I/T/U Public Notice 2024-03

July 1, 2024

RE: Oklahoma Health Care Authority Proposed Rule, State Plan and Waiver Amendments

Dear Tribal Representative:

The purpose of this letter is to notify you of proposed changes that will be reviewed at the tribal consultation meeting on **July 2, 2024, at 11 a.m.** OHCA invites you to attend this meeting via webinar, and we welcome any comments regarding the proposed changes. The agency is committed to active communication with tribal governments during the decision-making and priority-setting process to keep you apprised of all proposed changes.

Enclosed are summaries of the current proposed rules, state plan and waiver amendments for your review. The summaries describe the purpose of each change.

Please note that these are only proposed changes and have not yet taken effect. Before implementation, proposed changes must obtain budget authorization and approval by the OHCA board, and when applicable, federal and governor approval must be obtained.

Additionally, OHCA posts all proposed changes on the agency's [Policy Change Blog](#) and the [Native American Consultation Page](#). These public website pages are designed to give all constituents and stakeholders an opportunity to review and make comments regarding upcoming policy changes. To ensure that you stay informed of proposed policy changes, you may sign up for web alerts to be automatically notified when any new proposed policy changes are posted for comment.

OHCA values consultation with tribal governments and will provide your representatives a reasonable amount of time to respond to this notification. If you have any questions or comments about the proposed policy changes, please use the online comment system found on the [Policy Change Blog](#) and/or the [Native American Consultation Page](#).

Sincerely,

Traylor Rains
State Medicaid Director

Proposed Rule, State Plan, and Waiver Amendments

POLICY UPDATES:

To further the agency's commitment to meaningful consultation with Tribal partners, all proposed policy revisions will be provided at the start of the consultation when they are available. An I/T/U public notice advised of the below proposed rule, state plan, and waiver revisions will be issued at least 60 days prior to their submission, but no less than 14 days (limited to abnormal circumstances). The agency strives to keep Tribal partners abreast of any exigent circumstances that may arise and cause timeframes to be updated or shortened.

In addition, the agency's website houses a policy changes blog that is dedicated to Native American Consultation. This [blog page](#) allows for comments/questions from providers and members to be submitted to the Agency and become part of the official record. All comments received are considered during the policy making process. The policy updates that are presented during this Tribal Consultation meeting will be officially posted for I/T/U provider and member review during the consultation period. To ensure that you stay informed of proposed policy changes, please sign up for the [web alert](#) option. These alerts will be sent out to all subscribers whenever any new proposed policy changes are posted for public comment.

- **Coverage of Prescribed Drugs during a Drug Shortage** – The Oklahoma Health Care Authority will seek approval of a policy amendment to address special circumstances arising from drug shortages to mitigate the effects of shortages and to ensure continued access to medication. A shortage must be identified by the Food and Drug Administration (FDA), or the American Society of Health-System Pharmacists (ASHP) for non-covered outpatient drugs to be covered when medically necessary during a drug shortage. This includes imported drugs authorized for temporary import by the FDA. Reimbursement for drugs covered during a drug shortage will be according to existing payment methodology for covered outpatient drugs and will be subject to the same requirements and limitations, such as prior authorization.
