RE: Xifaxan® (Rifaximin) Coverage Changes Effective October 1, 2025

On October 1, 2025, Bausch Heath and Salix will voluntarily end their Federal Drug Rebate Agreement with the Centers for Medicare and Medicaid (CMS). Due to this, SoonerCare will no longer cover any of the Bausch Health/Salix products, including Xifaxan®, as per our regulatory requirements.

Members currently utilizing Xifaxan® or other Bausch Health/Salix products (see table below) should seek coverage through the manufacturer's patient assistance program (PAP). There are no generics available for Xifaxan®. The details on how to enroll can be found at www.bauschhealthpap.com or by calling 1-833-862-8727. The Medicaid specific PAP application is available at www.bauschhealthpap.com/siteassets/pdf/docs/bh-pap-application-pap-medicaid.pdf.
