date: Contingent upon Governor’s approval or the 45th day post submission of the rules to the Governor (Nov. 7, 2022).
317:30-5-345. Ambulance Service Provider Access Payment Program (ASPAPP)

(a) **Purpose.** The Ambulance Service Provider Access Payment Program (ASPAPP) is an ambulance service provider (ASP) assessment fee that is eligible for federal matching funds when used to reimburse SoonerCare services in accordance with Section 3242.1 through 3242.6 of Title 63 of the Oklahoma Statutes (O.S.).

(b) **Definitions.** The following words and terms, when used in this Section shall have the following meaning, unless the context clearly indicates otherwise:

1. "Air ambulance" means ambulance services provided by fixed or rotor wing ambulance services.
2. "Alliance" means the Oklahoma Ambulance Alliance or its successor association.
3. "Ambulance" means a motor vehicle that is primarily used or designated as available to provide transportation and basic life support or advanced life support.
4. "Ambulance service" or "ambulance service provider (ASP)" means any private firm or governmental agency licensed by the Oklahoma State Department of Health (OSDH) to provide levels of medical care based on certification rules or standards promulgated by the state Commissioner of Health.
5. "Emergency" or "emergent" means a serious situation or occurrence that happens unexpectedly and demands immediate action, such as a medical condition manifesting itself by acute symptoms of sufficient severity including severe pain such that the absence of immediate medical attention could reasonably be expected, by a reasonable and prudent layperson, to result in placing the patient's health in serious jeopardy, serious impairment to bodily function or serious dysfunction of any bodily organ or part.
6. "Emergency transport" means the movement of an acutely ill or injured patient from the scene to a health care facility or the movement of an acutely ill or injured patient from one health care facility to another health care facility.
7. "Medicaid" means the medical assistance program established in Title XIX of the Social Security Act and administered in Oklahoma by the Oklahoma Health Care Authority (OHCA).
8. "Net operating revenue" means the gross revenues earned for providing emergency transports in Oklahoma excluding revenues earned for providing air ambulance services, non-emergency transports, and amounts refunded to or recouped, offset, or otherwise deducted by a patient or payer for ground medical transportation.
9. "Non-emergency transport" as defined in Part 33, 317:30-5-335.1, means the movement of any patient in an ambulance other than an emergency transport.
10. "Upper payment limit" means the lesser of the customary charges of the ASP or the prevailing charges in the locality of the ASP for comparable services under comparable circumstances, calculated according to methodology in an approved state plan amendment for the state Medicaid program.
11. "Upper payment limit gap" means the difference between the upper payment limit of the ASP and the Medicaid payments not financed using the ASP assessments made to all ASPs, provided that the upper payment limit gap shall not include air ambulance services.
(c) ASPAPP exemptions.

(1) Pursuant to 63 O.S. §§ 3242.1 through 3242.6 the OHCA is mandated to assess ASPs licensed in Oklahoma, unless exempted under (c)(2) of this Section, an ASP access payment program fee.

(2) The following ASPs are exempt from the ASPAPP fee:

   (A) Owned or operated by the state or a state agency, the federal government, a federally recognized Indian tribe, or the Indian Health Service.
   (B) Eligible for Supplemental Hospital Offset Payment Program (SHOPP) Medicaid reimbursement;
   (C) Provides air ambulance services only; or
   (D) Provides non-emergency transports only.

(d) The ASPAPP assessment.

(1) The ASPAPP assessment is imposed on each ambulance service provider, except those exempted under (c)(2) of this Section, for each calendar year in an amount calculated as a percentage of each ambulance service provider's net operating revenue.

(2) The assessment rate shall be determined annually based upon the percentage of net operating revenue needed to generate an amount up to the non-federal portion of the upper payment limit gap, plus the annual fee paid to OHCA for administrative expenses incurred in performing the activities, not to exceed $200,000 each year, plus the state share of ASP access payments for ASPs that participate in the assessment. At no time will the assessment rate exceed the maximum rate allowed by federal law or regulation.

(3) OHCA will review and determine the amount of annual assessment in December of each year in consultation with the Oklahoma Ambulance Alliance.

(4) The annual assessment is due and payable quarterly. However, a payment of the assessment will not be due and payable until:

   (A) OHCA issues written notice stating that the payment methodologies to the ASPs under 63 O.S. §§ 3242.1 through 3242.6 have been approved by the Centers for Medicare and Medicaid Services (CMS) and the waiver under 42 C.F.R. § 433.68 for the assessment, if necessary, has been granted by CMS.
   (B) OHCA has made all quarterly installments of the ASP access payments that were otherwise due, consistent with the effective date of the approved state plan.

(5) The method of collection of net operating revenue is as follows:

   (A) Annually, no later than January 31, OHCA will send all licensed ASPs the net operating revenue form. ASPs shall complete the forms and deliver them to OHCA or its contractor no later than March 31 of that year. ASPs that fail to return the net operating revenue form will have their assessment calculated based on the state per capita average assessment for that year. OHCA will send a notice of assessment to each ASP informing the provider of the assessment rate and the estimated annual amount owed by the ASP for the applicable calendar year.

   (B) The first notice of assessment will be sent within forty-five (45) days of receipt by OHCA of notice from the Centers for Medicare and Medicaid Services that the payments under 63 O.S. §§ 3242.1 through 3242.6, and if necessary, the waiver granted under 42 C.F.R. § 433.68 have been approved.

   (C) Annual notices of assessment will be sent at least forty-five (45) days before the due date for the first quarterly assessment payment of each calendar year. The ASP shall have thirty (30) days from the date of its receipt of a notice of assessment to review and verify the assessment rate and the estimated assessment amount.
(D) If an ASP operates, conducts, or maintains more than one (1) ASP in the state, the ASP will pay the assessment for each ASP separately. However, if the ASP operates more than one (1) ASP under one (1) Medicaid provider number, the ASP provider may pay the assessment for all such ASPs in the aggregate.

(6) The method of collection of the assessment fee is as follows:

(A) After the initial installment has been paid, each subsequent quarterly payment of an assessment will be due and payable by the 15th day on the first month of the applicable quarter (i.e., January 15th, April 15th, etc.)

(B) Failure to pay the amount by the 15th or failure to have the payment mailing postmarked by the 13th will result in a debt to the State of Oklahoma and is subject to penalties of five percent (5%) of the amount and interest of one and one-quarter percent (1.25%) per month.

(e) Penalties and adjustments

(1) If an ASP fails to timely pay the full amount of a quarterly assessment, OHCA will add to the assessment:

(A) A penalty equal to five percent (5%) of the quarterly amount not paid on or before the due date, and

(B) An additional five percent (5%) penalty on any unpaid quarterly and unpaid penalty amounts on the last day of each quarter after the due date until the assessed amount and the penalty imposed under subpart (A) of this paragraph are paid in full.

(2) The quarterly assessment including applicable penalties and interest must be paid regardless of any appeals action requested by the facility. If an ASP fails to pay the OHCA the assessment within the timeframes noted on the invoice to the provider, the assessment, applicable penalty, and interest will be deducted from the ASP’s payment.

(3) Any change in payment amount resulting from an appeals decision will be adjusted in future payments.

(4) If Medicaid reimbursement rates are adjusted, ASP rates may not be adjusted less favorably than the average percentage-rate reduction or increase applicable to the majority of other provider groups.

(f) Closure, merger, and new Ambulance Service Providers (ASPs).

(1) If an ASP ceases to operate as an ASP for any reason or ceases to be subject to the fee, the assessment for the year in which the cessation occurs is adjusted by multiplying the annual assessment by a fraction, the numerator of which is the number of days in the year during which the ASP is subject to the assessment and the denominator of which is three hundred sixty-five (365). Within thirty (30) days of ceasing to operate as an ASP, or otherwise ceasing to be subject to the assessment, the ASP will pay the assessment for the year as so adjusted, to the extent not previously paid.

(2) The ASP also shall receive payments under 63 O.S. §§ 3242.1 through 3242.6, for the calendar year in which the cessation occurs, which will be adjusted by the same fraction as its annual assessment.

(3) For new ASPs, the OHCA will calculate revenue to be assessed based on the population of the county for which the ASP is licensed. The per capita amount will be assigned and calculated based on the average net operating revenue per capita for all other ASPs in the state that are currently being assessed. Average revenue per capita will be used in this way through the end of the second calendar year.

(4) Any assessment paid by a provider on revenue subject to another health care related tax as defined in 42 CFR § 433.68 shall be a credit against any assessment due under these rules.
(g) **Disbursement of payment to ASPs.**

(1) To preserve and improve access to ambulance services, for ambulance services rendered on or after the approval of the ASPAPP by CMS, OHCA shall make ASP payments as set forth in this section. These payments are considered supplemental payments and do not replace any currently authorized Medicaid payments for ambulance services.

(2) OHCA shall pay all quarterly ASP access payments within ten (10) calendar days of the due date for the quarterly assessment payments established in subsection (d) of this section.

(3) OHCA shall calculate the ASP access payment amount as the balance of the ASPAPP Fund plus any federal matching funds earned on the balance up to but not to exceed the upper payment limit gap for all ASPs.

(4) All ASPs shall be eligible for ASP access payments each year as set forth in this subsection except ambulance services excluded or exempted in subsection (c)(2) of this section.

(5) Access payments shall be made on a quarterly basis.

(6) ASPs eligible to receive ASP access payments are those providers:

(A) Subject to this assessment; and

(B) That apply to receive the ASP access payment as provided in Section 317:30-5-345.

