Projects that support tribal health care programs

**Covid -19**

The Oklahoma Health Care Authority is taking measures to ensure all SoonerCare members continue to have access to needed services during the COVID-19 pandemic. OHCA Tribal government relations convened tribal consultation on all policy changes during the public health emergency, to ensure tribal health care provider feedback.

**HIV Task Force**

OHCA has partnered with the Oklahoma City Indian Clinic, Southern Plains Tribal Health Board, Oklahoma State Department of Health, and several others to address the increase in HIV cases among Oklahoma’s tribal population. Together we created an informative one pager highlighting covered services for SoonerCare AI/AN members living with HIV. These services are reimbursed at the OMB rate for I/T/U providers.

**Tribal Money Follows the Person Tribal Initiative**

OHCA has prioritized efforts to safely transition tribal elders, who wish to participate, back to their homes & communities. TGR has received outreach strategies to recruit tribal partners to become MFPTI grantees. The goal of the initiative is to assist the tribe(s) in developing their own infrastructure and capabilities to serve SoonerCare tribal elders.
