Tobacco Cessation Benefit

Research indicates that no other clinical intervention can reduce illness, prevent death or increase quality of life more effectively than tobacco cessation. SoonerCare reimburses providers who use the five A’s approach to tobacco cessation developed by the Agency for Healthcare Research and Quality and endorsed by the U.S. Public Health Service.

The Five A’s

- **Ask** the patient to describe their tobacco use.
- **Advise** the patient to quit.
- **Assess** the willingness of the patient to quit.
- **Assist** the patient with referrals and plans to quit.
- **Arrange** the follow up.

Who Can Perform the Five A’s?

- Physicians.
- Physician assistants.
- Nurse practitioners.
- Maternal/Child health LCSW with certification as a tobacco treatment specialist.
- Dentists.
- OSDH nurse practitioners and registered nurses.
- Nurse midwives.
- FQHC nurse practitioners and RNs.
- Maternal/Child health LCSW with certification as a tobacco treatment specialist.

A Compensable Service Must Include:

Chart documentation with a separate progress note that addresses the five A’s and office note signature along with member-specific information addressed in the five steps and the time spent by the practitioner performing the counseling. Anything less than three minutes is considered part of a routine visit.

Who is Covered?