(7) An application by the ASP shall be submitted to OHCA to be eligible to receive payments.

(A) Not less than one-hundred eighty (180) days prior to the beginning of each state fiscal year, OHCA will send all qualified licensed ASPs an application for ASP access payments.

(B) The application will:

(i) Allow the ASP to submit all information needed to calculate that ASP's average commercial rate;

(ii) Provide that the application must be received by OHCA on a date which will be no less than one-hundred twenty (120) days prior to the beginning of the calendar year;

(iii) Explain that unless exempt from payment by law, the ASP will be required to pay the ASP assessment even if the provider fails to apply for the ASP access payments;

(iv) Explain that if the ASP fails to supply the Net Operating Revenue Survey, the assessment will be calculated based on the state per capita average assessment for that year; and

(v) Explain that the ASP will not be eligible to receive ASP access payments in the next calendar year if the application is not timely filed but will still be assessed based on the average assessment.

(C) An ASP that has previously received ASP access payments is required to make an application for such payments and provide the revenue survey no less than every three (3) years.

(8) The Average Commercial Rate will be calculated as follows:

(A) The ASP access payment shall be determined in a manner to bring the payments for these services up to the average commercial rate level as described in Section 317:30-5-345. The average commercial rate level is defined as the average amount payable by the commercial payers for the same service.

(B) OHCA shall align the paid Medicaid claims with the Medicare fees for each healthcare common procedure coding system (HCPCS) or current procedure terminology (CPT) code for the ASP and calculate the Medicare payment for those claims.

(C) OHCA shall calculate an overall Medicare to commercial conversion factor for each
qualifying ASP that submits an ASP access payment application by dividing the total amount of the average commercial payments for the claims by the total Medicare payments for the claims.

(D) The commercial to Medicare ratio for each provider will be redetermined every three (3) years.
This page intentionally left blank
317:30-5-95. General provisions and eligible providers

(a) Eligible settings for inpatient psychiatric services. The following individuals may receive SoonerCare-reimbursable inpatient psychiatric services in the following eligible settings:

1. Individuals under twenty-one (21) years of age, in accordance with OAC 317:30-5-95.23, may receive SoonerCare-reimbursable inpatient psychiatric services in a psychiatric unit of a general hospital, a psychiatric hospital, or a PRTF; and may receive chemical dependency detoxification/withdrawal management services in a psychiatric unit of a general hospital or in a psychiatric hospital.

2. Individuals ages twenty-one (21) and older may receive SoonerCare-reimbursable inpatient psychiatric and/or chemical dependency detoxification/withdrawal management services in a psychiatric unit of a general hospital or in a psychiatric hospital.

(b) Psychiatric hospitals and psychiatric units of general hospitals. To be eligible for payment under this Part, inpatient psychiatric programs must be provided to eligible SoonerCare members in a hospital that:

1. Is a psychiatric hospital that:
   (A) Successfully underwent a State survey to determine whether the hospital meets the requirements for participation in Medicare as a psychiatric hospital per 42 C.F.R. § 482.60; or
   (B) Is accredited by a national organization whose psychiatric accrediting program has been approved by CMS; or

2. Is a general hospital with a psychiatric unit that:
   (A) Successfully underwent a State survey to determine whether the hospital meets the requirements for participation in Medicare as a hospital as specified in 42 C.F.R. Part 482; or
   (B) Is accredited by a national accrediting organization whose accrediting program has been approved by CMS; and

3. Meets all applicable federal regulations, including, but not limited to:
   (A) Medicare Conditions of Participation for Hospitals (42 C.F.R. Part 482), including special provisions applying to psychiatric hospitals (42 C.F.R. § 482.60-62);
   (B) Medicaid for Individuals Age 65 or over in Institutions for Mental Diseases (42 C.F.R. Part 441, Subpart C);
   (C) Inpatient Psychiatric Services for Individuals under Age 21 in Psychiatric Facilities or Programs (42 C.F.R. Part 441, Subpart D); and/or
   (D) Utilization Control [42 C.F.R. Part 456, Subpart C (Utilization Control: Hospitals) or Subpart D (Utilization Control: Mental Hospitals)]; and

4. Is contracted with the OHCA; and

5. If located within Oklahoma and serving members under eighteen (18) years of age, is appropriately licensed by the Oklahoma Department of Human Services (OKDHS) as a
residential child care facility (10 O.S. §§ 401 to 402) that is providing services as a residential treatment facility in accordance with OAC 340:110-3-168.

(6) If located out of state, services must be provided within the licensure for each facility and scope of practice for each provider and supervising or rendering practitioner for the state in which the facility/provider is located. Services must be in compliance with the state-specific statutes, rules and regulations of the applicable practice act.

(c) PRTF. Every PRTF must:

1. Be individually contracted with OHCA as a PRTF;
2. Meet all of the state and federal participation requirements for SoonerCare reimbursement, including, but not limited to, 42 C.F.R. § 483.354, as well as all requirements in 42 C.F.R. 483 Subpart G governing the use of restraint and seclusion;
3. Be appropriately licensed by OKDHS as a residential child care facility (10 O.S. § 401 to 402) that is providing services as a residential treatment facility in accordance with OAC 340:110-3-168;
4. Be appropriately licensed and/or certified:
   A. If an in-state facility, by OKDHS as a residential child care facility (10 O.S. § 401 to 402) that is providing services as a residential treatment facility in accordance with OAC 340:110-3-168; or
   B. If an out-of-state facility, by the licensing or certifying authority of the state in which the facility does business and must provide an attestation to OHCA that the PRTF is in compliance with the condition of participation for restraint and seclusion, as is required by federal law.
5. Be appropriately certified by the State Survey Agency, the Oklahoma State Department of Health (OSDH) as meeting Medicare Conditions of Participation; and
6. Be accredited by TJC, the Council on Accreditation of Rehabilitation Facilities (CARF), or the Council on Accreditation (COA).

(d) Out-of-state PRTF. Any out-of-state PRTF must be appropriately licensed and/or certified in the state in which it does business, and must provide an attestation to OHCA that the PRTF is in compliance with the condition of participation for restraint and seclusion, as is required by federal law. Any out-of-state PRTF must also be accredited in conformance with OAC 317:30-5-95(c)(5).

(e) Required documents. The required documents for enrollment for each participating provider can be downloaded from the OHCA’s website.

317:30-5-95.24. Prior authorization of inpatient psychiatric services for individuals under twenty-one (21)

(a) All inpatient psychiatric services for members under twenty-one (21) years of age must be prior authorized by the OHCA or its designated agent. All inpatient Acute, Acute II, and PRTF services will be prior authorized for an approved length of stay. Admission requirements for services must be provided in accordance with 42 C.F.R. Part 441 and 456. Additional information will be required for SoonerCare-compensable approval on enhanced treatment units or in special population programs.

(b) Unit staffing ratios shall always meet the requirements in OAC 317:30-5-95.24 (c), (d), (h) and (i). Out-of-state facilities may adhere to the staffing requirements of the state in which the services are provided if the staff ratio is sufficient to ensure patient safety and that patients have reasonable and prompt access to services. The facility cannot use staff that is also on duty in other units of the
facility in order to meet the unit staffing ratios. Patients shall be grouped for accommodation by
gender, age, and treatment needs. At a minimum, children, adolescent, and adult treatment
programs shall be separate with distinct units for each population. A unit is determined by separate
and distinct sleeping, living, and treatment areas often separated by walls and/or doors. A unit that
does not allow clear line of sight due to the presence of walls or doors is considered a separate
unit. Each individual unit shall have assigned staff to allow for appropriate and safe monitoring of
patients and to provide active treatment.

(c) In Acute and Acute II settings, at least one (1) registered nurse (RN) must be on duty per unit
at all times, with additional RNs to meet program needs. RNs must adhere to Oklahoma State

(d) Acute, non-specialty Acute II, and non-specialty PRTF programs require a staffing ratio of one
(1) staff: six (6) patients during routine waking hours and one (1) staff: eight (8) patients during
time residents are asleep with twenty-four (24) hour nursing care supervised by an RN for
management of behaviors and medical complications. For PRTF programs, at a minimum, a
supervising RN must be available by phone and on-site within one (1) hour. If the supervising RN
is off-site, then an RN or licensed practical nurse (LPN) must be on-site to adhere to a twenty-four
(24) hour nursing care coverage ratio of one (1) staff: thirty (30) patients during routine waking
hours and one (1) staff: forty (40) patients during time residents are asleep.

(e) Specialty treatment at Acute II or PRTF is a longer-term treatment that requires a higher staff-
to-member ratio because of the need for constant, intense, and immediate reinforcement of new
behaviors to develop an understanding of the behaviors. The environment of specialized residential
treatment centers requires special structure and configuration (e.g., sensory centers for autistic
members) and specialized training for the staff in the area of the identified specialty. The physician,
Advanced Practice Registered Nurse (APRN) with psychiatric certification or Physician Assistant
(PA) will see the child at least once (1) time a week.

(f) An Acute II or PRTF will not be considered a specialty treatment program for SoonerCare
without prior approval of the OHCA behavioral health unit.

(g) A treatment program that has been approved as a specialized treatment program must maintain
medical records that document the degree and intensity of the psychiatric care delivered to the
members and must meet active treatment requirements found at OAC 317:30-5-95.34.

