

# Do you **QUALIFY?**

## Medicaid is Expanding

Are you an adult between the ages of 19-64?

Is your yearly income \$17,796 (or less) for an individual or \$36,588 (or less) for a family of four?

If you answered “yes” to both of these questions, you may qualify for SoonerCare.

SoonerCare is expanding to provide benefits to people who were not previously eligible for Medicaid.

### When Can I Apply?

You can now apply. Coverage will begin on July 1, 2021.

### How Do I Apply?

Visit [www.mysooner.org](http://www.mysooner.org) to apply online.

### What Information Do I Need to Apply?

- Social Security numbers and birthdates of people in your home.
- Current or recent health insurance information.
- Identity and citizenship information, or alien registration information.
- Income information including employer name, address and phone number, of all household members who are employed.
- Amount of money received from other types of income.
- Expected date of delivery and number of babies of any pregnant household member.
