RE: Action Required: Amended Executive Order 2025-16

Dear Provider,

As you may recall, the Oklahoma Health Care Authority (OHCA) paused the implementation of Executive Order (EO) 2025-16 regarding required provider attestations on November 12, 2025. EO 2025-16 was reissued on Jan. 15, 2026. In accordance with the updated EO language, OHCA is reinstituting the provider attestation requirement, effective immediately. An [updated provider attestation form](#) is available under Forms on OHCA's Provider Enrollment page.

Actions Required:

- If you have already submitted a provider attestation, no further action is required.
- If you have not submitted a provider attestation, please submit the updated provider attestation form linked above no later than 5 p.m. on May 15, 2026.

Please visit the Provider Enrollment page for an [updated Frequently Asked Questions document](#) with additional information and submission instructions. Please contact OHCA Provider Engagement with any questions or concerns.

Sincerely,

Clay Bullard

Chief Executive Officer
