Dear Hospital Administrators,

SHOPP Update

A new version of the CY2022 SHOPP Allocation has been posted to the OHCA website. The difference between the original and adjusted allocations on the 2022 Hospital Access Payments Allocation are due to some changes that occurred after the first quarterly payments were made. If there are any additional changes an update will be posted.

If you have any questions or require additional information, please contact Provider Reimbursement by email at: ProvReimb@okhca.org

Thank you for your continued service to Oklahoma’s SoonerCare members.