(h) Criteria for classification as a specialty Acute II will require a staffing ratio of one (1) staff:
four (4) patients at a minimum during routine waking hours and one (1) staff: six (6) patients
during time residents are asleep with twenty-four (24) hour nursing care supervised by a RN for
management of behaviors and medical complications. The specialty Acute II will be a secure unit,
due to the complexity of needs and safety considerations. Admissions and authorization for
continued stay for a specialty Acute II will be restricted to members who meet the medical
necessity criteria at OAC 317:30-5-95.29 and OAC 317:30-5-95.30 for the respective level of care
and meet the additional criteria found in the Behavioral Health Services Medical Necessity Criteria

(i) Criteria for classification as a specialty PRTF will require a staffing ratio of one (1) staff: four
(4) patients at a minimum during routine waking hours and one (1) staff: six (6) patients during
time residents are asleep with twenty-four (24) hour nursing care supervised by a RN for
management of behaviors and medical complications. The specialty PRTF will be a secure unit,
due to the complexity of needs and safety considerations. Admissions and authorization for
continued stay in a specialty PRTF will be restricted to members who meet the medical necessity
criteria at OAC 317:30-5-95.29 and OAC 317:30-5-95.30 for the respective level of care and meet the additional criteria found in the Behavioral Health Services Medical Necessity Criteria Manual, available on OHCA's website, www.okhca.org and www.oklahoma.gov/ohca.

(j) Non-authorized inpatient psychiatric services will not be SoonerCare compensable.

(k) For out-of-state placement policy, refer to OAC 317:30-3-89 through 317:30-3-92. A prime consideration for placements will be proximity to the family or guardian in order to involve the family or guardian in active treatment, including discharge and reintegration planning. Out-of-state facilities are responsible for insuring appropriate medical care, as needed under SoonerCare provisions, as part of the per-diem rate.

(l) Reimbursement for inpatient psychiatric services in all psychiatric units of general hospitals, psychiatric hospitals, and PRTFs are limited to the approved length of stay. OHCA, or its designated agent, will approve lengths of stay using the current OHCA Behavioral Health medical necessity criteria as described in OAC 317:30-5-95.25 through OAC 317:30-5-95.30. The approved length of stay applies to both facility and physician services.

317:30-5-95.40. Other required standards

The provider is required to maintain all programs and services according to applicable C.F.R. requirements, the Joint Commission1 (TJC) and American Osteopathic Association2 (AOA) standards for behavioral health care, Oklahoma State Department of Health's (OSDH) hospital standards for psychiatric care, and Oklahoma Department of Human Services2 (OKDHS) licensing standards for residential treatment facilities. PRTFs may substitute the Commission on Accreditation of Rehabilitation Facilities (CARF) accreditation in lieu of TJC or AOA accreditation. In addition to federal requirements, out-of-state inpatient psychiatric facilities must adhere to OAC 317:30-5-95 and 317:30-5-95.24.
317:30-5-95.6. Medical, psychiatric, and social evaluations for adults aged twenty-one (21) to sixty-four (64)

The record for an adult member aged twenty-one (21) to sixty-four (64) must contain complete medical, psychiatric, and social evaluations.

(1) The evaluations must be completed as follows:
   (A) History and Physical must be completed within twenty-four (24) hours of admission by a licensed independent practitioner [MD, DO, Allopathic Doctor, Osteopathic Doctor, Advanced Practice Registered Nurse (APRN), or Physician Assistant (PA)].
   (B) Psychiatric Evaluation must be completed within sixty (60) hours of admission by an Allopathic or Osteopathic Physician with a current license and a board certification/eligible in psychiatry, an APRN with a psychiatric certification or a PA.
   (C) Psychosocial Evaluation must be completed within seventy-two (72) hours of admission by a licensed independent practitioner (MD, DO, Allopathic Doctor, Osteopathic Doctor, APRN, or PA), a licensed behavioral health professional (LBHP), or a licensure candidate as defined in OAC 317:30-5-240.3.

(2) The evaluations must be clearly identified as such and must be signed and dated by the evaluator.

317:30-5-95.16. Medical psychiatric and social evaluations for persons sixty-five (65) years of age or older receiving inpatient acute psychiatric services

The record of a member sixty-five (65) years of age or older receiving inpatient acute psychiatric services must contain complete medical, psychiatric, and social evaluations.

(1) The evaluations must be completed as follows:
   (A) History and Physical must be completed within twenty-four (24) hours of admission by a licensed independent practitioner [MD, DO, Allopathic Doctor, Osteopathic Doctor, Advanced Practice Registered Nurse (APRN), or Physician Assistant (PA)].
   (B) Psychiatric Evaluation must be completed within sixty (60) hours of admission by an allopathic or osteopathic physician with a current license and a board certification/eligible in psychiatry, an APRN with a psychiatric certification or a PA.
   (C) Psychosocial Evaluation must be completed within seventy-two (72) hours of admission by a licensed independent practitioner (Allopathic Doctor, Osteopathic Doctor, APRN, or PA), a licensed behavioral health professional (LBHP), or a licensure candidate as defined in OAC 317:30-5-240.3.

(2) The evaluations must be clearly identified as such and must be signed and dated by the evaluator.

317:30-5-95.34. Active treatment for children

(a) The following words and terms, when used in this Section, shall have the following meaning, unless the context clearly indicates otherwise:
   (1) "Active treatment" means implementation of a professionally developed and supervised
individual plan of care (IPC) that involves the member and his or her family or guardian from the time of an admission, and through the treatment and discharge process.

(2) "Discharge/transition planning" means a patient-centered, interdisciplinary process that begins with an initial assessment of the member's needs at the time of admission and continues throughout the member's stay. Active collaboration with the member, family, and all involved outpatient practitioners and agencies should be ongoing throughout treatment so that effective connections remain intact. Needed services may consist of the wraparound process through Systems of Care, counseling, case management, and other supports in the member's community. The linkages with these supports should be made prior to discharge to allow for a smooth transition.

(3) "Expressive group therapy" means art, music, dance, movement, poetry, drama, psychodrama, structured therapeutic physical activities, and experiential (e.g., ropes course), recreational, or occupational therapies that encourage the member to express themselves emotionally and psychologically.

(4) "Family therapy" means interaction between an LBHP or licensure candidate, member, and family member(s) to facilitate emotional, psychological, or behavioral changes and promote successful communication and understanding.

(5) "Group rehabilitative treatment" means behavioral health remedial services, as specified in the individual care plan, which are necessary for the treatment of the existing primary behavioral health disorders and/or any secondary alcohol and other drug (AOD) disorders in order to increase the skills necessary to perform activities of daily living (ADL).

(6) "Individual rehabilitative treatment" means a face-to-face, one-on-one interaction which is performed to assist a member who is experiencing significant functional impairment due to the existing primary behavioral health disorder and/or any secondary AOD disorder, in order to increase the skills necessary to perform ADL.

(7) "Individual therapy" means a method of treating existing primary behavioral health disorders and/or any secondary AOD disorders using face-to-face, one-on-one interaction between an LBHP or licensure candidate and a member to promote emotional or psychological change to alleviate disorders.

(8) "Process group therapy" means a method of treating existing primary behavioral health disorders and/or secondary AOD disorders using the interaction between an LBHP or licensure candidate, and two (2) or more members to promote positive emotional and/or behavioral change.

(b) Inpatient psychiatric programs must provide "active treatment". Families and/or guardians must be notified of the dates and times of treatment team meetings and be welcomed to attend. Family members must attend family therapy weekly for continued SoonerCare reimbursement. Reasons for exceptions to this requirement must be well-documented in the member's treatment plan. Family therapy attendance by family members is not a requirement for individuals in the age range of eighteen (18) up to twenty-one (21). Active treatment also includes ongoing assessment, diagnosis, intervention, evaluation of care and treatment, and planning for discharge and aftercare under the direction of a physician.

(c) For individuals ages eighteen (18) up to twenty-one (21), the active treatment program must be appropriate to the needs of the member and be directed toward restoring and maintaining optimal levels of physical and psychiatric-social functioning. The services and the IPC must be recovery-focused, trauma-informed, specific to culture, age, and gender, and provided face to face. Services, including type and frequency, will be specified in the IPC.

(d) A treatment week consists of seven (7) calendar days. In an Acute setting, the treatment week begins the day of admission. In Acute II and PRTF, the treatment week starts on Sunday and ends
on Saturday. Active treatment service components are provided as per item (e) below if the services are provided within a seven (7) day treatment week. A chart outlining active treatment component requirements and timelines may also be found at www.okhca.org. If a member has a length of stay of less than seven (7) days, the treatment week is considered a partial treatment week. Active treatment requirements, when provided during a partial treatment week, are delivered as per item (f) below. An hour of treatment must be sixty (60) minutes. When appropriate to meet the needs of the child, the sixty (60) minute timeframe may be split into sessions of no less than fifteen (15) minutes each, on the condition that the active treatment requirements are fully met by the end of the treatment week.

