*Behavioral Health Services Reimbursement is based on category of service. It does not include diagnosis information, which may not include all the expenses related to behavioral health services. Behavioral Health Services Reimbursement average is 9% (as of SFY 2011) of the overall annual SoonerCare budget (excluding Psychotropic Drugs). There were no adjustments applied this month for the Adult Inpatient (Acute). The Total is an unduplicated count, members are only being counted once. Member Served counts members multiple times if they have multiple Category of Services, however, they are only counted once under each reporting of figures are based on the final payment date of the claims. Trends from month to month vary due to sporadic billing, or Provider contract process.
