## **Meet the LIBERTY Team**

Lisa Gifford Plan President

Dr. Leta Langford Dental Director

Tom Mergen AVP, Information Technology Applications

Paula Crouch Manager Member Services

Michelle Eubanks Director Provider Relations

Renee McBay Network Manager East Territory DSO Relationships

Semi Duke Network Manager West Territory Tribal and FQHC Relationships

Michelle Jolivette Practice Transformation Specialist

# Continuity of Care Period

Out of Network Providers Prior authorizations for General Dentists 120 days (6/1/24)

Specialty Referrals WAIVED FOR 120 DAYS

**Required Forms** 

Continue using DEN-2 form for Ortho Specialty Referral Form

CRA Form (BRUSH) Must be fully contracted to qualify for Bonus Payments

## Out of Network Providers

Providers who are not currently contracted must complete required provider agreements, fee addendums and facility information necessary for system set up. Once a provider has completed all necessary documents, these can be emailed to their Network Manger or to

okpringuiries@liberlydentalplan.com for review. If any items are missing or incomplete someone from the Provider Relations team will contact the provider office for further action.

Providers who only complete the minimum requirements and do not become fully credentialed will automatically expire on 1/31/2025.

Maintaining an active CAQH profile and adding LIBERTY Dental Plan as an authorized company can speed up the process of contracting and credentialing both now and at the time of recredentialing.

Only Providers with active Medicaid ID's can see Medicaid members.

Claims for services can be sent via clearinghouse, fax, email or USPS and will be reimbursed at the current state rate. Out of Network Providers Continued

Specialty Referrals are waived during the COC period, but Prior Authorization requirements for Specialty procedures remain in place.

LIBERTY uses the OHCA DEN-2 orthodontic form

LIBERTY enforces all OHCA timely filing guidelines

The ADA CRA form can be used for offices who are out of network but upon fully contracting, providers are expected to use the online form in the LIBERTY portal.

IT IS HIGHLY RECOMMENDED TO BE FULLY CREDENTIALED BY THE END OF THE COC PERIOD

# Prior Authorizations and Referrals

#### Overview

Prior Authorizations are required for all specified services per the benefit schedule along with necessary and sufficient documentation.

Providers must have a prior authorization for certain specified services before delivery of that service, unless the service is provided on an emergency basis.

Retro PA's may be requested for up to 5 business days after date of service.

#### **Specialty Care Referrals**

Services deemed beyond the scope of a General Dentist may be referred to a LIBERTY Dental Specialist. If there is no in-network specialist within the General Dentist's office or within a reasonable proximity to the General Dentist's office, provider's office staff may contact LIBERTY's Provider Services Department who will aid in referring the member to a non-contracted Specialist. The LIBERTY Specialty Care Referral Form or an Attending Dentist Statement must be completed when making a referral. Provider must include a narrative statement as to the reasons for the specialty referral.

#### **Urgent Referral Guidelines**

• Urgent Referrals must be obtained when a member is experiencing pain, swelling, bleeding or trauma. The fastest approval process is through the Provider Portal. You may also call the Referral Unit at 888-352-7924, Option 4. (valid for 30 days)

#### NON-EMERGENCY SPECIALTY REFERRAL SUBMISSION AND INQUIRIES

General Dentist must submit a referral request to LIBERTY for prior approval. There are three options to submit a specialty care referral:

## **Specialty Care Referral Request**

LIBERTY's Specialty Care Referral Request form can be found on the LIBERTY website under provider resources.

### Caries Risk Assessment (CRA)

► The CRA is completed by the General Dentist office and can be accessed through the provider portal. A roster of patients with completed CRA's will be housed on the portal for recall purposes.

Completing a CRA in the provider portal will automatically create a claim for this service. All other services completed on the same day, will need to be billed separately.

Pat	ient's FirstName: Patient's	s Last Name:		Date of Birth:	
Pro	vider Name:			Date of Assessme	
		Low Risk (0 Points)	Moderate Risk (1 Point)	High Risk (2 Points)	
	Contributing Conditions	Check all conditions that apply			
1.	Fluoride Exposure (drinking water, supplements, professional applications, toothpaste)	O Yes	O No

		0-1 Points	2-4 Points	5+ Points	

## Contracting and Credentialing

▶ LIBERTY complies with requirements for providers to be fully credentialed within 45 days of a <u>clean submission</u>.

► General Guidelines for contracting:

► Using LIBERTY's online Provider Enrollment platform allows for ease of submission and the collection of all pertinent contracting needs.

►A clean submission is required for contracting. It is necessary to provide all documents at the time of submission to ensure there are no delays.

Credentialing timelines do not start until a clean contracting submission is received.

Signing up for Electronic Fund Transfer at the time of contracting is required and ensures no delay in payments being received

▶ Portal Access is not allowed until contracting documents are processed

## **Dental Home- Soft Assignments**

Dental home means a usual source of dental care where dental care services are provided in a primary care setting where care is accessible, family-centered, continuous, comprehensive, coordinated, compassionate, and culturally competent.

Dental Homes consist of general or pediatric providers only. Other dental specialties do not qualify as a dental home.

Dental Homes have assigned rosters that can be accessed in your online portal. These rosters can be used to create recare lists or new outreach lists of non-utilizers.

Any Medicaid General/Pediatric provider can see any member at any time. It is NOT required for the member to be assigned to your office at the time of service. LIBERTY's claim system will assign this member to your office once a claim has been received. If the member is only being seen in an interim situation, neither the member nor the office need do anything to allow the member to return to their previous dental home.

► To see all ages of members, provider offices would need to sign both child and adult fee addendums.

It's important to note that emergency treatment does not have to be rendered by the member's dental home.

**Claims Submission Options**