(e) For individuals under age eighteen (18), the components of active treatment consist of face-to-face integrated therapies that are provided on a regular basis and will remain consistent with the member's ongoing need for care. The services and IPC must be recovery-focused, trauma-informed, and specific to culture, age, and gender. Individuals receiving services in an Acute setting must receive seventeen (17) hours of documented active treatment services each week, with seven (7) of those hours dedicated to core services as described in (1) below. Individuals in Acute II and PRTFs must receive fourteen (14) hours of documented active treatment services each week, with four and a half (4.5) of those hours dedicated to core services as described in (1) below. Upon fulfilling the core service hours requirement, the member may receive either the elective services listed in (2) below or additional core services to complete the total required hours of active treatment. The following components meet the minimum standards required for active treatment, although an individual child's needs for treatment may exceed this minimum standard:

1. **Core services.**
   
   (A) **Individual treatment provided by the physician, Advanced Practice Registered Nurse (APRN), or Physician Assistant (PA).** Individual treatment provided by the physician, APRN with psychiatric certification or PA is required three (3) times per week for Acute and one (1) time a week in Acute II and PRTFs. Individual treatment provided by the physician, APRN with psychiatric certification or PA will never exceed ten (10) calendar days between sessions in Acute II and PRTFs, and never exceed seven (7) calendar days in a specialty Acute II and specialty PRTF. Individual treatment provided by the physician, APRN with psychiatric certification or PA may consist of therapy or medication management intervention for Acute, Acute II, and PRTF programs.
   
   (B) **Individual therapy.** LBHPs or licensure candidates performing this service must use and document an approach to treatment such as cognitive behavioral treatment, narrative therapy, solution-focused brief therapy, or another widely accepted theoretical framework for treatment. Ongoing assessment of the member's status and response to treatment, as well as psycho-educational intervention, are appropriate components of individual therapy. Individual therapy must be provided in a confidential setting. The therapy must be goal-directed, utilizing techniques appropriate to the member's plan of care and the member's developmental and cognitive abilities. Individual therapy must be provided two (2) hours per week in Acute and one (1) hour per week in Acute II and PRTFs by an LBHP or licensure candidate. One (1) hour of family therapy may be substituted for one (1) hour of individual therapy at the treatment team's discretion.
   
   (C) **Family therapy.** The focus of family therapy must be directly related to the goals and objectives on the individual member's plan of care. Family therapy must be provided one (1) hour per week in Acute, Acute II, and PRTFs. One (1) hour of individual therapy addressing relevant family issues may be substituted for a family session in an instance in which the family is unable to attend a scheduled session by an LBHP or licensure candidate.
(D) **Process group therapy.** The focus of process group therapy must be directly related to goals and objectives on the individual member’s plan of care. The individual member’s behavior and the focus of the group must be included in each member’s medical record. This service does not include social skills development or daily living skills activities and must take place in an appropriate confidential setting, limited to the therapist, appropriate hospital staff, and group members. Group therapy must be provided three (3) hours per week in Acute and two (2) hours per week in Acute II and PRTFs by an LBHP or licensure candidate. In lieu of one (1) hour of process group therapy, one (1) hour of expressive group therapy provided by an LBHP, licensure candidate, or licensed therapeutic recreation specialist may be substituted.

(E) **Transition/discharge planning.** Transition/discharge planning must be provided one (1) hour per week in Acute and thirty (30) minutes per week in Acute II and PRTFs. Transition/discharge planning can be provided by any level of inpatient staff.

2. **Elective services.**
   
   (A) **Expressive group therapy.** Through active expression, inner strengths are discovered that can help the member deal with past experiences and cope with present life situations in more beneficial ways. The focus of the group must be directly related to goals and objectives on the individual member’s plan of care. Documentation must include how the member is processing emotions/feelings. Expressive therapy must be a planned therapeutic activity, facilitated by staff with a relevant bachelor's degree and/or staff with relevant training, experience, or certification to facilitate the therapy.

   (B) **Group rehabilitative treatment.** Examples of educational and supportive services, which may be covered under the definition of group rehabilitative treatment services, are basic living skills, social skills (re)development, interdependent living, self-care, lifestyle changes, and recovery principles. Each service provided under group rehabilitative treatment services must have goals and objectives directly related to the IPC.

   (C) **Individual rehabilitative treatment.** Services are provided to reduce psychiatric and behavioral impairment and to restore functioning consistent with the requirements of independent living and enhanced self-sufficiency. This service includes educational and supportive services regarding independent living, self-care, social skills (re)development, lifestyle changes, and recovery principles and practices. Each individual rehabilitative treatment service provided must have goals and objectives directly related to the IPC and the member’s diagnosis.

   (D) **Recreation therapy.** Services are provided to reduce psychiatric and behavioral impairment and to restore, remediate, and rehabilitate an individual's level of functioning and independence in life activities. Services are provided to promote health and wellness, as well as reduce or eliminate barriers caused by illness or disabling conditions that limit or restrict a member from participating in life activities. Recreational therapy can be provided in an individual or group setting. If the only activities prescribed for the individual are primarily diversional in nature, (i.e., to provide some social or recreational outlet for the individual), it will not be regarded as active treatment. If provided, recreational therapy must be a planned therapeutic activity, facilitated by a licensed therapeutic recreation specialist.

   (E) **Occupational therapy.** Services are provided to address developmental and/or functional needs related to the performance of self-help skills, adaptive behavioral, and/or sensory, motor, and postural development. Services include therapeutic goal-directed activities and/or exercises used to improve mobility and ADL functions when such functions have been impaired due to illness or injury. Services must be provided by an
occupational therapist appropriately licensed in the state in which he or she practices.

(F) **Wellness resource skills development.** Services include providing direction and coordinating support activities that promote physical health. The focus of these activities should include areas such as nutrition, exercise, support to avert and manage physical health concerns like heart disease, diabetes, and cholesterol, and guidance on the effects that medications have on physical health. Services can include individual/group support, exercise groups, and individual physical wellness plan development, implementation, and assistance.

(3) **Modifications to active treatment.** When a member is too physically ill, or his or her acuity level precludes him or her from active behavioral health treatment, documentation must demonstrate that alternative clinically-appropriate services were provided.

(f) Active treatment components, furnished during a partial treatment week, are provided as per item (1) through (4) below. A chart outlining active treatment component requirements and timelines may also be found at www.okhca.org. Assessments/evaluations may serve as the initial individual or family session if completed by an LBHP or licensure candidate. Start and stop time must be documented. Active treatment begins the day of admission. Days noted are calendar days.

1. **Individual treatment provided by the physician, APRN or PA.**
   (A) In Acute, by day two (2), one (1) visit is required. By day four (4), two (2) visits are required. By day seven (7), three (3) visits are required.
   (B) In Acute II and PRTFs, one (1) visit during admission week is required. In PRTFs, one (1) visit during the admission week is required, then once a week thereafter. Individual treatment provided by the physician, APRN with psychiatric certification or PA will never exceed ten (10) days between sessions in Acute II and PRTFs, never exceed seven (7) days in specialty Acute II and specialty PRTFs. The completion of a psychiatric evaluation or a combined psychiatric evaluation and a history and physical (H&P) evaluation may count as the first visit by the physician if the evaluation was personally rendered by the psychiatrist, APRN with psychiatric certification or PA. If the member is admitted on the last day of the admission week, then the member must be seen by a physician, APRN with psychiatric certification or PA within sixty (60) hours of admission time.

2. **Individual therapy.**
   (A) In Acute, by day three (3), thirty (30) minutes of treatment are required. By day five (5), one (1) hour of treatment is required. Beginning on day seven (7), two (2) hours of treatment are required each week. This does not include admission assessments/evaluations or psychosocial evaluations unless personally (face to face) rendered by the LBHP or licensure candidate.
   (B) In Acute II and PRTFs, by day six (6), thirty (30) minutes of treatment must be documented. Beginning on day seven (7), one (1) hour of treatment is required each week. The treatment week is defined as Sunday through Saturday. Individual therapy may not exceed a total of ten (10) days between sessions. This does not include admission assessment/evaluation or psychosocial evaluations unless personally (face to face) rendered by the LBHP or licensure candidate.

3. **Family therapy.**
   (A) In Acute, by day six (6), thirty (30) minutes of treatment must be documented. Beginning on day seven (7), one (1) hour of treatment is required each week. This does not include admission assessments/evaluations or psychosocial evaluations unless personally (face to face) rendered by the LBHP or licensure candidate and the assessments/evaluation or psychosocial evaluation has not been used to substitute the
initial individual therapy requirement.

(B) In Acute II and PRTFs, by day six (6), thirty (30) minutes of treatment must be documented. Beginning on day seven (7), one (1) hour of treatment is required each week. This does not include admissions assessment/evaluation or psychosocial evaluation unless personally (face to face) rendered by the LBHP or licensure candidate and the assessment/evaluation or psychosocial evaluation has not been used to substitute the initial individual therapy requirement. Family therapy provided by the LBHP or licensure candidate should not exceed ten (10) days in between sessions.

(4) Process group therapy.

(A) In Acute, by day three (3), one (1) hour of treatment is required. By day five (5), two (2) hours of treatment are required. Beginning on day seven (7), three (3) hours of treatment are required each week.

(B) In Acute II and PRTFs, by day five (5), one (1) hour of treatment is required. Beginning on day seven (7), two (2) hours of treatment are required each week.

(g) When an individual is determined to be too ill to participate in treatment, as determined by medical/nursing staff [registered nurse (RN)/licensed practical nurse (LPN)], documentation must be in the record clearly indicating the reason, limitations, and timeframe for those services to be excused without penalty.

317:30-5-95.37. Medical, psychiatric, and social evaluations for inpatient services for children

The member's medical record must contain complete medical, psychiatric, and social evaluations.

(1) These evaluations are considered critical documents to the integrity of care and treatment and must be completed as follows:

(A) History and physical evaluation must be completed within twenty-four (24) hours of admission by a licensed independent practitioner (M.D., D.O., A.P.N., or P.A.) [Allopathic Doctor, Osteopathic Doctor, Advanced Practice Registered Nurse (APRN), or Physician Assistant (PA)] in Acute, Acute II, and PRTFs.

