Re: **Executive Order 2025-16 Attestation Update**

Dear Provider,

The Oklahoma Health Care Authority (OHCA) is providing an update regarding Executive Order 2025-16.

To reduce administrative burden on providers, OHCA will now verify compliance with the executive order through the routine provider enrollment and contract renewal process rather than through a separate attestation.

Currently enrolled providers do not need to take any action regarding the executive order until completing their regular renewal paperwork, at which time completion of the OHCA provider contract will complete the necessary steps. If you are currently in the renewal process, the same applies – compliance will be handled through completion of the OHCA provider contract.

Providers with questions may contact OHCA Provider Enrollment at ProviderEnrollment@okhca.org.

Thank you for your continued partnership in serving Oklahoma's SoonerCare members.

Sincerely,

Oklahoma Health Care Authority
