## **Proposed Rule, State Plan, and Waiver Amendments**

**Care Coordination Rate for CCBHC Drug and Specialty Court Referrals** - ODMHSAS seeks to implement a care coordination rate for drug and specialty court referrals received by Certified Community Behavioral Health Clinics (CCBHCs). The rate is \$45.00 per encounter for at least 15 minutes of clinical staff time provided per calendar month to non-established clients. This rate was approved by CMS in the Oklahoma Medicaid State Plan in 2019.

**Dental Services for Adults** – Senate bill 1046 (SB1046) mandates the Oklahoma Health Care Authority (OHCA) expand current dental benefits offered to Medicaid adult members. The OHCA will add dental examinations, x-rays, dental cleanings, fluoride, dental fillings, scaling and root planning, as well as dentures and partial dentures as covered services for SoonerCare adult members. Adult SoonerCare members will have access to the aforementioned dental services effective July 1, 2021. Policy will delineate coverage as well as any applicable service limitation(s). Newly added dental services will be reimbursed pursuant to the current established reimbursement methodology within the State Plan.

***This item requests a 14-day expedited tribal consultation.***

**Adult Expansion Alternative Benefits Plan (ABP) Update** – The OHCA will revise the original content of the ABP to note that infusion therapy is a covered service. Additionally, the ABP will reflect the request to add the adult dental services noted within the summary above.

***This item requests a 14-day expedited tribal consultation.***

**Supplemental Hospital Offset Payment Program (SHOPP)** — The proposed changes will amend the Supplemental Hospital Offset Payment Program (SHOPP) policy to be in compliance with Senate Bill 1045. The proposed changes will define “directed payments” as specific payments made by managed care plans to providers under certain circumstances that assist states in furthering the goals and priorities of their Medicaid programs. The measure provides that funds from SHOPP may be used to fund supplemental or directed payments. Additionally, the changes will modify the assessment calculation methodology from a rate needed to generate an amount up to the sum of certain expenses to a fixed rate. Additionally, the proposed changes render the portion of the SHOPP fee attributable to certain expenses null and void if federal matching funds for the program become unavailable. The measure also eliminates the termination date of the program and removes a cap on quarterly transfers of funds. Finally, other changes are for grammar and language cleanup and to align the SHOPP rule with current business practice and needed changes for the funding of expansion adults and services through managed care.

**Statewide HIE (OKSHINE)** - The proposed policy is necessary to comply with Senate Bill 574 which creates the state designated health information exchange, Oklahoma State Health Information Network and Exchange (OKSHINE), which will be established, overseen, and facilitated by the OHCA. The proposed policy will add program description; definitions; outline the user requirements; and needed certifications. **This item requests a 14-day expedited tribal consultation**

**COVID-19 Disaster-relief Request(s):**

OHCA requested the following COVID-19 related change through a disaster relief Home and Community-Based Service (HCBS) Appendix K:

The COVID-19 pandemic has placed a great amount of financial strain on the provider community. Providers have experienced lockdowns causing non-budgeted overtime costs, increased cost for personal protective equipment, and a tightening labor market. The proposed rate increase seeks to temporarily provide additional compensation to HCBS providers during the public emergency.

Oklahoma has deemed it necessary to reimburse HCBS providers with an additional retroactive add-on COVID-19 rate. This add-on payment will apply to all services in which face-to-face contact is essential for beneficiary health and safety. The amount of the retroactive add-on payment rate will not exceed 20% of the provider's current rate for the following services:

**DDS Waiver Services**

- Adult Day
- Agency Companion
- Daily Living Supports
- Extended Duty Nursing
- Group Home
- Habilitation Training Specialist
- Homemaker
- Intensive Personal Supports
- Nursing
- Prevocational
- Respite