(B) Psychiatric evaluation must be completed within sixty (60) hours of admission by an allopathic or osteopathic physician with a current license and a board certification/eligible in psychiatry, APRN with a psychiatric certification or PA in Acute, Acute II, and PRTFs.

(C) Psychosocial evaluation must be completed within seventy-two (72) hours of an Acute admission, and within seven (7) calendar days of admission to Acute II and PRTFs by a licensed independent practitioner (M.D., D.O., A.P.N., or P.A.) (Allopathic Doctor, Osteopathic Doctor, APRN, or PA), LBHP, or licensure candidate.

(2) Each of the evaluations must be clearly identified as such and must be signed and dated by the evaluators.

(3) Each of the evaluations must be completed when the member changes levels of care if the existing evaluation is more than thirty (30) calendar days from admission. For continued stays at the same level of care, evaluations remain current for twelve (12) months from the date of admission and must be updated annually within seven (7) calendar days of that anniversary date.

(4) Existing evaluations of thirty (30) days or less may be used when a member changes provider or level of care. The evaluation(s) must be reviewed, updated as necessary, and signed and dated by the appropriate level of professional as defined by the type of evaluation.
317:30-5-210. Eligible providers

All eligible medical suppliers must have a current contract with the Oklahoma Health Care Authority (OHCA). The supplier must comply with all applicable state and federal laws. All suppliers of medical supplies, equipment, and appliances must be accredited by a Medicare deemed accreditation organization for quality standards for durable medical equipment (DME) suppliers in order to bill the SoonerCare program. OHCA may make exceptions to this standard based on the exemptions provided by the Centers for Medicare and Medicaid Services (CMS) for Medicare accreditation, if the provider is a government-owned entity, or at a provider's request and at the discretion of OHCA based on access issues and/or agency needs for SoonerCare members. Additionally, unless an exception is granted from the OHCA, all DME providers must meet the following criteria:

1. DME providers are required to have a physical location in the State of Oklahoma, or within a designated range of the Oklahoma State border, as determined by the OHCA. The OHCA may make exceptions to this requirement if a DME provider provides a specialty item, product, or service, which is not otherwise available to SoonerCare members within the State of Oklahoma. Provider contracts for out-of-state DME providers will be reviewed on a case-by-case basis for specialty items only. The OHCA has discretion and the final authority to approve or deny any provider contract.

2. DME providers are required to comply with Medicare DME Supplier Standards for medical supplies, equipment, and appliances provided to SoonerCare members, except the requirement to meet surety bond requirements, as specified in 42 Code of Federal Regulations (C.F.R.) 424.57(c).

3. Complex rehabilitation technology (CRT) suppliers are considered DME providers. Only CRT suppliers may bill CRT procedure codes. A CRT supplier means a company or entity that:
   (A) Is accredited by a recognized accrediting organization as a supplier of CRT;
   (B) Is an enrolled Medicare supplier and meets the supplier and quality standards established for DME suppliers, including those for CRT, under the Medicare program;
   (C) Employs as a W-2 employee at least one (1) qualified CRT professional, also known as assistive technology professional, for each location to:
      (i) Analyze the needs and capacities of complex-needs patients in consultation with qualified health care professionals;
      (ii) Participate in selecting appropriate CRT items for such needs and capacities; and
      (iii) Provide the complex-needs patient technology related training in the proper use and maintenance of the CRT items.
   (D) Requires a qualified CRT professional be physically present for the evaluation and determination of the appropriate CRT;
   (E) Has the capability to provide service and repair by qualified technicians for all CRT items it sells; and
(F) Provides written information to the complex-needs patient prior to ordering CRT as to how to access service and repair.

(4) For additional requirements regarding DME providers of donor human breast milk, please refer to OAC 317:30-5-211.29.

317:30-5-211.20. Enteral nutrition
(a) **Enteral nutrition.** Enteral nutrition is the delivery of nutrients directly into the stomach, duodenum, or jejunum.

(b) **Medical necessity.** Enteral nutrition supplies must be determined by a provider to be medically necessary and documented in the member’s plan of care as medically necessary and used for medical purposes. Requests by qualified providers for enteral nutrition supplies in and of itself shall not constitute medical necessity. The Oklahoma Health Care Authority (OHCA) shall serve as the final authority pertaining to all determinations of medical necessity. Refer to Oklahoma Administrative Code (OAC) 317:30-5-211.2 and 317:30-3-1(f) for policy on medical necessity.

(c) **Documentation.** All documentation submitted to request services must demonstrate, through adequate objective medical records, evidence sufficient to justify the member’s need for the service, in accordance with OAC 317:30-3-1(f)(2). Documentation must include:

1. Diagnosis;
2. Certificate of medical necessity (CMN);
3. Ratio data;
4. Route;
5. Caloric intake; and
6. Prescription.
7. For full guidelines, please refer to www.okhca.org/mau.

(d) **Reimbursement.**
1. Extension sets and Farrell bags are not covered when requested separately from the supply kits;
2. Enteral nutrition for individuals in long-term care facilities is not separately reimbursed as this is included in the per diem rate.

(e) **Non-covered items.** The following are non-covered items:
1. Orally administered enteral products and/or related supplies;
2. Formulas that do not require a prescription unless administered by tube;
3. Food thickeners, human breast milk, and infant formula;
4. Pudding and food bars; and
5. Nursing services to administer or monitor the feedings of enteral nutrition.

317:30-5-211.29. Donor Human Breast Milk
(a) **Donor human breast milk.** Donor human breast milk is pasteurized donor human milk which has been donated to a Human Milk Banking Association of North America (HMBANA) milk bank. Upon donation, it is screened, pooled, and tested so that it can be dispensed. All donor mothers require screening and approval by a HMBANA milk bank, and additionally, all donor milk is logged, pasteurized, and monitored.

(b) **Provider qualifications.** Donor human breast milk must be obtained from a milk bank accredited by, and in good standing with, the HMBANA and be contracted with the Oklahoma Health Care Authority (OHCA) as a Durable Medical Equipment (DME) provider.

(c) **Medical necessity criteria.** To qualify to receive donor human breast milk the infant must
meet medically necessary criteria, which can include but not limited to the following conditions:

(1) Other feeding options have been exhausted or are contraindicated; and

(2) Baby’s biological mother’s milk is contraindicated, unavailable due to medical or psychosocial condition, or mother’s milk is available but is insufficient in quantity or quality to meet the infant’s dietary needs, as reflected in medical records or by a physician (MD or DO), physician’s assistant, or advanced practice nurse; and

(3) Donor human breast milk must be procured through a HMBANA entity and delivered through a contracted provider, facility, or the supplier (HMBANA-accredited milk bank); and

(A) Requests for coverage over thirty-five (35) ounces per day, per infant, shall require review and approval by an OHCA Medical Director; and

(B) Coverage shall be extended for as long as medically necessary, but not to exceed an infant's twelve (12) months of age; and

(C) A new prior authorization will be required every ninety (90) days.

(4) The infant has one (1) or more of the following conditions:

(A) Infant born at Very Low Birth Weight (VLBW) (less than 1,500 grams) or lower; or

(B) Gastrointestinal anomaly, metabolic/digestive disorder, or recovery from intestinal surgery where digestive needs require additional support; or

(C) Diagnosed failure to thrive; or

(D) Formula intolerance with either documented feeding difficulty or weight loss; or

(E) Infant hypoglycemia; or

(F) Congenital heart disease; or

(G) Pre or post organ transplant; or

(H) Other serious health conditions where the use of donor human breast milk has been deemed medically necessary and will support the treatment and recovery of the infant as reflected in the medical records or by a physician (MD or DO), physician’s assistant, or advanced practice nurse.

(5) For full guidelines, including the medically necessary criteria, please refer to www.okhca.org/mau.

(d) Documentation. All documentation submitted to request services must demonstrate, through adequate objective medical records, evidence sufficient to justify the member's need for the service, in accordance with OAC 317:30-5-211.20(c). Documentation must include:

(1) A prescription from a contracted provider [a physician (MD or DO), physician’s assistant, or advanced practice nurse]. The prescription must include but not limited to:

(A) Name of infant, address and diagnoses;

(B) Parent name and phone number or email;

(C) Donor human breast milk request form;

(D) Number of ounces per day, week, or month needed; and

(E) Prescriptions must be written on a prescription notepad and signed off by an authorized provider.

(F) For full guidelines, please refer to www.okhca.org/mau.

(2) Donor human breast milk is excluded from requiring a CMN.

(e) Reimbursement. Donor human breast milk is reimbursed as follows:

(1) When donor human breast milk is provided in the inpatient setting, it will be reimbursed within the prospective Diagnosis Related Group (DRG) payment methodology for hospitals as authorized under the Oklahoma Medicaid State Plan.
(2) When donor human breast milk is provided in an outpatient setting as a medical supply benefit, it will be reimbursed as a durable medical equipment, supplies, and appliances (DME) item in accordance with the OHCA fee schedule.
317:25-7-5. Primary care providers (PCPs)

For provision of health care services, the OHCA contracts with qualified PCPs. All providers serving as PCPs must have a valid SoonerCare Fee-for-Service contract as well as an exercised SoonerCare Choice addendum. Additionally, all PCPs, excluding provider or physician groups must agree to accept a minimum capacity of fifty (50) patients; provided, however, this does not guarantee PCPs a minimum patient volume. PCPs are limited to:

1. **Physicians.** Any physician licensed to practice medicine in the state in which he or she practices who is engaged in a general practice or in family medicine, general internal medicine or general pediatrics may serve as a PCP. Out-of-state PCPs are required to comply with all access standards imposed on Oklahoma physicians, as well as Oklahoma Administrative Code (OAC) 317:30-3-89 through 317:30-3-92.

