RE: Asthma and Chronic Obstructive Pulmonary Disease (COPD) Maintenance Medications and Natroba™ Coverage Changes Effective January 19, 2026

The following changes will take effect on January 19, 2026. Complete prior authorization (PA) criteria can be found on the OHCA website at www.oklahoma.gov/ohca/pa. Pharmacy PA forms can be found on the OHCA website at www.oklahoma.gov/ohca/rxforms.

Long-Acting Beta$_2$ Agonists (LABA) and Long-Acting Muscarinic Antagonists (LAMA)

- **Tudorza® PressAir®** (aclidinium inhalation powder) will move to Tier-2 of the LABA and LAMA tier chart. Members currently utilizing Tudorza® PressAir® will be able to continue its use.
- **Striverdi® Respimat®** (olodaterol inhalation spray) will move to Tier-1 of the LABA and LAMA tier chart.
- **Anoro® Ellipta®** (umeclidinium/vilanterol inhalation powder) will be brand preferred and available without a PA. Members currently utilizing generic umeclidinium/vilanterol will need to switch to brand Anoro® Ellipta®.

Inhaled Corticosteroids (ICS) and Combination Products

- **Arnuity® Ellipta®** (fluticasone furoate inhalation powder) will be brand preferred. Members currently utilizing generic fluticasone furoate will need to switch to brand Arnuity® Ellipta®.

Daliresp®

- **Daliresp®** (roflumilast oral tablets) will be available without a PA.

The specific PA requirements and Tier charts for the Asthma and COPD Maintenance Medications can be found on the OHCA website in the "Respiratory" therapeutic category.

Natroba™

- **Natroba™** (spinosad topical suspension) will be co-preferred (brand or ParaPRO manufactured generic). The specific generic NDC that will be covered without a PA is 52246-0570-04. All other NDCs for the generic product will require a PA.
    - Please note: Since Natroba™ will no longer be brand preferred, filling the branded product will now count toward the member's monthly 2 brand limit.

The specific PA requirements and Tier chart for the pediculicides can be found on the OHCA website in the "Dermatologic" therapeutic category.
