The nursing home is responsible for providing these as part of their payment from SoonerCare. The OHCA Pharmacy Unit will be conducting audits and findings will be sent to the Program Integrity Unit for possible action and/or recoupment.
- **Pharmacy:** Pharmacies can bill using SCC "42" in the 420-DK field and enter the **Pharmacy** NPI as the prescriber NPI in instances where there is no physician or midlevel prescriber.

**Paxlovid™ Billing Changes**

- Beginning September 1, 2025, the allowed day supply for Paxlovid™ (nirmatrelvir/ritonavir) will be a 30-day supply. Claims will need to be submitted for a 30-day supply. The quantity will vary based on the package size.