   (A) For physicians serving as SoonerCare Choice PCPs, the State caps the number of members per physician at two thousand, five hundred (2,500). If a physician practices at multiple sites, the capacity at each site is determined based on the number of hours per week the physician holds office hours, not to exceed one (1) FTE. Thus, the physician cannot exceed a maximum total capacity of two thousand, five hundred (2,500) members.

   (B) In areas of the state where cross-state utilization patterns have developed because of limited provider capacity in the state the OHCA may authorize contracts with out-of-state providers for PCP services. Out-of-state PCPs are required to comply with all access standards imposed on Oklahoma physicians, as well as Oklahoma Administrative Code (OAC) 317:30-3-89 through 317:30-3-92.

2. **Advanced Practice Registered Nurses (APRNs).** APRNs who have prescriptive authority may serve as PCPs for the Primary Care Case Management delivery system if licensed to practice in the state in which he or she practices. APRNs who have prescriptive authority may serve as PCPs for a maximum number of one thousand, two hundred and fifty (1,250) members.

3. **Physician Assistants (PAs).** PAs may serve as PCPs if licensed to practice in the state in which he or she practices. PAs may serve as PCPs for a maximum number of one thousand, two hundred and fifty (1,250) members.

4. **Indian Health Service (IHS) Facilities and Federally Qualified Health Center (FQHC) provider groups and Rural Health Clinics (RHC).**

   (A) IHS facilities whose professional staff meet the general requirements in paragraphs (1) through (3) of this Section and the provider participation requirements at OAC 317:30-5-1088 may serve as PCPs.

   (B) FQHCs whose professional staff meet the general requirements in paragraphs (1) through (3) of this Section and the provider participation requirements in OAC 317:30-5-660.2 may serve as PCPs.

   (C) RHCs whose professional staff meet the general requirements in paragraphs (1) through (3) of this Section and the provider participation requirements in OAC 317:30-5-355 may serve as PCPs.

5. **Provider or physician group capacity and enrollment.**
(A) Provider or physician groups must agree to accept a minimum enrollment capacity and may not exceed two thousand, five hundred (2,500) members per physician participating in the provider group of fifty (50) members.
(B) If licensed PAs or APRNs are members of a group, the capacity may be increased by one thousand, two hundred and fifty (1,250) members if the provider is available full-time.
(C)(B) Provider or physician groups must designate a medical director to serve as the primary contact with OHCA.
TITLE 317. OKLAHOMA HEALTH CARE AUTHORITY
CHAPTER 30. MEDICAL PROVIDERS - FEE FOR SERVICE

SUBCHAPTER 3. GENERAL PROVIDER POLICIES

PART 1. GENERAL SCOPE AND ADMINISTRATION

317:30-3-35. Oklahoma State Health Information Network and Exchange (OKSHINE) Statewide Health Information Exchange

(a) Authority. This rule is promulgated under the authority granted in Title 63 of the Oklahoma Statutes Section 1-133 (63 O.S. § 1-133). This Section is intended to be read in conjunction with applicable Oklahoma statutes and federal law.

(b) Applicability and purpose.

(1) Applicability. This section shall apply to and govern the establishment and operation of the statewide health information exchange (HIE), herein referred to as OKSHINE.

(2) Purpose. OKSHINE is the state-designated organization that facilitates the exchange of health information to and from authorized individuals and health care organizations in the state for the purpose of improving health outcomes, as per 63 O.S. § 1-133. The Office of the State Coordinator for HIE is the office within the Oklahoma Health Care Authority (OHCA) that holds the power and duty to oversee the state-designated entity for health information exchange, as described under 63 O.S. § 1-133.

(c) Definitions. The following words and terms, when used in this Section, shall have the following meaning, unless the context clearly indicates otherwise:

(1) "OKSHINE" means an organization that oversees, governs, and facilitates health information exchange among health care providers that are not related health care organizations as defined in the Oklahoma Statutes, to improve the security of patient information, coordination of patient care, and the efficiency of health care delivery.

(2) "Participant" means an organization, health care practitioner or institution, health plan, or health care clearinghouse who has executed a written participation agreement (PA) and business associate agreement (BAA) with OKSHINE.

(3) "Participant agreement" means the agreement between OKSHINE and a participant which authorizes the participant to have access to OKSHINE and outlines the policies and procedures for access, protection, and use of the electronic protected health information.

(4) "Oklahoma Statewide Health Information Exchange (OKHIE)" means a certified HIE as referenced in 63 O.S. § 1-133 whose primary business activity is health information exchange.

(1) "Health care provider" means the following individuals and organizations who are licensed pursuant to the laws of the State of Oklahoma and includes organizations who employ or contract with such licensed individuals for the purpose of providing services associated with their licenses to residents of Oklahoma:

(A) A hospital or related institution licensed pursuant to 63 O.S. § 1-702;
(B) Nursing facilities licensed pursuant to 63 O.S. § 1-1903;
(C) Doctors as specified in 59 O.S. § 725.2, subsection A, paragraphs 1 through 9;
(D) Physical therapists as specified in 59 O.S. § 887.2, paragraph 3;
(E) Physician assistants as specified in 59 O.S. § 519.2, paragraph 5;
(F) Pharmacists as specified in 59 O.S. § 353.1, paragraph 15;
(G) Nurses as specified in 59 O.S. § 567.3a, paragraphs 3 through 10;
(H) Licensed Mental Health Professionals as specified in 43a O.S. § 1-103; and
(I) Home Health Care Agencies and/or providers licensed pursuant to 63 O.S. § 1-1965.

(2) "Health care provider organization" means the legal entity that offers the services of health care providers to patients in Oklahoma.

(3) "Report data to" means that health care providers shall establish a direct, secure connection to the state designated entity for HIE and submit data in the form and format as defined on the Office of the State Coordinator for HIE website.

(4) "State designated entity (SDE)" means the health information exchange organization designated by the State of Oklahoma under 63 O.S. § 1-133. The name and contact information for the state designated entity for HIE is found on the Office of the State Coordinator for HIE website.

(5) "Utilize" means to actively use the HIE services to securely access records during and/or in support of patient treatment or health care operations.

(d) OKHIE Certification. Per 63 O.S. § 1-133, an initial certification and an annual recertification will be required for health information exchanges to qualify as an OKHIE. In order to receive certification, the applying HIE must submit an application to the Oklahoma Health Care Authority (OHCA) and provide all requested documentation. The application and standards for certification shall be posted on the OHCA OKSHINE public website.

1. The OHCA shall establish a health information exchange certification with input from stakeholders.
2. Until such time as the health information exchange certification is established by the OHCA, an OKSHINE or an HIE organization that was previously certified by the Oklahoma Health Information Exchange Trust (OHIET) shall be deemed an OKHIE.
3. An HIE must provide documentation of certification from OHIET to OHCA in order to receive initial OKHIE certification.

(e) Fees.

1. Certification fees. Each health information exchange which applies for certification, will be required to pay annual certification/recertification fees. The OHCA will develop the certification criteria and will publish the criteria and associated fees, when available, on the OHCA OKSHINE public website.
2. Participant fees. Each participant, as defined in this section, will be required to pay an annual participation fee as outlined in the participant agreement. The OHCA will develop the criteria for the fees and will publish the criteria when available. The participant agreement and fee schedule will be posted on the OHCA OKSHINE public website.

(d) Required participation.

1. By July 1, 2023, all health care providers as defined above and who are licensed by and located in the state of Oklahoma shall report data to and utilize the SDE.
2. The state acknowledges that establishing the connection to the HIE can take substantial time to complete. A health care provider will be considered to have met the requirement to report data to the SDE as long as the provider is actively engaged with the HIE in the onboarding process of connecting to the HIE, and as reported by the SDE.
3. In order to meet the requirement to utilize the SDE, each health care provider or their health care provider organization shall secure access to HIE services by the following:
   A. Completing and maintaining an active participation agreement with the SDE for HIE;
   B. Executing annually an order form electing at a minimum the set of core services relevant to the provider practice or organization; and
(C) Maintaining good standing as a participating organization in the SDE for HIE by remaining compliant with the terms and conditions, network policies and procedures, and paying all fees associated with the services elected on the order form.

(4) Each health care provider or health care provider organization will provide a utilization report from the SDE to the Office of the State Coordinator for HIE on an annual basis. Utilization metrics and benchmarks will be determined annually by the Office of the State Coordinator for HIE in consultation with the board of directors of the SDE and will be published three (3) months prior to the commencement of each State Fiscal Year.

(e) **Hardship exemption.**

(1) The Office of the State Coordinator for HIE may allow exemptions from the requirement to report data to and utilize the SDE beginning July 1, 2023, on the basis of financial hardship, size, or technological capability of a health care provider or organization or such other bases as may be provided by rules promulgated by OHCA.

(2) Any health care provider or health care provider organization as defined above that believes they will fall under hardship in order to meet the requirements to report data to and utilize the SDE must submit a request for exemption providing detailed justification as to the hardship they will sustain as specified on the Office of the State Coordinator for HIE website.

(3) The authorization of a hardship exemption does not exclude the provider from having to meet the requirements to report data to and utilize the SDE but will provide additional time for the provider to mitigate their hardship in doing so.
317:35-5-2. Categorically related programs
(a) In order to be eligible for SoonerCare, an individual must first meet the description of a member eligibility group. For individuals related to the aged, blind, or disabled groups, categorical relationship is established using the same definitions of age, disability and blindness as used by the Social Security Administration (SSA) in determining eligibility for Supplemental Security Income (SSI) or SSA benefits. If the individual is an SSA/SSI recipient in current payment status (including presumptive eligibility), a Temporary Assistance for Needy Families (TANF) recipient, an adoption assistance or kinship guardianship assistance recipient, or is under age nineteen (19), categorical relationship is automatically established. For individuals related to expansion adults the categorical relationship is established and defined by 42 Code of Federal Regulations (C.F.R.) § 435.119. Categorical relationship to the pregnancy group is established when the determination is made by medical evidence that the individual is or has been pregnant. Verification of pregnancy is only required if the individual's declaration that she is pregnant is not reasonably compatible with other information available to the agency. Pregnancy-related services include all medical services provided within the scope of the program during the prenatal, delivery and postpartum periods for women in this pregnancy group; see Subchapter 22 of this Chapter for services for unborn children covered under Title XXI. For an individual age nineteen (19) or over to be related to the parent and caretaker relative group, the individual must have a minor dependent child. For an individual to be related to the former foster care children group, the individual must not be eligible for the Title XIX pregnancy or parent or caretaker relative groups, must be aged nineteen (19) to twenty-six (26), and must have been receiving SoonerCare as a foster care child when he/she aged out of foster care in Oklahoma. There is no income or resource test for the former foster care children group. Categorical relationship to refugee services is established in accordance with OAC 317:35-5-25. Categorical relationship for the Breast and Cervical Cancer (BCC) treatment program is established in accordance with Subchapter 21 of this Chapter. Categorical relationship for the SoonerPlan family planning program is established in accordance with OAC 317:35-5-8. Categorical relationship for pregnancy related benefits covered under Title XXI is established in accordance with Subchapter 22 of the Chapter. Benefits for pregnancies covered under Title XXI medical services are provided within the scope of the program during the prenatal, delivery and postpartum care when included in the global delivery payment. To be eligible for SoonerCare benefits, an individual must be related to one (1) of the following eligibility groups and as defined above in this Section:
(1) Aged;
(2) Disabled;
(3) Blind;
(4) Pregnancy;
(5) Children, including newborns deemed eligible;
(6) Parents and caretaker relatives;
(7) Refugee;
(8) BCC treatment program;
(9) SoonerPlan family planning program;
(10) Benefits for pregnancies covered under Title XXI;
(11) Former foster care children; or
(12) Expansion adults.

(b) The Authority may provide SoonerCare to reasonable categories of individuals under age twenty-one (21).

(1) Individuals eligible for SoonerCare benefits include individuals between the ages of nineteen (19) and twenty-one (21):
   (A) For whom a public agency is assuming full or partial financial responsibility who are in custody as reported by OKDHS and in foster homes, private institutions or public facilities; or
   (B) In adoptions subsidized in full or in part by a public agency; or
   (C) Individuals under age twenty-one (21) receiving active treatment as inpatients in public psychiatric facilities or programs if inpatient psychiatric services for individuals under age twenty-one (21) are provided under the State Plan and the individuals are supported in full or in part by a public agency; or

(2) Individuals eligible for SoonerCare benefits include individuals between the ages of eighteen (18) and twenty-one (21) if they are in custody as reported by OKDHS on their eighteenth (18th) birthday and living in an out of home placement.

(a) In order to be eligible for SoonerCare, an individual must first meet the description of a member eligibility group.

(1) For individuals related to the aged, blind, or disabled groups, categorical relationship is established using the same definitions of age, disability, and blindness as used by the Social Security Administration (SSA) in determining eligibility for Supplemental Security Income (SSI) or SSA benefits.

(2) If the individual is a SSA/SSI recipient in current payment status (including presumptive eligibility), a Temporary Assistance for Needy Families (TANF) recipient, an adoption assistance or kinship guardianship assistance recipient, or is under age nineteen (19), categorical relationship is automatically established.

(3) For individuals related to expansion adults the categorical relationship is established and defined by 42 Code of Federal Regulations (C.F.R.) § 435.119.

(4) Categorical relationship to the pregnancy group is established when the determination is made by medical evidence that the individual is or has been pregnant. Verification of pregnancy is only required if the individual's declaration that she is pregnant is not reasonably compatible with other information available to the agency. Pregnancy-related services include all medical services provided within the scope of the program during the prenatal, delivery and postpartum periods for women in this pregnancy group; see Subchapter 22 of this Chapter for services for unborn children covered under Title XXI.

(5) For an individual age nineteen (19) or over to be related to the parent and caretaker relative group, the individual must have a minor dependent child.

(6) For an individual to be related to the former foster care children group, the individual must have been receiving Medicaid benefits as a foster care child in Oklahoma or another state when he/she attained the age of eighteen (18), or aged out of foster care, until he/she reaches the age of twenty-six (26). If the individual aged out of foster care in a state other than Oklahoma, the date of ageing out had to occur on January 1, 2023, or later, and the individual must now be residing in Oklahoma. There is no income or resource test for the former foster care children group.
care children group.  
(7) Categorical relationship to refugee services is established in accordance with OAC 317:35-5-25.  
(8) Categorical relationship for the Breast and Cervical Cancer (BCC) treatment program is established in accordance with Subchapter 21 of this Chapter.  
(9) Categorical relationship for the SoonerPlan family planning program is established in accordance with OAC 317:35-5-8.  
(10) Categorical relationship for pregnancy related benefits covered under Title XXI is established in accordance with Subchapter 22 of the Chapter. Benefits for pregnancies covered under Title XXI medical services are provided within the scope of the program during the prenatal, delivery and postpartum care when included in the global delivery payment.  
(b) To be eligible for SoonerCare benefits, an individual must be related to one (1) of the following eligibility groups and as defined above in this Section:  
(1) Aged;  
(2) Disabled;  
(3) Blind;  
(4) Pregnancy;  
(5) Children, including newborns deemed eligible;  
(6) Parents and caretaker relatives;  
(7) Refugee;  
(8) BCC treatment program;  
(9) SoonerPlan family planning program;  
(10) Benefits for pregnancies covered under Title XXI;  
(11) Former foster care children; or  
(12) Expansion adults.  
(c) The Authority may provide SoonerCare to reasonable categories of individuals under age twenty-one (21).  
(1) Individuals eligible for SoonerCare benefits include individuals between the ages of nineteen (19) and twenty-one (21):  
(A) For whom a public agency is assuming full or partial financial responsibility who are in custody as reported by Oklahoma Human Services (OKDHS) and in foster homes, private institutions or public facilities; or  
(B) in adoptions subsidized in full or in part by a public agency; or  
(C) Individuals under age twenty-one (21) receiving active treatment as inpatients in public psychiatric facilities or programs if inpatient psychiatric services for individuals under age twenty-one (21) are provided under the State Plan and the individuals are supported in full or in part by a public agency; or  
(2) Individuals eligible for SoonerCare benefits include individuals between the ages of eighteen (18) and twenty-one (21) if they are in custody as reported by OKDHS on their eighteenth (18th) birthday and living in an out-of-home placement.
This page intentionally left blank
and is used to provide dental services to eligible SoonerCare members on-site in accordance with Title 59 of Oklahoma Statutes (O.S.), Section 328.3 (59 O.S. § 328.3).

(b) Eligible providers. For dental services provided at a mobile dental unit to be eligible for SoonerCare reimbursement, a dental group shall meet all applicable requirements set forth in the Oklahoma Board of Dentistry rules, the Oklahoma State Dental Act (59 O.S., Ch. 7), and the requirements in this Section, including but not limited to, all licensing and permitting requirements.

(1) All dentists working at a mobile dental unit shall be currently licensed in good standing with the Oklahoma Board of Dentistry. All other contracted providers of the dental group, working at a mobile dental unit, shall meet all credentialing/certification requirements, as per their specialty. In addition, all members of the dental group working at a mobile dental unit shall comply with the requirements at Oklahoma Administrative Code (OAC) 317:30-5-695.

(2) The license, certification, accreditation, and/or permit (or a photocopy of these documents) of every individual provider in the dental group shall be prominently displayed at the mobile dental unit, pursuant to 59 O.S., Section (§) 328.21.

(3) For services provided in a mobile dental unit, the permit to operate the mobile dental unit shall be prominently displayed in the mobile dental unit vehicle, pursuant to 59 O.S. §328.40a.

(4) In accordance with OAC 317:30-5-695.1, every dental group providing services at a mobile dental unit must be fully contracted with the Oklahoma Health Care Authority (OHCA) as a dental group provider and must also be fully contracted with OHCA as a mobile dental unit.

(5) Every individual dentist practicing at a mobile dental unit must be fully contracted with the OHCA as a dentist.

(6) Dental groups and individual providers providing dental services at a mobile dental unit shall comply with all applicable state and federal Medicaid laws, including, but not limited to,
OHCA administrative rules, the Code of Federal Regulations, and the Oklahoma State Medicaid Plan.

(c) **Coverage.** Refer to OAC 317:30-5-696 for dental coverage descriptions for children and adults.

(d) **Description of services.** Mobile dental units must treat both children and adults and provide urgent, preventive, and restorative dental services that are appropriate to provide in this setting.

(1) All current dental rules at OAC 317, Part 79, still apply to all mobile dental services including, but not limited to, prior authorizations, medically necessity criteria, documentation, and limitations.

(2) Endodontics, orthodontics, prosthodontics, periodontics, and permanent crowns will not be covered in mobile clinic.

(3) Mobile dental units will be required to refer a member to a SoonerCare contracted dental provider for any follow-up care when needed or to access services that cannot be provided in the mobile unit.

(e) **Limited provider service area.** Mobile dental units should serve members in SoonerCare dental provider shortage areas. Dental provider shortage areas mean Oklahoma counties that have less than ten (10) Medicaid general dental providers.

(f) **Billing and reimbursement.** Billing and reimbursement policies in accordance with OAC 317:30-5-704 through 317:30-5-705 apply to mobile dental services.

(g) **Post Care.** Each member receiving dental care at a mobile dental unit must receive an information sheet at the end of the visit. The information sheet must contain:

(1) The name of the dentist, dental hygienist, and/or dental assistant who provided the dental services at the mobile dental unit;

(2) Valid contact information which can include a business telephone number, email address and/or other emergency contact number for the dental group and/or dentist that provided the dental services at the mobile dental unit;

(3) A listing of the treatment rendered, including, when applicable, billing codes, fees, and tooth numbers;

(4) A description of any follow-up treatment that is needed or recommended; and

(5) Referrals to specialists or other dentists if the mobile dental unit providers were unable to provide the necessary treatment and/or additional care is needed.

(6) All dental records including radiographs from that visit should be provided to the member and/or forwarded to the dental provider providing follow-up care. Electronic and/or printed forms of records are acceptable.

317:30-5-707. Eligible providers Portable Dental Units

(a) In order for dental services provided at a mobile and/or portable dental treatment facility to be eligible for SoonerCare reimbursement, a dental group shall meet all applicable requirements set forth in the Oklahoma Board of Dentistry rules and the Oklahoma State Dental Act, including, but not limited to, all licensing and permitting requirements.

(1) All dentists and dental hygienists working at a mobile and/or portable dental treatment facility shall be currently licensed in good standing with the Oklahoma Board of Dentistry. All dental assistants working at a mobile and/or portable dental treatment facility shall be currently permitted by the Oklahoma Board of Dentistry.
(2) The license or permit (or a photocopy of the license or permit) of every individual provider shall be prominently displayed at the mobile and/or portable dental treatment facility, pursuant to Title 59 O.S. § 328.21.

(3) For services provided in a mobile dental clinic, the permit to operate the mobile dental clinic shall be prominently displayed in the mobile dental clinic vehicle, pursuant to Title 59 O.S. § 328.40a.

(b) In accordance with OAC 317:30-5-695.1, every dental group providing services at a mobile and/or portable dental treatment facility must be fully contracted with the OHCA as a dental group provider and must be fully contracted with OHCA as a mobile and/or portable dental treatment facility.

(c) Every individual dentist practicing at a mobile and/or portable dental treatment facility must be fully contracted with the OHCA as a dentist.

(d) Dental groups and individual providers providing dental services at a mobile and/or portable dental treatment facility shall comply with all state and federal Medicaid law, including, but not limited to, OHCA administrative rules, the Code of Federal Regulations, and the Oklahoma State Medicaid Plan.

(a) Definition. Portable dental unit means a non-facility in which dental equipment used in the practice of dentistry is transported to and used on a temporary basis at an out-of-office location at either group homes for juveniles or public and private schools.

(b) Eligible providers. For dental services provided at a portable dental unit to be eligible for SoonerCare reimbursement, a dental group shall meet all applicable requirements set forth in the Oklahoma Board of Dentistry rules, the Oklahoma State Dental Act (59 O.S., Ch. 7), and the requirements in this Section, including but not limited to, all licensing and permitting requirements.

(1) All dentists working at a portable dental unit shall be currently licensed in good standing with the Oklahoma Board of Dentistry. All other contracted providers of the dental group, working at a portable dental unit, shall meet all credentialing/certification requirements, as per their specialty. In addition, all members of the dental group working at a portable dental unit shall comply with the requirements at Oklahoma Administrative Code (OAC) 317:30-5-695.

(2) The license or permit (or a photocopy of the license or permit) of every individual provider shall be prominently displayed at the portable dental unit site, pursuant to Title of 59 O.S. § 328.21.

(3) In accordance with OAC 317:30-5-695.1, every dental group providing services at a portable dental unit must be fully contracted with the OHCA as a dental group provider.

(4) Every individual dentist practicing at a portable dental unit must be fully contracted with the OHCA as a dentist.

(5) Dental groups and individual providers providing dental services at a portable dental unit shall comply with all state and federal Medicaid laws, including, but not limited to, OHCA administrative rules, the Code of Federal Regulations, and the Oklahoma State Medicaid Plan.

(c) Coverage. Portable dental unit services are only available for SoonerCare-eligible individuals under the age of twenty-one (21) and limited to the services noted in (1) through (3) of this Subsection. All portable dental units must have a SoonerCare-contracted, Oklahoma-licensed dentist onsite to supervise all other portable dental unit staff. Coverage for dental services provided to children/adolescents at a portable dental unit is limited to:

(1) One (1) fluoride application per member per twelve (12) months;
(2) One (1) dental screening annually that is performed by a SoonerCare-contracted, Oklahoma-licensed dentist; and

(3) Dental sealants on tooth numbers 2, 3, 14, 15, 18, 19, 30, and 31. The OHCA will not reimburse the application of dental sealants for a given OHCA member more than once every thirty-six (36) months, regardless of whether the services are provided at a portable dental unit, or at some other authorized place of service.

(d) Post Care. Each member receiving dental care at a portable dental unit must receive an information sheet at the end of the visit. The information sheet must contain:

(1) The name of the dentist, dental hygienist, and/or dental assistant who provided the dental services at the portable dental unit;
(2) A valid business telephone number and/or other emergency contact number for the dental group and/or dentist that provided the dental services at the portable dental unit;
(3) A listing of the treatment rendered, including, when applicable, billing codes, fees, and tooth numbers;
(4) A description of any follow-up treatment that is needed or recommended; and
(5) Referrals to specialists or other dentists if the portable dental unit providers were unable to provide the necessary treatment and/or additional care is needed.

(e) Billing. Refer to OAC 317:30-5-704 through 317:30-5-705 for billing instructions and guidelines. Please note that for any dental service provided through a portable dental unit that is billed to SoonerCare, the appropriate place of service must be identified on the claim to receive reimbursement.

317:30-5-708. Parental consent requirements

Individual providers at a mobile and/or portable dental treatment facility mobile or portable dental unit shall not perform any service on a minor without having obtained, prior to the provision of services, a signed, written consent from the minor's parent or legal guardian, that includes, at a minimum, the:

(1) Name of the dental group and/or dentist providing the dental services at the mobile and/or portable dental treatment facility mobile or portable dental unit;
(2) Permanent business mailing address of the dental group and/or dentist providing the dental services at the mobile and/or portable dental treatment facility mobile or portable dental unit;
(3) Business telephone number of the dental group and/or dentist providing the dental services at the mobile and/or portable dental treatment facility mobile or portable dental unit. This telephone number must be available for emergency calls;
(4) Full printed name of the child to receive services;
(5) Child's SoonerCare Member ID number; and
(6) An inquiry of whether the child has had dental care in the past twelve (12) months and if the child has a dental appointment scheduled with his/her regular dentist. If applicable, parent should list the name and address of the dentist and/or dental office where the care is provided.

317:30-5-709. Coverage [REVOKED]

Payment is made only to contracted dental groups for Early and Periodic Screening, Diagnosis and Treatment (EPSDT) services provided to SoonerCare eligible individuals under the age of twenty-one (21). All mobile and/or portable dental treatment facilities must have a SoonerCare-contracted, Oklahoma-licensed dentist onsite to supervise staff and provide certain services.
Coverage for dental services provided to children/adolescents at a mobile and/or portable dental treatment facility is limited to:

(1) One (1) fluoride application per member per twelve (12) months;
(2) One (1) dental assessment annually that is performed by a SoonerCare-contracted, Oklahoma-licensed dentist; and
(3) Dental sealants on tooth numbers 2, 3, 14, 15, 18, 19, 30, and 31. The Oklahoma Health Care Authority (OHCA) will not reimburse the application of dental sealants for a given OHCA member more than once every thirty six (36) months, regardless of whether the services are provided at a mobile and/or portable dental treatment facility, or at some other authorized place of service.

317:30-5-710. Post-care [REVOKED]
Each member receiving dental care at a mobile and/or portable dental treatment facility must receive an information sheet at the end of the visit. The information sheet must contain:
(1) The name of the dentist, dental hygienist, and/or dental assistant who provided the dental services at the mobile and/or portable dental treatment facility;
(2) A valid business telephone number and/or other emergency contact number for the dental group and/or dentist that provided the dental services at the mobile and/or portable dental treatment facility;
(3) A listing of the treatment rendered, including, when applicable, billing codes, fees, and tooth numbers;
(4) A description of any follow-up treatment that is needed or recommended; and
(5) Referrals to specialists or other dentists if the individual providers were unable to provide the necessary treatment, and additional care is needed.

317:30-5-711. Billing [REVOKED]
Refer to Oklahoma Administrative Code (OAC) 317:30-5-704 through 317:30-5-705 for billing instructions and guidelines. Please note that for any dental service provided at a mobile and/or portable dental treatment facility that is billed to SoonerCare, the appropriate place of service must be identified on the claim.
